SIHLE..

Later that night sitting inside the Rondavel..

Thinking how cruel life can be sometimes..My mom

Just died the following year after my father did..I

had to move to my gram's house..I won't sugar coat

it, Things never been better.. Aunt Ncumisa bullied me as soon as I stepped in her mother's house, I never find peace, Finishing my Matric was by God's grace and mercy.. I used to carry my notes books to The river with me and give myself an hour to read then come back, cause I new it was impossible for me to study here while my aunt's around.... But I thank God that I passed with my 3 distinctions.. I smile to myself thinking of that day... When I told my Boyfriend Luzuko he was very happy for me, he went all out and bought me KFC streetwise two with Simba chips and a chocolate and said I deserved Everything he bought..

God I love him so much... He helps a lot when I need him, though he dropped out of School at Grade 10.. After his mother Died of cancer he had to provide for his siblings Anele (6yrs old) and Mahle who's the same age as Nkonzo.. He's a taxi driver, works for Bab' Lucky the richest man in my village.. People who know him say he has two Clubs in Cape town and a Restaurant.. Including 8

taxis..(sighs) how I wish he can offer me a job in his restaurant..

"Sihle?"I turn away from the fire..

Me:"Huh??"

Nkonzo frowns..

Him:"I've been calling you a thousandth time now.."

I shrug.

Me:"Sorry...what do want??"

He tilts his head and smiles..

Him:"Bhut'Zuko is by the corner..He wants to see you" My heart dances in joy..

Me:"Ohh okay" I quickly got up and Rushed inside the house and changed into a dress and a doek wrapped in my head(He said I must practice wearing it Cause he's marrying me soon..I laughed kanti he was serious)

Nkonzo:"Hlehle hurry up my pocket money is being deducted.."

I laugh..

Me:"Okay..."I grabbed my scarf and rushes out..

I followed the torch he was carrying...Nkonzo ran to him and collected his pocket money then walked back home..

"What took you so long Mkam(My wife)"He said wrapping his huge arms around me..

I burry my face in his chest inhaling his scent...

Me:"I missed you"

He kissed my forehead.

Him:"I missed you too Mbhali yam.."

He then took my hand and led us to his home...We got to his Home,Anele and Mahle ran towards me lifting their hands for me to hug them..

Me:"Hey guys...How are you?"

Mahle:"We're okay...We missed you why didn't you come by yesterday??"

Me:"I was busy at home..I missed you too guys.."I

smiled looking at Zuko..

Him:"Okay let me dish up.."

I frowned..

Me:"You cooked??"

He smiles..

Him:"yeah..I wanted to surprise you,We haven't spent time together these passed few days..Work was crazy babe.."

Me:"I thank God you got a day off..I really missed you"

Zuko:"Are you guys done with school work??"

Mahle:"No...Anele let's go finish up.."They ran to their small room.

Him:"How's grams??"

I look away sighing..

Me:"she's not doing so good..The TB is getting worse..I don't have money to accompany her to the doctor..."

He looks at me sad..

Him:"Did she eat ?"

Me:"Yeah..I made her Porridge.."

He shoots his eyes at me frowning..

Him:"Why there's no food?"

I nod.

Me:"Yhoo okay..Don't worry I'll give you money for food and to go to the doctor.."

I looked away feeling embarrassed...He has done so much already,I think I should give up my Virginity to him..He has been patient with me..

Him:"Why are you so quiet..Sihle don't feel embarrassed,I'm your man.. I'll help where I can and you don't have to pay me.."

Tears dropped down my cheeks...

Me:"Why are you helping me Zuko?? Why are you so nice??"

Him:"Because i love you Sihle

I love you so much...I don't want anything in return..I want you to just wait til I pay Lobola for you,I'm still saving"

I smile..

Me:"I love you too Babe"His lips Curve wider showing his perfect teeth..

Him:"I know you do..Call the kids so we eat..I have something important to tell you"He says.

I hurried to their room..and called them..

We sat down and ate..

Zuko:"So guys there's something really important I have say...It's nothing bad,I think it's a good thing though..."

We look at him shaking..

Him:"Okay umm..My boss wants me to drive between three provinces which are Johannesburg,Cape Town and Here in KZN.."

I frown so we're the kids..

Him:"So this means I'll be away for 3months..:"I pop my eyes open..

Me:"Babe Three months??(he nods) that's a lot babe no..."

Him:"Mkami we need the money,We really do.."  
I sigh..

Me:"What about the kids??".

He looked at me like he's about to say something..

Zuko:"I need a favor from you baby...Please look after them for me.."

Me:"Babe..That's not possible,You know things are bad at home..Aunt Ncumisa is always crazy and bullying me..How am I going to get time to come over here In the morning and Prepare them for school,Cook them supper while I have loads of chores to do at home...I have grams to look after.."

Tears burned down my cheeks..I really don't want him to leave..

He glances at the kids..

Him:"You can go sleep..I'll do the dishes"

They hugged me and left to their bedroom..

Zuko stood up heading to the kitchen..

Me:"Babe I'm sorry but I think it's too much work for me.."

He turns to me..

Him:"It's okay Sihle..I'll make a plan,Let me take you home..."

Me:"Babe.."

Him:"Wait let me get you my jacket..

He disappeared in his room and came back shortly..

Him:"Let's go"

He said covering me with his jacket then we left silently...I don't know if I sounded selfish or what..I mean he knows very well that I barely got free time to do other things..

.

We got by my home..

Him:"I'll send you a letter tommorow morning before I leave...I thought of buying you a phone but I got held up,when I get back surely I'll come with it ."

I nodded with tears freely coming out..

Zuko:"Don't cry Mkami..I'll be back before you know it,You'll always be mine and I'm yours for ever..You're the mother of my Future kids.."I chuckled with tears leashing out..

Me:"I'll miss you Babakhe.."He kissed my lips softly with his hands stuck on my waist..

Him:"I love you Mkami..I love you so much don't forget that..I want you to remember that every day you wake up in the morning.."

I blush..

Me:"I love you More my love..."

I buried my face in his chest as he pressed me against him..

Me:"Bye"

I said walking away..

Him:"I'm marrying you when I come back...You're going to be my wife...Ma Qwabe..."

I smiled and rushed in heading to the Rondavel I sleep in..The fire was still on..I changed into my sleep wear and got in my sponge and blankets...

.

.

I woke up very early in the morning, Prepared fire and Boiled bath water for Nkonzo...Thank God Aunt Ncumisa didn't come back last night....

I changed my sleep wear and rushed out the gate..It was still dark but I had to before Zuko leaves..

.

I got to Zuko's house and knocked..Then he opened still wearing his boxer briefs...

He frowned..

Him:"Babe?"

I pushed myself in..

Me:"Morning baby..Are the kids awake??"

He's frowning and looking confused..

Me:"I decided to help with the kids.."

He raised his eyebrows..

Him:"No its okay baby...I'll leave them to one of the relatives down the hill..."

Me:"No..Zuko I'll do it...Now are your clothes ironed and packed?? Did you even wash them??"

He looks me in a awe..

Me:"Okay I'll start with Making porridge and ironing...Please go prepare the fire for bath water.."

He signed..

Him:"Okay.."He rushed out..

I lit the Primer stove both sides and boiled the water for the Porridge and i Took the Steel iron and heat it on the stove and started ironing and packing his clothes including his Toiletries...After that I woke the kids up..

Anele:"There's no need to bath us sisi..We can do it by ourselves"

I smiled and started making their bed,then went back to the kitchen as Zuko came in carrying a bucket of hot water..

Me:"Okay babe the Porridge is almost ready you can go ahead and bath I'll help the girls..

He nodded leaving me behind..

Let me Move faster I have to be home before  
Nkonzo leaves..

I filled the bath dishes with warm water for the girls  
then went back to the kitchen and dished up for it  
to cool off.

"Mkami??"

I heard Zuko calling me from his room...

Me:"Babe?"

I answered making my way in the room..

He was done bathing but still butt naked...It's not  
the first time seeing him naked,it's been a habit  
now...I'm used to it but I'm not used to the  
Anaconda between his legs..

Him:"I can't find my underwear.."

Me:"Which one babe"

Him:"The Black one and my secret socks too..."

I went to the wardrobe and looked for them..I gave

them to him..

Him:"Thanks baby.."

He said putting them on...03.

SIHLE..

After cleaning his house up...It was now 06:30 and the sun was shining out,I had to leave..

Me:"Babe I have to leave"

He stood up with his bowl and ditched it in the kitchen dish..

Him:"Let me walk you out.."

Me:"Bye girls..See you later,Or just come back with Nkonzo after school"

Anele:"We'll do just that sisi"

I nodded grabbing a container of Porridge..We left.

Him:"Don't forget to buy groceries for grams and some for the kids...Don't leave it at your house because I don't trust your Aunt...You'll just cook full meal at my house then bring Nkonzo and grams some.."I nodded..We Stopped few houses from home then he took out his wallet..

Me:"I love you too..Drive safely, Remember don't drink and drive" he laughed throwing his head back..

Me:"I'm serious Zuko..."

He chuckled.

Him:"Okay ma'am ...bye" He gently squeezed my cheek then he walked away, I did too..

Me:"Oh..my God Nkanyezi, is this really you??" I rushed to her and jumped for a hug..

She's been my friend since from primary but unfortunately she left after matric and went to Cape

Her:"It's really me girl"she hugged me back..

Me:"Gosh I never thought I'd see you ever again...What brings you here??"

She shrugged..

Her:"I just came to see my mom she's not feeling well...You know my father for being a whoe he doesn't care about her"

It's been a week since Zuko left and I must say, things have been like hell for me with Aunt Ncumisa being around. I had to take a bucket with Everytime I go to Zuko's house so she wouldn't notice. I thank God she hasn't questioned me about the food all..

Me: "Ma??" I quickly move to the main house..

Her: "Have you cooked supper??"

I shake my head no..

Me: "What should i cook?? Therss no food.."

She shoots her eyes to me..

Her:"So?? Make a plan Sisi.. You're a woman now!!"She yelled her lungs out..

Me:"How aunty??"

Her:"You're a big girl think of something!! Use whats between your legs!"

My heart bangs loudly out of my chest..

Her:"I want you to go out and Hustle..You won't sleep here if you came empty handed..."

Tears streamed down my cheeks..How can she be so cruel!! Now she wants me sell my self for food!..

While I was still asking myself those questions..I felt my cheek burn..

Her:"Get out of my face you little brat....Don't act like you never gave away you cookie for the food you've been eating these part few days nxn!!

Grams appeared from her room using her walking stick.

Her:"Ncumisa...Stop what you're doing,This child doesn't owe you a penny.."

Aunt:"Ma! Don't get involved...This little skank is not a saint! She's been sleeping with that Vilakazi boy for food....(I pop my teary eyes out)Yeah I know tell Ma!!"

My knees shook like I've been place a gun on me head..

Grams turned to me more like she's asking 'Is it True?'

Gram:"Sihle?"Calls out softly...

Me:"it's not true grams....."

Aunt:"So where is the food coming from??"

I blink my eyes repeatedly..

Aunt:"TALK!!"she shouted...

Me:"Grams I can explain...(sniffs) yes it's true that Zuko gave me money to buy food..But I didn't sleep with him,he's just helping grams trust me..."

She dropped her eyes more like in disappointment..

Me:"Grams believe me please.."I cried dropping on my knees in front of her.

Gram:"The Money you took me to the doctor with...Was it from him??"

I nodded..

Me:"Yes grams...He's a good guy,He just wanted to help out"the lump in my throat keeps hurting..

Grams turned on her heels and walk back to her room..

Aunt:"Sies..Such a disgrace!! It's getting dark hamba!!(go)"

I ran out...i ran til i couldn't anymore..til i reached the dam i find.....

.

.

In what feels like hours i finally calm down a bit...It

was now getting dark with the sun nearly setting...

I wiped my tears and rushed to Zuko's place to cook supper for the kids...As I reached the gate I came across with a Taxi parked outside the gate...Then it hit me that it's Tygar Zuko's friend,I rushed inside then found him seated on a bunk stool next to the door..

Me:"H...hello"I said making my way inside..

He stood up and stretched for a hand shake..

Him:"Ma Qwabe..."

I shook his hand back..

Me:"Ummm...What brings you here?? I mean you don't usually come here During the week"

Me:"Is he okay?? Did something happen??"

Him:"No..no..no!! Relax,He's doing Just fine...I brought you this.."He handed me a Small plastic bag...

Him:"Well..it's a social network where you'll be chatting with you friends or whoever you wanna talk to..I'll show you how it works"I nodded still smiling..

{SOMEWHERE IN THE WORLD IN ENGLAND}

A man stood by the mirror looking at his reflection,busy fixing his German Navy blue suit..with a crispy white shirt and a Maroon tie..

Him:"From tonight North you'll be mine"He smiled combing his pitch black beard and grabbed the red small box with a ring inside he slid it in his blazer and walked out of his hotel room twisting his porch keys around his finger with a big smile in his bubbly

purple ish lips....

.

.

.

He parked his car outside North's apartment feeling nervous like hell.

He grabbed some bunch of red roses and stepped out of his car heading inside still smiling..

He greets the security and Move to the elevator..

.

He then reached North's door and knocked beaming with excitement..

He realized that there's no one opening and decided to let himself in...The minute he walks in..

Something fill his Ears,He stopped trying to listen carefully...That's it! It's was what he heard at first..He frowned closing the door behind him and walking in further...He slowly got upstairs and he

more he got closer is the more the groans and moans got louder...

He leaned against the wall as his knees got weak, his heart started sinking as he Heard North's voice, he knew those moans..

"Deeper Baby...Ohhhh shit!! Right the baby"...

That got him crazy and Budged in the bedroom...His eyes fell on North being pressed down with her downer body in the air...North quickly pushed the guy with his liquids dripping out her Cookie...

North:"Baby it's not what you think!! Please Mvelo please believe me"

Tears Burned down Mvelo's eyes looking at her as she knelt down grabbing his formal pants..

Crying a mess.

The other guy frowned getting pissed..

Him:"North what's going on here?? Who's this??"

He pointed at Mvelo who was less angry but more

confused and hurt..

Her:"Please leave Mike please.."

Mike:"Like hell North..I'm not leaving..Who the fuck is this??"

Mvelo chuckled in disbelief..

Mvelo:"I'm the guy who's supposed to be marrying her"

Mike chuckled..

Him:"What??....Fuck North tell me this is a joke...listen man North is My fiance.."

At this moment Mvelo's hurt was finished..

He nodded and turned to leave..

North:"Mvelo please let me explain!!"

Mvelo:"Explain what North!!! I left my parents and siblings in South Africa just to be with you!!! Heck i chose you over them..."

Her:"I know baby...."

Mvelo:"Don't baby me!!! Worst part of it all...I always had a vision of my Ancestors warning me about you...But I didn't listen...All I wanted was to wife your ass...But it's seems like your already someone's wife to be"...

He rushed out with North still crying behind him...05.

.

.

.

SIHLE.

After supper,Tygar immediately left because his Girlfriend was already Calling non stop..So I quickly did the dishes and put the kids to bed...I then took the left overs with me...

.

As I walk home,it hit me that I had to hide the phone before Aunt Ncumisa take it from me...At least Its fully charged I won't have to worry about it

being battery low....

As i approach home i hear a lot of people talking more like a crowd of people...I quickly ran til I got to them..

Me:"What's going on??"I pushed Everyone making my way in the main house..

"Khana abuya manje bekekade ekuphi( she's just coming now..where has she been?)"

Women2:"Angithi she's sleeping with that Vilakazi boy.."

I ignored them and rushed in Gram's room...My heart bangs against my chest tempting to stop..the moment my eyes get to Grams..

I just froze,not knowing what to do..

Nkoko was busy shaking for her to wake up...

Her eyes were full of blood even her nose and mouth...

Nkoko:"Sihle help her...he...hel...help her"He was

crying and shouting..

I knelt down next to Gogo and felt her pulse...After not feeling anything my heart dropped..

Me:"Noo...NOOO!! Gogoooo!! Gogo vuka Vuka gogo  
Ahh...not you too please"I felt like my energy was sinking down...

Me:"What happened Nkonzo??...."

He shook his head still sobbing.

Him:"I don't know...I found her laying down alone like this"

Me:"Where's your mom??"

He shrugged....

.

After what seems like hell...people started cleaning up the house and making tea...I think they came with Glossaries from their houses..Gogo has been taken to Mortuary....

Nkonzo and I have been sitting on a mattress in

Gogo's room..

Ncumisa is no where to be found..At least I managed to get my uncle's numbers from Gogo's phone book..

Still at that two women came in covering their shoulders...

Woman1:"Sihle mntanami kuzomele uqine,Your Grandma is in the right place now...Please stop crying.."I wiped my eyes.

Me:"How could God be so cruel?? He's always taking and taking from me why not give instead of taking??"I cried out..

Women2:"don't say that my child...God will bless you one day...Only if you pray he'll do good on you...Gogo will be watching and protecting you from now on...Don't hate him for taking your gogo...It's his will..".

.

.

Women2:"It's already midnight now....Get some sleep we'll see you guys in the morning.."I nodded sniffing...

They walked out..

Nkonzo:"What are we going to do regarding the funeral??? We don't have money for the food and Gogo's Casket.."

Me:"Dont worry about that....get some sleep.."

I took my phone and dialed Zuko's numbers..

It rang and went to Voicemail..

Nkonzo:"You have a phone??"He smiled..

Me:"Yes Zuko bought it for me...But dont tell aunty.."

He jumped around going crazy..

At least that lightened his mood up..

I laugh as he does funny dance moves...

My phone rings..

Him:"Who is it??"

Me:"Zuko.."

Me:"Hello?"

Him:"I just found your missed call I'm sorry baby i was busy with the tyre..This taxi is getting old now  
nxn"hearing his voice is all I needed...I smiled as tears streamed down my cheeks.

Him:"Mkami??"

Me:"Im here baby....Thanks for the phone(I sniffed).."

He sighs..

Him:"Are you crying??"I dropped down holding my phone close to my ear...Nkonzo looking at me sad..

Me:"Grams is...(sniffs) she...."I stutter as i sob.

Him:"Baby?"

Me:"Mmh??"

Him:"Breathe and relax baby...I'm going to hang up till you you are calm neh??"

I nodded as if he can see me..

Him:"Uyezwa Mkami? (Do you hear me?)"

Me:"Ye..yes.."

Him:"Okay.."

He hang-up..

It's right after Grams funeral,My heart is still heavy and throbbing hard...I really thank God for Zuko,Hes been helpful throughout the funeral...He helped with Food,Tent,Flowers and all.

Im glad he came for the funeral,I just don't want him to go...

"Mkami?"

I quickly wipe my tears as he enters the Rondavel.

Me:"Ready to go??"

He frowns and walks to me..

Him:"Cha...I think I'll leave Tomorrow morning,How about you and Nkonzo move to my house??I mean Grams is no more so there's no need for you guys to

stay here...I don't trust Ncumisa,she didn't even attend her own mother's funeral"

His face lightens up..

Him:"No Bhuti Zuko??"

I smiled.

Me:"Yes but now he has to go back to Joburg"

He nods standing up to leave.

.

.

As soon as we get to Zuko's house....the Four plate electric stove caught my eyes...I quickly look at Zuko who's now smiling to me..

Me:"Babakhe?"

He chuckled..

Him:"Yes Mkami,I want things to be easier for you,I

Me:"I love you more My love"

No one nor anything will brake us apart.08.

.

.

MVELO..

Saying I'm hurt or Heart Broken is taking it slightly,I  
feel like my heart has been reaped out of my  
body...North surely did a number one on me,I loved  
her so much that I chose her over My family..

#Flashbacks.

One time after I graduated from Stellenbosch my  
plan was to come here in England and start

something good with North, Since I studied Commercial Law...I thought this side had more job opportunities..

Mom: "I don't second you going to England Mvelo, at least go to Joburg or Durban if you want to start something of your own.."

Me: "Mom you know im 25 and able to take care of myself right??"

Her: "Yes but you can't just up and go Mvelo you have Siblings and us here...You know no one there.."

Me: "Mom can you allow me to make my own decisions tuu??"

Dad: "Enough Mvelo!! your mom is Right...Have you told Ikhaya about your huge Decision??"

I rolled my eyes..

Me: "I know he's my Biological father but I don't feel the connection, hes too focussed on himself than us...Me and Kelo, As much as I love him I just feel like he's just my sperm donor (they pop their eyes out)"

Mom charged to me and gave me a hot slap..

Her:"Don't ever talk about your father like that,we never raised you like this Mvelo!!"

Me:"Mom you don't understand! the Dude didn't even bother coming to my Graduation...What kind of father is that??"

Dad:"He was busy with work mvelo!"He said with his stern voice..

I bowed my head.

Me:"dad you also had a meeting but you made sure you cancelled..Why didn't he??"

Mom:"Mvelo you're not going to England Mvelo"

I could feel mom hurt well dad was calm in the outside but inside he was boiling..

Me:"You don't own me Mom!!"

#Endoftheflashbacks.

When I left home my parents,well mom and uncle where angry at me...it's been four years now since I

left,I don't know what to expect when I get home..At least dad was contacting me..but mom was still mad at me...Well my biological father never bothered calling me...He just sent me texts asking if I was okay and all..

Now let's see how everything will be when I get home...

I got off the Flight heading out of the Airport....

.

MVELO.

.

I was fetched by one of the Guards....As nervous as I am i even forgot a little about North.

She's been calling and texting throughout the week,I really don't have energy to talk to her.I think us braking up is for the best...Yes I will forgive her but I won't get back with her.

Guard:"We're here sir..."

I snap out of my thoughts and realize that we're entering the gate already...

The car stopped right by the door...As soon as I jump off,Kelo come running to me screaming..

Her:"Twinnyyyy"

I smile.

Me:"Waaahh..I'm not your twiny Wen I'm Your Big brother.."

She laughs.

Her:"Never.... We're twins Mvelo stop acting old"she says jumping for me to carry her..

Me:"Kelo you're grown now...I can't carry you Everytime you see me.... Where's your husband??"

She rolls her eyes still smiling..

Her:"He's in cape Town with Esihle"

Me:"She's grown now...How old is she??"

Her:"She's only two years old...Come let's get inside and surprise Mama, She's in her room.."

Me:"And where's dad??"

Her:"He's not your dad but your uncle.."

.

We went inside the house and bumped into dad walking down the stairs..

Him:"Ndabezitha.."

I smile.

Me:"Nkozi yam"

we shook hands and bumped shoulders..

Me:"Unjani Tata(how're you doing dad)?"

He chuckled.

Him:"Alive and kicking.."

Kelo:"Okay since I'm invisible let me tell helpers to get lunch ready.."

King:"Ohhhh... Jealousy"

We both laugh..

Her:"Jealousy is a strong word Papa.."

We all laugh..

Lord I missed my family..

King:"Your brothers Are at Joburg Visiting your dad.."

Me:"It's almost December,Are they done with their exams??"

Dad:"I think so..Come let's surprise your mom.."

We rushed to Mom's room..

SIHLE.

"Don't forget to remind me to send you money for the kettle and electricity.."I nodded feeling tears approaching,I blanked them away.

Me:"Okay.."

Him:"Mkami don't be sad please I'm doing this for us"

I'm scared that he might be killed after I saw that text...I can't allow him to go..

Me:"Baby I don't think you should go...you...k"

His phone rang..

Him:"Hold on Mkami...(He answered) Menzi?"

..

Him:"Yeah I saw your message,Lalela Bafo,Uzonya loyo angimsabi Mina(Listen bro, He'll shit himself,I'm not scared of him)"

..

Him:"Okay I'll tell Bra' Lucky.... Sho-sho"

I look in his eyes scared.

Him:"I have to go love..."

He kissed my forehead ...

.

.

We found Mama busy with her make up...As soon as as we enter,She raised her eyes and met mine..

She frowned and slowly turned to face me..

Me:"Ndlovukazi"

I bowed..and walked to her..

She stood up with tears already lashing out her eyes...

Me:"This is me Mom..."I said smiling..

She then attacked me with a tight hug..

Me:"Don't cry mama I'm here now.."

She squeezed me for dear life.

Her:"I missed you...I missed you so much Mvelo.."

She said crying.

Me:"I missed you too Mom"She chuckled..

Her:"You're grown....Look at your beard...Damn you look like Ikhaya"I rolled my eyes..

Me:"Nope I look like this dad"I looked at dad  
Smiling..

She laughs while I wiped her tears..

Her:"God can you believe you're 29 years old?"I

laugh throwing my head Back..

Me:"You don't look 56 yourself"

Her:"Don't start..."She pinched me playfully.

.

We were now sitting on the dining room having lunch..

Mom:"Phiwe And Andile always talked about you"

I smiled.

Me:"I missed them Yhoo...Andile better be doing good at school,cause Phiwe I know he's a nerd"

Kelo:"He's pushing shame,he's not bad..As you know he likes girls"

Mom:"Maybe you can talk to him"

I laugh..

Me:"I surely will..And what about Lazola??"

They all look at each other..

Me:"What's wrong ??"

Dad:"She's not feeling well Mntungwa.."

Me:"what's wrong with her??"

Mom:"you know she's been in an abusive relationship with Bheki"

Me:"I knew he wasn't gonna marry her!! I just knew it...Bloody hell!!"

I got pissed..she's been dating the dude since the 8th grade....All he did was mistreat her and pump babies to her..

Dad:"Don't worry he's arrested.."

I rub my face in Frustration..

Kelo:"At least dad and Aunt Thoko are making sure she's okay with the kids."

Me:"I lost my appetite...I think I should go see her Tommorow...Since you've mentioned Bheki I have a Bad feeling about him..I think he's trying to kill her and the kids"

Kelo:"He's arre..."

Me:"That won't stop him from Paying people to do it nxn.."

Mom:"Okay I think we should send her here...I missed you Mvelo,you can't just go..Ha.a"

I sigh..

Me:"Okay Mom I'll make some arrangements.."

Dad:"When you're done Please meet me at my office,there's something important we have to talk about.."

I just nodded and moved out of the Dining room...

.

.

After Making arrangements for Lazola to come this side with her kids..I rushed to Dad's study room and found him waiting by the window sipping on his Whisky..

Me:"I'm done Dad what's up??"

He turned to me.

Him:"Did you talk to your father?"

I shake my head no..

Me:"Zola is old she can as she pleases we don't have to pass to him anymore"

I raised his Eyebrow..

Him:"He's still a father to you Mvelo!"

Me:"I know Dad,I know just that I feel I lot of space between him and I.."

Him:"I'll talk to him about that."

Me:"It's pointless I'm a grown Man now I don't need him"

Him:"Yes you do... Speaking of a grown up man,How's North?"

Hearing her name makes me wanna puke..

Me:"I broke up with her.."he frowned."He cheated dad"

Him:"Do you love her?"

Me:"What that have to do with anything??"

He sighs..

Him:"Okay,Are you okay??"

I look away..

Me:"I'll be fine dad...Yes I'm hurt broken but eventually I'll be fine.."

He nods..

Him:"I hear you...As you know  
Abaphantsi(Ancestors)chose you to be the next  
King.."

I narrowed my eyes to his, Hoping he's not about to  
go south on me..

I nod.

Him:"You have to get married and settle down.."

I know he was going go south..

Me:"Dad I'm not emotionally ready for choosing a  
bride or what not.."

He smiled.

Him: "I figured, So no worries....I chose a right candidate for the Queen position, And we already payed the Lobola to the Qwabe family"

I chuckled.

Me: "Tell me you're joking dad please tell me you are joking!"

He shakes his head.

Him: "No...I'm not, She's from the Zulu kingdom.."

Really..

Me: "No!!"

I raised my voice..

Me: "I'm not marrying someone I didn't choose..I'm not ready Tata.." I yell.

Him: "Firstly sit your Skinny tight ass the fuck down!"

I groan and sit down.

I look at him angry.

Him:"Secondly Don't give me that crazy look"

I look away brushing my curled fade in Frustration.

Him:"Lastly! Never raise you voice at me!!"He said with a stern voice..

Me:"Okay dad I'm sorry,but.."

Him:"No buts,It's done Mvelo...Now I sent Zwelakhe,Yonela and the seer to go fetch her...So she'll be here on Wednesday"

Me:"This is wrong!! This is so wrong...did she even agree with this madness??"

He grins like he's enjoying this..

Him:"she didn't have to...Her Uncles agreed on everything,we're doing this the old way"

Me:"I'm not ready for this dad"

Him:"You will never be,You be busy crying over North who didn't respect you"

SIHLE.

truly speaking im not even enjoying the shopping like i used to...It's like my mind is somewhere else,But my body keeps moving..

My phone rings..

Me:"Hello?"

The gun shots and chaos took over my ears..

My whole body shook and it went cold..

Me:"Ohh my God:"I whispered..

Cashier:"Sorry girl please enter your pin.."

I just moved my eyes to her though my view was blurry due to the tears threatening to gush out.

I still had the phone against my ear.

Cashier:"Sisi??"

I quickly snapped out of it and wiped my tears..

Me:"Sorry.."I taped my pin and Dropped the call trying to call again but it was ringing alone and not being answered..

After paying I took my things and rushed to Taxi rank and placed the Glossaries inside the taxi to Mndeni..then I kept trying Zuko's phone but dololo.

Tears did their best on making a fool out of me...

.

.

I climb off the taxi, Rushing home like crazy.

When I got inside I quickly tried Zuko's phone once again, but it was off this time..

I threw myself on the bunk stool and stared at my phone with tears breaking free from my eyes..

Then the call came through. I tried memorising the number but I didn't recognize it..

Me: "He..Hello"

..: "Hey, Ma Qwabe It's me Tygar"

My heart pounded so hard prepared for the worst.

Me: "Tygar.."

He cleared his throat and sighed.

Him: "I called to inform that I'm on my way there now.."

Me: "Ohh..okay."

I held on my phone waiting for him to hang up, but he didn't he kept on breathing so loudly that I can hear him..

Me: "Is there something wrong??"

He sighed.

Him:"I'll be there in an hour" He then hang up..

I put the phone down and started preparing lunch for the kids.. Zuko's face flashed through my mind... He's smiling with his left dimpled cheek..

I smiled and told myself that nothing happened to him, He's fine.

"we're back sisi" I hear Nkonzo's voice.. I quickly wiped the tears and turned to them forcing a smile..

Me:"Afternoon guys, how was school?"

Mahle:"School was okay... We were doing Reading and writing.." I smiled at her gaped teeth..

Me:"And you Anele??"

She rolled her eyes..

Me:"sisi I so hate Math with all my heart.."

Nkonzo laughed heading to their room.

Me:"No..no I don't like that attitude Miss, How are going to be a doctor with you hating math??"

She sulks..

Her:"I don't understand it sisi"

Me:"Tell you what..I'll help you where I can"

She smiled and rushed to the room..

While at that the knock came through..

Me:"Come in."

Tygar made his huge self in wearing tracksuit and a cap..

No wonder he looks like hell,It's hot and he's wearing like Winter.

Me:"Hey.."

Him:"Ma Qwabe..."

AWKWARD!!

He shook his head no.

Me:"Anything to drink??"

Him:"Water please" I rushed out to the Rondavel

and came back with a jug full of water..

He gulped it all....

Him(Breathing heavily):"Thank you Ma Qwabe.."

I sat next to him our foreheads almost touching..

He shifted.10.

.

SIHLE.

Me:"And??"

Tygar:"There's been a shooting...And..err eish"

Him:"It happened that Zuko was involved in the shooting"I just stared at him.... wordless..

Him:"He was shoot maQwabe and it doesn't look good...He was shot twice From the back,He's in

Him:"I'm sorry Ma Qwabe..."It feels like our hearts were connected like charger and twin plug...It's like someone has disconnected his from mine...

Tygar shook me..

Me:(Whispered)"I'm nothing without him.....He can't die,He can't leave me.."Tears started burning down my cheeks..

Tygar:"He's not gonna die Sihle, he's a fighter... He'll come back to you.."I shook my head..

Me:"then why don't I feel him?? Why don't I feel his heart beat??"

He looks at me confused....I know he doesn't understand,He's not the first one...Zuko never understood me whenever I told him this..But first time I met him,The very moment he asked to take

me out for a walk in my favorite spot...I knew he loved me and bare in mind that it was the first time talking to him and he hasn't said anything about love and stuff but the moment he opened his mouth and talked to me his heart just connected with mine...I felt complete,I felt like giving him my all..It's crazy he never knew I knew that...

Me:"I want to go to Joburg (he nodded)can you take me tonight??"

TYGAR..

I don't know how but I lost them...I had to go back to my house and think of a plan on how I'm gonna find her...What am I even gonna tell the kids or Zuko??

He'll kill me for sure..

I knocked and Zinhle opened..

Her:"babe??"

Me:"Hey..."i let myself in.

She closed the door and followed me to our room..

Me:"Are the kids asleep?"

Her:"Yeah though they were asking a lot of questions about Sihle..What happened?"

I sat on the corner of the bed..

Me:"He's gonna kill me.."I said in a lower voice.

She sat next to me rubbing my back.

Her:"Who's gonna kill you?? What happened??

Caused you were gone for only 3hours the you came back...And to my calculations going to Joburg takes 7-8hours...Where's Sihle?"

I looked at her..

Me:"She's Kidnapped...I don't know how to explain

this to you, All I know is I'm died if I don't find her soon....What if Zuko wakes up?? Then I'm dead.."

She stood up processing the news I just told her.

Zinhle: "He'll really kill you...But if he dies nothing will happen to you.."

I shoot my eyes to her..

Me: "What?? Are you insane??"

Her: "There's no other way Tygar! I won't raise Siphon alone that won't happen" She paced up and down..

Me: "I'll think of a plan...I won't kill him, We're like Brother I can't just decide on killing him.."

Her: "If you don't I will.." I chuckled and shook my head..

Me: "get to bed I need to sleep"

I said taking off my clothes...

Him:"Talk to me!"

He said answering his call..

Zwe:"We have her... We'll be there Tomorrow morning"

King:"Good!! I'll let Siza and Mvelo know"

Zwe:"Ndabezitha!"

He hung up and smiled in excitement..

Queen:"I guess your dirty job is done.."The King Laughed..

Him:"Relax will you? Everything will be fine.."

Queen:"everything is not going to be fine!! Did you ever think about her feelings?? That maybe she had someone she loved??"

The King's face changed..

Him:"Alizwa she's still young!! Besides we saved her from a Million thousands of Heart brakes... She'll be marrying a Future King...A loving person"

Queen:"Mvelo is not ready Yema"

I sigh..

Me:"Okay then they'll get to know each other and go on dates first... Happy??"

Her:"Better.."She kissed Her husband on the cheek..

Him:"Let's sleep...We have a lot of work to do tommorow"

They slept in each other's arms....

.

.

.

The following morning the King called Ncumisa letting her know that they had Sihle...

While at that Mvelo grabbed an apple and his car keys..

King:"Morning"

He smiled..

Him:"Ndabezitha... How're doing this morning

morning?"

King:"I'm well and a bit excited.."

He said grinning.

Mvelo:"I guess Your Makoti(bride) on her way here" He said rolling his eyes.

King:"Don't be like that...Show a little bit of excitement will you?"

Mvelo:"Dad I have to go-to the Airport...Zola Is probably waiting for me.."

King:"Okay then I'll ask One of the guards to fetch her..You need to be here for the arrival of your soon to be wife.."

Him:"No..I'll drive faster,i need some air,tell Mom I love her.."

He quickly rushed out..

.

At soon as he gets to PE,He got a call from North.He sighed and answered.

Mvelo:"North?"

North:"H...Hey" Mvelo rubbed his eyes listening to her breathing..

Him:"North What do you want?"

North:"Mvelo can we meet up I'm in Joburg I just arrived last night"

Mvelo frowned, Something in his heart was happy that she actually came all the way..But the events of that Guy's Dick buried in North hit him...He got mad all of the sudden..

Mvelo:"There's nothing to talk about North!! Now If you don't mind I got some stuff...."

Her:"Mvelo please... Please I'm begging you,Give me a chance to explain"

Hearing her Cry really broke his heart..He wasn't sure of what to say or do..

Him:"Let me get back to you North.."

He hung up and Stepped out of the car calling

Lazola..

...:"Ndabezitha?"

He smiled .

Mvelo:"Which side are you guys I'm by the entrance.."

Zola:"It's okay we're coming...I'm with Andile and Phiwe,You don't mind Neh?"

His smiled got even wider..

Mvelo:"No worries My love I'll wait.."

IKHAYA (Mvelo's Bio father)

I bang my office desk boiling with anger..

My PA budged in looking scared of her me..

Me:"Thembi I told you a million times...Don't enter Office without knocking"

Her:"Im...sorry sir"

I sat back on my chair.. loosening my tie..

Me:"What do you want??"

Thembi:"Errrr... Your Meeting with the shareholders will start in 10min sir"

I sighed relaxing my body.

Me:"Bring me my black tea with no sugar..And make sure the boardroom is really"

Her:"Very well sir"

She hurried out..

Me:"Damn you Liyema!! How can he be such a jerk...was not even included in my own sons Lobola negotiations!!! He just chose a wife for him without consulting with me first.."

I tugged my shirt in getting ready...12.

.

.

.

IKHAYA..

After the meeting I grabbed my briefcase and car keys getting ready to go home early....

"Are you really retiring??"

Kabom The COO budes in..

Me:"I'm not in the mood man.."

He closes the door.

Me:"I'm old man...Now I have to do is fix my relationship with Mvelo.."

Him:"Really?? You're not even that Old,You're just 58 at least wait til you turn 65"

I chuckled..

Him:"And besides I don't think Giving Mvelo your company is the way to fix your relationship with him.."

I sat back on my chair..

Me:"It's a start...I neglected him all his life Man...I always thought if I stop doing things for him, He'll start acting like my son..not my brother's son."

Him:"You made a mistake man,You trying to fix it counts... He'll surely come around.."

Me:"When?? I'm old now! My grave is already waiting for me with open arms.."

he chuckled.

Him:"You don't even look your age..(laughed) You look 20 with Grey hair"I laughed joining him.

Me:"You crazy man...Let Thoko hear you say that shit"We both laughed shaking our heads...

Kabom:"I'll miss having you around Mmata(Friend)"

Me:"we'll always meet up for drinks ey"

Him:"Yeah yeah"

---

Mvelo.

"You guys are really crazy"I laughed listening to

their stories..

Phiwe:"Fuck I really thought I was HIV positive...Dad went crazy on me yerrr!!"I couldn't stop laughing..Then I glanced at Zola on a rear mirror...She looked sad carrying her little baby girl..

Siya her six year old son was sleeping on Andile's lap..

Me:"U right sisi"I asked her..

She sighed..

Her:"I'm okay...Just have bearable pains here and there.."

Phiwe:"Baba stopped me from Kill that Mother Fucker..."

Me:"Leave him to me.."

Zola:"No Ndabezitha please...Lets just leave it please...I love you guys but I'm not in the mood.."

Me:"I'm sorry.."

I drove, Chatting about general things till the King

called..

Me:"Dad?"

Him:"How far are you now??"

Me:"We just left town we're coming.."

Him:"Okay...Errrr... Siphosihle is here"

I heave sigh...

Me:"Okay dad.."

God give me strength...With the love I have for North...I really doubt that I will ever fall for this Sihle girl....

.

.

We quickly got home, With dad already waiting by the entrance of the Royal house..

Me:"We're here.."

Dad Smiled looking at Phiwe and Andile..

King:"I wasn't expecting you boys..."He hugged

them..

Phiwe:"Well, Surprise!!".

They shared a laugh..

Zola:"My King"she bowed whilst I was carrying the baby..

King:"Come give your big daddy a hug.."

She giggled heading to him..

We then walked inside the house...

Andile:"What's for lunch I'm hungry.."

Me:"Surely Sneh and Azola are preparing something for us.. Where's mom??"

Dad:"She's in her Garden..Before you Go to her let's have a word.."

Me:"okay let me help Zola to her room first.."

Phiwe:"Let her use the room downstairs...It will be easier for her to move around she's still has injuries on the ribs.."

I nodded heading to the room and placed the baby on the bed..

Me:"don't rest before you eat. "

Zola:"I'm not hungry..."

Me:"Don't fuck with me Zola.."

She startled..

Zola:"Okay...I promise to eat after my nap.."

I smiled..

Me:"Very well then.."

I left the room rushing to Father's study..

I knocked..

"yes!"

I got in and sat down..

King:"She's here.."

Me:"I know you told me Dad.."

He nodded..

King:"Don't you wanna go and see her?"

I chuckled.

Me:"No...I'm not ready"

Him:"When will you be??"

I know Dad means well...but he can't just expect me to be over the moon and rush to see that girl... It'll take time to even open up to her..

Me:"I don't know Dad...All I know is I have to go to Johannesburg tomorrow if not Friday.."

His Forehead turns into multiple folds..

Him:"You joking right??"

His voice becomes deep..

Me:"Dad can you please give me this weekend...Then I'll make things right.."

He seats back on his chair.

Him:"Tell that to the seer..."He sipped on his Whisky..

I know he's doing this on purpose cause he knows pretty well that the seer won't agree..

Me:"Dad I'm begging here..."He stares at me for a moment...Then he burst into laughter..

Him:"You Should have seen you face (Laughs)....I'm giving you just a weekend my boy.."

I sigh in relief...

I don't even feel the presence of Sihle... I've been trying to contact with my ancestors but nothing is revealed to me...I searched for her voice, heart beat and her eyes but dololo...The Seer once told me When the time is right for me to marry my Queen I will feel all those kinds of things before I even lay my eyes on her...

That after he told me about my gift...13.

.

Tygar..

"So what are we going to do now??"

Zinhle asks me..

I shrug..

Me:"I don't know...I really don't"

She lays her head on my shoulder..

Her:"Just go to Joburg and make sure when Luzuko wakes up... You're the first he sees..So that you can explain to him what Happened,Don't waiting for him to be discharged from the hospital... Because if you wait, He'll definitely do a number one on you..."

I thought of what she just suggested.

Me:"By doing so...He can easily understand without putting the gun on me...But what am I gonna tell Bra Lucky??I can't just leave.. He'll fire me."

See:"Don't worry about him...just beg him to Put you on Zuko's position whilst he's still getting better.."

Light bulb...

I kissed her..

Me:"Tell me why wouldn't I marry such a beautiful and smart woman" She giggled.

Her:"I love you too baby.."

SANELE.

I've been walking in and out of Johannesburg Hospital like a crazy man.. Checking if there's any changes on Zuko...

The last time I heard from his Doctor he said he's suffering from heart failure and something about his lungs failing to Catch Oxygen on themselves...So what has to happen now is for him to actually breathe on himself and let his heart regain it's energy..

Damn it's been a rough two days of my life....

I'm on my way to the hospital,I don't know what

happened to Tygar, He was so sure that he'll be here this morning with Sihle...He's not even answering my calls..

As I got to his Ward room I found his Doc checking on him..

Me:"Doc?"

Him:"How're you Mr Mhlongo?"

I sighed..

Me:"I haven't been sleeping...I really don't know what to expect you know...I'm scared that this might happen to me any day.."

He chuckled.

Him:"You'll have to relax and man up Mr Mhlongo.."

I also chuckled..

Me:"How is he?"

He looked at him..

Doc:"No change... He's still stable.."

I nodded..

Me:"I'll have it go home Tomorrow morning..."

Doc:"He's in good hands have you told his family about him?"

Me:"I told his woman..She was supposed to be here by now...Maybe something went wrong.."

Doc:"I'll update you on any changes Sir.."

Me:"Thanks doc"

I said shaking his hand...14.

{THREE DAYS LATER}

SIPHOSIHLE.

"She's so cute and looks innocent.."still had my eyes shut.. Trying to listen to the people who were talking...My whole body was aching and heavy at the same time..

My heart pounded as I remembered what happened 'Im Kidnapped' I thought..

Then my mind shifts to Zuko,Then tears streamed

out..While they were still shut..

"Uyakhala Sihle(She's crying Sihle) should we call the Queen??"

Sihle:"No lets try and talk to her."

..:"Okay.."

I heard the movement around the room..I was so scare of opening my eyes,I was scared of what might happen should I..

What if I'm being trafficked..I sob with my heart so heavy..

I felt a hand touching my arm and I sniffed..

..:"Hey princess I'm Sihle..."

I figured Sihle is the one with a screechy voice..

..:"And I'm Amahle.."

The one with the soft voice said..

I slowly opened my itchy yet painful eyes..

And I'm met by Two Ladies with the same clothing I

think....I wipped my eyes and set up straight to have a perfect view of where I was..As I got to look around, Everything think in the room was creamy white,the bedding,The Wall I mean everything....I quickly rubbed my eyes thinking I was dreaming but I wasn't.

Sihle:"You are in a Royal House.."She said smiling...

I couldn't say anything in a moment...I was still confused and scared at that moment..

Amahle:"We ran you a bath thinking you would love to take a warm bath since you've been out for four days.."

Me:"What??"

I stood up from the bed and went out the door that was more like a big Window,as I got the there was not way I would jump from there...I went back inside..

Sihle:"Relax princess.."

Me:"I don't want to relax!! Look I have kids that I

have to get to..I--i Really have to go...Whoa...where am I ??"

They both looked confused and eyes popped out..

Amahle:"You're in the Royal house..."

Me:"Royal house where?? What am I doing here??"

Sihle:"Look Princess You're at Eastern Cape...And you Are to be the next Queen to rule the Rhamlani Kindom.."

I fro.

.

I frowned with tear and dropped down on my butt...

Me:"I don't understand..."

I pressed myself against the wall and hugged my legs close to my chest..

Amahle:"Don't worry...The King and Queen are not bad people, they're actually good people."

Sihle:"Yeah and your Husband to be too..Mvelo is the most Humble and nicest person around here."

Amahle:"He'll love you"

They both smiled to me..

I didn't care they were The Lord Jesus Christ,they didn't have any right to take me without my permission...Besides I don't wanna marry this Velo or Mvelo heck I'll never marry any Man but Zuko,the love of my life. I wonder how is he doing today,Is he healing?? God I don't even have a phone,(Sighs) even if I did have a phone I don't know his tens by Head...

.

I continued sobbing til I had a headache and couldn't cry anymore.

Sihle and Amahle ended up leaving me alone again..

There's no point of sitting here and crying like a little baby...I must just play along and act cool,in that way I'll think of a plan and get money to escape from this heaven of a Palace or Royalty,what ever it maybe(Eye roll).

I got up and headed to the next door that was not locked and opened it...My eyes came across with a toilet? I suppose...And what they call a bath tub..it's oval and cream white..I know this because I had magazines at home nothing here I don't know but it's my first time seeing one..

I started to strip naked and Got inside the Bath and relaxed my in the warm water, Everything smelt so nice and sweet that my Lips curved into a smile...

Me:"How did I end up here?? I mean how did this happen? Who are these people?? I know I'm in Eastern Cape and They're the Xhosa Tribe.."I said to myself thinking so hard..

.

I bathed and stepped out of the tub and wrapped the Pink towel around me..As I went back to the bedroom I met this Woman She's was seated on the bed,She's a light skinned lady and Looks beautiful and warm...Just like my mother..She something like a horn,A big golden horn and had Golden beads on

her wrist on the Forehead too..She looks like a Goddess..

I got nervous that my knees started shaking..

Her:"Good morning my princess"She said followed by her warm smile..I didn't know what to say so I kept my mouth shut..

Her:"I'm Alizwa The Queen of this Kingdom...And the Mother of your Husband to be"

At that moment I felt dizzy and my Knees couldn't carry me anymore,I went lighter and dropped in the floor then everything went blank....15

.

.

.

MVELO.

"Mvelo I promise you I was gonna tell you just that I.."

I stood up from the couch looking away from him.

Me:"Then why didn't you North?"

I said in a stern voice..

North:"I didn't want you to get hurt Mvelo (sniffs)...It was not easy babe please believe me,His Father is Russian and has Thugs and Dealings..I didn't want the to get to you please believe me my love , please"She said kneeling before me with tears gushing out her eyes...

I sat back down and looked straight in her eyes searching if she was lying to me or not..and she wasn't, Everything think she said was the truth .

me:"But still North you should have at least said something"

she sat on my lap rubbing my beard..

North:"I'm sorry babe,I promise it'll never happen ever again.."

she perked my lips..

me:"Yeah but there's something you should also know.."

North:"Okay what is it?"

I breathed in..

Me:"So as you you know My father is Royalty right?(she nodded) yeah so My uncle is a King the one I call Father...So the ancestors chose me to be the next King of Rhamlani Kingdom.."

she smiled..

North:"Okay that a good thing right?"

I sighed..

and shook my head no.

me:"As you know,A KING has to have someone in his Right side... Someone who'll always be there no matter what life throws at him..."

she was nodding all the time and it pained me that what I was about to tell her will make her mad or hurt..

Me:"Someone like a wife North,a Queen who'll Give birth to the next King and continue the Family

Throne at the right place"

North:"Yeah I know babe...?"

I swallowed..

Me:"The time I came back from England,My father the King had already Chosen a Wife for me...My future Queen..."

she just stared at me with a trembling lips.

me:"But don't worry I don't love her babe I love you..You know that right?"

She dropped a tear and quickly wiped it and nodded..

Me:"Only if you cut ties with Mike"

she stettled and looked away..

North:"It won't be easy Mvelo,The guy threatened to kill my Parents..I can't.."

what the??

me:"Then what are you doing here?? you came here to finish me of huh???"

she shook her head no.

her:"No Mvelo it's nothing like that I promise....I just came to get things clear .."

Anger brewed inside me like like a traditional beer..

I pushed her off my lab with so much power and she landed on the floor and her head hit the corner of the coffee table..

Her:"ahhh..."She screamed..

I stood up and grabbed her Hair leading her to the balcony...

Her:"Mvelo please...Don't do this,Please I'm sorry.."The more she said sorry it woken the bad guys inside me and got more angry that I started punching her to hard..

me:"FUCK SHITT!!!! YOU THINK YOU CAN PLAY ME???"I roared feeling light and angry..

Her:"im...so..rry...pl..." she coughed and spat blood on the floor..

Me:"Shut up Bitch!!! there's nothing I didn't do for you! Do you know how hard it is to fall in love with someone who Doesn't Respect and obey to everything you say!!"

I was shouting my lungs out..

Her:"Mvelo you said you'll stop...(coughs)"

My hand was quick on Hitting her with the back of my hand..The blood splashed out of her mouth..

That's when She stopped moving..Her face was damaged with cuts and blood covering her face..

Then reality kicked in and I started panicking..I knelt beside her..

Me:"North(Shaking her) North?? please Wake up.."I quickly checked her pulse,then I realised a sigh of relief and rushed inside and grabbed my phone..

---

IKHAYA.

I said to my self...I went to the shower and  
Showered with Cold water to calm my self Down...

Then all of the sudden my sense of smell got hit by  
some odd scent,some soil and Water kind of  
smell..O sniffed but it kept on fading.I brushed it off  
and stepped out of the shower..

As I finished dressing up the knock came  
through..That must be dad.

Her:"She need to go to the Hospital Ikhaya"

Him:"Ngcobo you have to help me..We can't risk going to the hospital that could raise a lot of questions.."

she Heave sighs..

her:"Okay the Let me Get my At my Place.."We Nodded as she quickly rushed out..

---

SIPHOSIHLE..

I quickly woke up as soon as I felt like my lungs were closing up with smoke..I sat up coughing feeling my Throat dry..

"What wrong with her?"The Queen asked..

I turned to look at the man who was busy burning insets and speaking in tongues I think he's a sangoma or something..

The woman I now know as Queen was standing right beside her..

Him:"He's weak My Queen..I don't think she's strong enough for Mvelo."

I looked at the Queen nodding..

Queen:"I'll let the King know..."she turned on her heels.."

Seer:"But the ancestors say she's the right person for the Throne."

the Queen turned...

her:"How's that possible Nkala?? what you're saying doesn't make any sense"

I was also confused...And a little Happy that they might just let me go..

seer:"Lets Talk at my hut please my Queen.."

He packed his Herbs and walked out..Continuation 1..

.

.

.

I stood up pacing trying to think and remember Zuko's phone number...

Me:"It's 081 765 8.....Shit!! how can you forget Sihle??"I unwrapped the towel and wore a dress that was layed on the bed..After then the Door Opened...

Amahle made her way in carrying a tray....

Amahle:"Hey..."I faked a smile.My mind was off to

where Zuko was. What's worse I don't even remember his last digits..

Amahle:"You look sad..."

I rolled my eyes..

Me:"I don't wanna get married to whoever you guys were talking about....I have my own man and I don't know whether he's going to live or not(sniffs) The night I was supposed to go see him At Johannesburg..I woke up here."

she stared at me with a sad face..

Amahle:"What happened to him? I he sick?"

I shook my head no..

Me:"He was Shot.... Something about taxi fued..He's a taxi driver.."

she nodded..

Me:"Life hasn't been easy after the death of my mother...Me moving to my Gram's house and being bullied by my Aunt every single day...Back at home I

had to Clean, Do laundry, Cook and Help uGogo in bathing...I had to be a mother to my Aunt's son and the age of 17...Bare in mind that not everything was so easy to do...I had to go to the Forest everyday after school to collect woods for cooking...after that I would take a bucket to the river for water. We had no Electricity nor taps in our yards.. "By the time I looked at the she was sniffing and Wiping her tears.. But I wasn't crying no more...I was done with that.. Im proud that I actually told my story without even crying about it..

Her: "You did that all alone?"

I nodded with a smile..

me: "I wasn't complaining no more... With Zuko in my life Everything got better... Not fine but better, He used to help me with an open heart expecting nothing in return... He loves me Mahle, Unconditionally he does.."

Her: "Wow...(She sighed) I never experienced any of the things you said but I get where you coming

from... Where's your Grandma now??"

I shrugged.

Me:"She passed on...We buried her two weeks back.."

she nodded..Continuation 2.

.

.

.

her:"When you talked about Kids who...."

Me:"Ohh...(Smile) Anele and Mahle...They are Zuko's Little sisters..Then there's Nkonzo she's my Cousin.I was taking care of them you know"She nodded..

Her:"Okay...Eat up then the King demands your Presence..."

Me:"How can they Do this if the were good People?? I mean I also had a life of my own.."

she shrugs..

her:"They're Royalty after all.... Traditionally you're already Prince Mvelo's wife.."

I frown.

me:"What do you mean??"

Her:"They payed Lobola for you already"with that she turned and left...

I held my chest as i struggled to breathe...

how is it possible??..17.

.

.

.

SPHOSIHLE..

How did the Lobola negotiations Happen without me knowing?? Did Uncles agreed to this madness?? did they really choose money over me??

My mind was going places to places Asking myself all those questions..then Zuko just flashed in my mind ..

"I love you Mkami.. Don't forget that, Remember this every Morning.."His words were fading...I panicked..

Me:"Zuko.."I whispered as tears streamed down my cheeks..

He can't leave me....He can't,The connection I had with him just felt it's no more..

I quickly went on my knees and started praying to the Lord that he mustn't take Zuko I still need him...I can't live without him..

---

ZUKO..

"Son this is no place of the living...I told you countless times to go back to life"I looked around...I couldn't see him..It was dark I couldn't even See my finger..

Me:"Dad I can't,I don't know which way to go. Please show me the way.."

I tried looking around but it was pointless...

"Find Your way out of here Son"His words rang in my mind Til Everything went to life...I looked around the room,then I realized that I was in the hospital..I turned and i almost choked the moment I saw my body laying on the bed with doctors running in and out checking me out...

"Zuko don't leave me..."I was pretty sure I head Sihle's voice ringing in my head..

Me:"Sihle.....Mkami?"I Whispered..

"I still need you Zuko....You promised to Marry me and have children (Sniffs).."

I saw the doctor performing CPR on me...

"S'thandwa Sami Sase Mendeni"I couldn't take it anymore..

I forced myself back to my body..But it was impossible because my body was So Cold and I could see the doctor giving up...

I tried once again with force..That when I felt pain in my body..But my Everything in me Numbed..

"He's back...He's breathing by himself..."I swear that was the doctors Voice that's when I knew that I was back to life...

---

MVELO...

M:"How's she Doc??"

I asked

Doc:"She'll be okay... I injected her with a drug that will help her with pain"

I nodded.CONTINUATION..

Felt pain in my heart....I held it..

Dad:"Are you okay son?"

Me:"I need some air"

I went out the Balcony..The pain was getting more and more aggressive...I knelt down feeling my Eyes roll...

"Mvelo???"

I felt dad's hands shaking me.

Me:"Fuck!! Arrrrhhgggg!"I groaned hitting the ground.."

Doc:"Mr Buyeye...He's bleeding let me help"

as she came closer..My hands controlled themselves by pushing her to the ground.

Dad:"Mvelo!!!" the helped her up..

Me:"Get out!"

I said trying to calm myself...

Dad:"Mvelo you need help your nose are ble....."

Me:"I SAID LEAVE!!!!!!!"the doctor rushed out..

Dad:"Son..."

Me:"GET THE HELL OUT!!" I shouted..

Then suddenly the pain faded,the Scent of Water with soil Hit back at my nose.."Fuck!"I cursed..

I layed flat on the floor...I felt like I had Two hearts Mine was beating on the left...The other one was

faint in the right...Then Her face flashed through my mind...Every moment I close my eyes I see Her Her Hazel brown beautiful skin Sent shivers down my spine..Her Japanese eyes were looking right at me,Her Small pouty lips just jerked my member up and I went hard same time..

I chuckled..

I opened my eyes and met dad's smiling over me..

Dad:"Get up man..And Then"He pointed my dick...I laughed..

Me:"I found her....I see her...I can't smell her scent,Her heart matches mine but hers is a bit slower"

I took dad's hands and placed them in both sides of my chest..

He chuckled.

Him:"Your soulmate you say??"I nodded countless..."Who's she??"

then I realized I don't know her and I had A wife that

the King chose for me..

I have to go bag and tell him to return That Sihle  
back to Durban..I have a soulmate to Look for..

me:"Dad can you look after North please....I need to  
go.. Please.."

He smiled.

him:"Anything for you son"I couldn't stop smiling.

Me:"Thank you"I hugged him...The he tightened it..

Me:"I love you Dad"I took my car key and rushed  
out with a smile on my face..18.

.

.

.

SIPHOSIHLE.

The following day I woke up and took a bath, Feeling  
a bit lighter and better..

I don't know but I think it's last nights

prayer...Though it will be hard but I think I have to relax and have hope that one day everything will be okay..

I stepped out of the bath tub wrapping myself in a towel...I think I should get used to this life,For future plans of course.One time Zuko will find me,or I'll escape...Then my life will go back to normal.

I sighed looking at myself on the mirror..

Me:"One day at a time Sihle"I said to myself going back to my room and found THE QUEEN again sitting on my bed.

This woman here surely knows how to creep someone out..

I bowed as I was told..

me:"My Queen.."

I don't know when will this end..

Queen:"Morning my baby..I see you're better this morning..."

I shrugged..

Me:"I guess I don't have a choice my Queen"

I said with my head still bent.

I hear her sigh..

Queen:"It's okay you can come sit next to me.."I did as she said...

If we talk about natural Beauty....It's the Woman sitting beside me.Her skin is flawless,She's beautiful like she doesn't even go-to the toilet..

She is indeed a QUEEN..

Her eyes are big but Sexy and beautiful,She's forever smiling..

Queen:"Let me tell you a short story About Some Girl named Alizwa Langa..."

I mentally rolled my eyes.

She held my hand looking straight in my eyes.

Queen:"She wasn't from a Rich nor Fancy Family,she was the only child her parents had,They didn't have

much to offer in life...Just them and their beautiful and very quiet Princess,Though they were struggling they were always happy and loved each other. It all started when Alizwa Finished her Matric, Everything went South. By south I mean,Her father Got an accident and was told he'd never walk again..(sighs) Since It was her Father who was the only one working you know what that meant??" she squeezed my hands..

Me:"It meant He was no longer in a state of working anymore.."

She nodded with a smile.Continuation..

Queen:"And it also meant,She was no longer going to University to further her studies...That hurt her so much that she didn't eat for days just crying days d night But one night..She sat alone in her room thinking hard about the situation....Only to realize that She was so unfair to her parents for being a selfish and ungrateful child,I mean her dad was Okay and not dead.Just that he wasn't working

anymore, Her mother had to be home to look after Her husband.. Why was she so Damn selfish??.. So next morning she woke up and thought of hunting for a job in Town but that didn't go well... Months passed without getting a job and things were really bad at home so she had to at least find something... So one time after Four months she swallowed her pride and went to the Royal house, where the King and Queen lived.. (She smiles) That's when she got a job as a helper and a cook.... So she wasn't alone they were more than ten of them but every helper had it's work to do... Alizwa was placed in the kitchen, She was the only one who was allowed to cook and clean the King's bedroom and study room... (Sighs) Fast forward... To two years after that's when she was twenty years old... So the King had only Twins as his children Iiyema and Ikhaya but they were older than me... Let's say 25-26 they were staying at Johannesburg studying and starting their own thing... One time The Queen Died 'QUEEN LINDA' she committed suicide, at least that's

what they knew...And at that time The King was also sick it was really bad...But anyway One of the Twins had to moved back home because their father wasn't feeling well which was Liyema..He was a good guy,he didn't give Alizwa any problem plus he was married to Asakhe his beautiful and caring wife...

Well the other Twin IKHAYA(She rolled her eyes but still smiling) Ikhaya was just a player,Full of himself you know...But Alizwa never thought of wrong things about him,She was so taken about his style and the was he was talking, eating, Smiling, dancing I mean everything...Continuation 2

Queen:"About the guy made Alizwa crazy... One time she thought of cleaning his room knowing very well that wasn't her place to clean..She just wanted him to notice her you know(I nodded ) well yes she cleaned..then Ikhaya came out of the bathroom, wrapped in a towel but his six pack and muscled huge arms screamed at Alizwa,It was like she was

seeing God himself... That's when all it started, See that morning? that very moment, Ikhaya broke Alizwa's Virginity. Being a girl you know how it is... Alizwa thought it was love, Alizwa thought that Ikhaya Loved her that's why she kept on giving away her cookie hoping it will make him marry her ( That was just so sad) but sadly she thought, It was just sex... So the King died and he was buried then Liyema took the position and Asakhe was now a Queen... One night I wasn't feeling well, she couldn't sleep... She was vomiting and sweating then she decided to see the doctor in the morning that's when she found out that she was pregnant.. 2 weeks pregnant.. (I popped my eyes out... I never thought it will end up like that)"

As she was about to Continue... The knock came through..

Queen: "Yes??"

the door opened and Entered Amahle..

Amahle: "My Queen... Prince Mvelo is around, He's

asking for your presence.."As she said that..My heart pounded really fast and I shook like was choked..

the Queen Smiled at me..

Queen:"We'll finish our story some other time... Get dressed...The King might wanna see you or you Husband"

she walked out..

I stood and paced up and down...19.

.

.

.

SIPHOSIHLE.

My heart was racing and my whole body was shaking..

Why am I nervous again?? I mean He's just a man  
Nje!Him being Royalty doesn't mean anything  
right??

Still at that the knock came through...The Mahle came in Carrying some Red Xhosa Printed dress..

Mahle:"Hey Ma'am"She greeted smiling.

she then placed the dress on the mini couch next to the bed..

Mahle:"He's here"She said sounding excited and clapping her hands..

Me:"I don't think I can do this...I don't want to do this"

She smiled giving me a tight hug..

Mahle:"Everything will be fine...I know you might be in love with someone else,but traditionally you're his wife..By his wife I mean You're The next Queen of The RHAMLANI VILLAGE"

just the thought of that makes me wanna die at this very moment...Why can't I remember Zuko's numbers?? what about Tygar?? Yesss Tygar,I have to Call him...I know his numbers..

Smile made it's way to me lips..

Mahle:"And that smile??"

Me:"So I need a favour from you....I really need to use your phone"

She shook her head..

Mahle:"No ma'am,That won't happen..I could get into trouble.."

Me:"Please babes....I'll owe you one..."

She rolled her eyes..

Her:"Okay..But later not now.."

I nodded and Started dressing up with Mahle helping me .Continuation 1

Me:"No make up please...Just lip gloss will be fine"

I Smiled looking at my reflection..The Dress surely fits me very well ,It tights My tiny but curvicious body very well.

Mahle:"Gosh you really look Gorgeous.."

Me:"Thank you Mahle, at least I remember one of my friends numbers... He'll update me With Zuko.."

Mahle:"What if He asks for your location??"

Me:"Is it a secret that I'm here??"

she shook her Head and helped me with the shoes..

---

IKHAYA.

Mom:"I see that my Boy is happy..Mind sharing what's making you smile.."Mom just budged in my room

Me:"Mom do you mind knocking?"

She giggled.

Her:"Sorry Lolo...."

Me:"Mom I'm not longer young....It's Mvelo Not Lolo"she laughs..

Her:"You'll always be my baby Mvelo..."I smile and give her a hug..

I don't think if is it okay if I tell her first before The King...But let me just tell her.

Me:"My Queen...I..I think I have found her"

She frowned..

Queen:"Her??"

Smile just got it's way to my lips without a warning.

Me:"Yeah..My soul mate Ndlovukazi....I wasn't sure at first but the The ancestors decided to reveal her to me...I felt her,I saw her.."She was smiling the whole time..

Queen:"So?? what's her name?? do you know her??"

I sighed Wearing my golf shirt..

Me:"That's the Problem I don't know her...I just feel her hurt Ndlovukazi,Right here" I said placing her hand On the other side of my chest.

Her eyes widened..

Queen:"Are you sure this is normal Lolo?? I mean Having to feel two hearts??"

I think she's shocked..

Me:"It is Normal to me Ndlovukazi,I'm not like you and uBaba...I'm different,I have a gift that I get to learn about day by day.."

She looks worried now .

Her:"So that's her heart beat there?"

I nodded..

Queen:"It's beating so fast and Loud"I chuckled..

Me:"Yeah...Only today though, Normally her's beat slower than mine...I think she's stressed, Nervous or Hurt wherever she is "

Her:"Wow!"

I chuckled.

Me:"Don't worry mom I'm fine,I just need to go and find her.. Firstly I'll had to talk to uBaba about the bride he chose for me."

She smiles..

Her:"She's beautiful and innocent..."

I looked at her..

Me:"She's just not for me Ndlovukazi."

she nodded.Continuation 2.(Short)

Queen:"At least that will save her from marrying someone she doesn't love ."

I nodded and hugged her..

Me:"Don't worry your real Makoti will be found soon.."

Queen:"I know.."

she smiled..

Queen:"Lunch is ready and you have to tell your Dad about what you told me...Plus Sihle will join us too,She has to know.."

I nodded..

NARRATED (At Johannesburg Hospital)

Zuko:"don't fucken tell me that Tygar!!"

Tygar Brushed his Head in Frustration.

NARRATED..

Mvelo rushed to his Bedroom as he started to feel that Sihle(Who he just found out that she's His Soul mate) is in love with someone else...She didn't have to tell him,Mvelo has a Special gift of Feeling whenever something will go wrong,See the future, Getting in some people's minds and know what they're thinking and He could also Feel if his other half is not truthful or Cheating on him...That explained a lot on why he didn't feel anything when North cheated on him.It was just a warning from the ancestors that he didn't even entertain.

Mvelo:"How come she's Mine??"He Groaned out those words as he held his chest trying to suppress the pain he felt...

Zwe walked in with the Seer looking so worried....

Zwe:"Are you okay man??"

Mvelo shook his head no...He was not Bleeding through the nose..

Seer:"You need to relax My Prince...Lie down on your back..Take off you Shirt first"

Mvelo did as he was told..

Zweli's eyes popped out as his eyes came across Mvelo's chest that was Bloody red turning hot...

Seer:"Your chest is hot as a hot plate my Boy...You need to breathe...Try calming yourself down..."

Mvelo was Groaning and tossing on the floor feeling the heat...

Mvelo:"Please Help me...I can't stop this.."

The seer ran out and came back with some roots and Umuthi and gave Mvelo to drink..But it just went worse....

He was sweating AF..

Him:"It's not looking good.."He said breathing heavily..

The Queen Ran inside with other people..Nna I just stood there confused..

The Guy:"I'm Zwelakhe you can call me uncle Zwe.."

He's side looking at me...

Zwe:"Tough situation Mshana...Let's go in.."

He looked away .

Me:"You'll function just fine.... It'll be like I never came here.."

Mvelo:"That's not possible Hlehle....It's not like

MVELO...

"You okay my prince?"I nodded as we drove through the parking area at the Airport..

Me:"Sqalo(The Guard) you'll drive home...I'll fly with Sabs"

He nodded Stepping to the the Driver's side...

We quickly bought the tickets and Waited for about an hour til the Plane took off..

My phone has been ringing since Morning, and I know it's the King, truly speaking I'm not in the mood for them.. My heart just feels numb, At least the burn was not aggressive at this time around.. I feeling better now than the time I was there with them.. The guy truly loves Sihle, it was written all over his face. You wouldn't miss the relief in his Eyes... It was like "Finally you're back" kind of vibe.. It's like he couldn't breathe without her, now that she showed up every thing in his body activated...

How can one love someone Unconditionally?? To me it's like I'll never see her again..

It's like life itself turned its back on me.... I really didn't want to let go of her but I had to... I couldn't make her love me if she couldn't..

I can't make her heart beat for something it won't.. If she was meant for me then she'll be mine..

Right now I know she's confused.... But all in good time, I just hope it won't take long because I'll end

up going crazy...

"My prince do you need something to drink??"

I shook my head no..

Me:"I'm okay Sabs..."

He looked at me for a bit long then turned to look out the window..

SPHOSIHLE

We had our Supper,then i helped him do the dishes.

Zuko:"You've been quiet Mkami...What's wrong??"

Did they do something wrong to you?? Did they hurt you?"

I shook my head...I don't know but my mind was thinking of Mvelo...I knew the look he gave me when he left,He had a burn..

Right now I don't know what to think,I mean I'm here,I'm home,I'm with Zuko my Love..

Zuko:"Earth to Sihle"He clicked his fingers trying to

get my attention..

Me:"Im sorry Babakhe bowuthini?(What were you saying)"

He sighed deeply and brushed his face using both hands..

Zuko:"Tell me about the guy that brought you here.."

I know the look he's giving me...

Me:"What about him baby? I mean I don't know anything about him..Mvelo is working as a Guard where they kept me....I kept pleading with him to help me with escaping...He was scared at first but he ended up helping me.."

I don't know if what I said was making sense but I hope it did..

By the look of his Expression he's confused...Ohh God not another Question please...CONTINUATION..

.

Him:"Mmmh-mmh Sthandwa Sami.... Something doesn't add up in what you just told me...Then why did he drive with the Body Guards like some President of some sort?? Like He's a King or Someone who's Owning some Gang somewhere.."

I packed the dishes..

Me:"Those are his friends baby.."

Zuko:"Mmmk..I see,So What's her surname babe??  
"

Is he for real right now?? who would give such info to Zuko?? Knowing him he could go and find the person...

I shrugged my shoulders..

Me:"Angisazi is'bongo Sakhe(I don't know his surname)"

He nodded...

Him:"So on your way here...Did you perhaps see or

notice the environment you were in??"He asks with his arms crossed against his chest..

Me:"Yeah...They took me to Free State,I just saw the Board written Free State... I couldn't make out of which place we were in cause it was some sort of deserted Forest with a burned down Building.."

He nodded .

Him:"I'll find whoever did that to you Mama...Angibhoshelwa Mina(Nobody shits on me)...Lets go sleep, Tomorrow we'll fetch the kids"

I just nodded...I know he won't find Mvelo since I gave him the wrong information..

"Mkami Phangisa phela(Make it snappy)"Zuko shouted starting the engine of his taxi.

Me:"Baby wait I'm still putting shoes on.."I quickly grabbed my hand bag and hurried out..

Zuko:"The kids were already complaining.."I laughed..

Me:"Ohhh so you guys are complaining??"

Nkonzo:"Count me out Sisi"I chuckled...

Anele:"I wasn't complaining Bhuti Hawu"

Me:"Okay Baby drive it's 11:00,Zinhle was already complaining sending me WhatsApp messages.."

He chuckled..

Him:"I know baby...But we haven't bought Tygar's Birthday gift Nje.."

Me:"We'll pass by the Mall...What do you think we should buy??"

Zuko:"A gun..AK47"I shoot my eyes to him..

He laughs..

Me:"It's not funny Vilakazi"

Him(Laughing):"I'm sorry I was just fooling around...I think we should buy him a Guitar.."

I smiled

Me:"He plays Guitar??"

He nodded.

Him:"He's good at that Mkami.." I nodded not believing it..

Well things are back to normal, We've been happy and me on the other hand I've been really trying so bad not to think about Mvelo 'THE PRINCE' but it's really hard not to..I even dream about him one of these days...Not so good dreams if you ask me.

Weird dreams about him Carrying a beautiful Coloured baby girl. It's like he's standing by the Cliff with a beautiful view...He was laughing and playing with the baby,it's like I was there smiling at them,but that doesn't last for long .Mvelo ends up looking my way and our eyes locked,His smile fades and end up dropping the baby down the Cliff..I swear I woke up screaming Everytime the dream attacks my sleep..I would cry every time,Thank God Zuko was next to me and tried to call me down and

he would stay all night watching me Sleep... Imagine for a person who wakes up At 3am for work,even when I told him I was fine he wouldn't listen,he would stay up..

I haven't told anyone about this dream,I feel like the dream mean something..I cannot dream the same dream over and over again..But then again I have to see someone about it like Zuko said,I think it's time I did something about it...

"Okay guys We have arrived"I didn't even notice that he already bought the Guitar...I was deep in my thoughts as usual.

Me:"Come kids"

We stepped out of the car headed to the gate...The yard was already packed with cars and people drinking from the bottles...CONTINUATION.

Zuko:"Bo Bafo.."shook hands..

Zuko:"MKami This is Sibisi,we work together...Then the rest are his friends.."

Me:"Nice to meet you Bab'Sibisi"He nodded as he gulped his Beer..

I left them still chatting,the kids already abundant me...

Zee:"Hey Sihle"she pulled me into a hug.

Me:"Hayi Wena...Where's the Man of the hour??"

Zee:"You won't believe this but he's in his room bathing.."

I frowned giggling..

Me:"At this time??"

zee:"He was at work Cabanga..Who does that??"

I laughed..

Me:"That would be Tygar and Zuko... They love their taxis more than us.."

Zee:"Say that again.."

Zuko approached carrying a can of Heineken..

Zuko:"Makhumalo"

Zee:"That can only be me" They hugged...

Zuko:"How are you doing?"

Zee:"I'm great..."

Zuko:"Good stuff... Where's your Dog??"

Zee:"Taking a bath Skhokho.." Zuko laughed slipping his hands in my waist..

Me:"Baby Let me check this Dog out,I'll be with you just now.." I nodded and kissed his lips as he walked away..

Zee:"Whuuuuu Love bird Konje.."I laughed..

me:"Leave us alone...Where can I help??"

I can't wait no more now...I want her,I'm yearning for her...I'm yearning for her Laughter,Smile,Kiss and everything..Its like I'm going crazy..

I've been out of the country for a month now.. Trying to clear my head but it's like I'm wasting my time...Dad(the King) was against me leaving to here(ZIMBABWE) he was scared if something might happen to me will I'm here with no one but myself..But I just had to man..

Him:"I'm proud of you man...Sihle is a good Woman."

I nodded shaking his hand..

S'PHOSIHLE.

The party was getting more heated and people were drunk and wasted,As for me,I was sipping on my Wine enjoying the music and watching people dance..

Zuko has been next to the whole day..even now he's by my side whispering sweet words in my ear..

The sun has come down now and the chilli winds of the night are approaching..

Zuko:"You're enjoying your wine huh??"

I smiled..

Me:"Too much" He nodded and stood up while he held my hand..

Me:"Siyaphi Baby(Where are we going baby)?"

Him:"Woza Mkami" I giggled standing up following him wherever he's taking us...

We stopped few metres from the DJ and the music

stopped..

Then out of no where Tygar appeared from the house playing a sweet sound with the guitar we bought for him...Then everyone gathered around us...

Zee:"That's my baby.."Zee Shouted Swinging Sipho(Her son) in the air....I laughed but still confused on what was going on..

I turned to Zuko who was now on his knee holding

my left hand looking up to me..

My heart beat changed from 50 to 100 faster..

Zuko:"Mkami.... Sthandwa Sami Sase Mendeni,Sweet potato lami...My potato Zamban (I laughed..)....My heart owner,Uyazi nawe Ukuthi sisukaphi(You know where we Come from) Life hasn't been easy for me And you for the past years Kodwa (but) we never Lost each other.We were always there for each other from the beginning.From the day I first layed my eyes on

you when you were doing Grade 7 but I was so scared of approaching you and tell you how much you make my heart jump Everytime I saw you. Then After a Year I finally got courage to come to you and told you how I felt about you...But that wasn't easy because you gave me slaps Everytime I came near you...And it took you two years for you to actually give us a chance,Then my Mom died at that very day you Agreed to be mine....You were there Mkami(Tears were Doing their job...I remember that day like it was yesterday)..You were there and helped me with everything and I thank you for the that....I can't imagine my life without you Sweetheart,when you got Kidnapped I swore I would kill to find you,But thank God you here with me now...SIPHOSIHLE Qwabe would you make me the happiest man and Be my wife??"

My world just stopped,I felt my knees shook....My body felt numb like I was going to fall at this very moment...

I heard whistles and cheering up going on..I just

couldn't,I just couldn't...This was too much,My heart couldn't take it....What about Mvelo??CONTINUATION..

{Short}

God what am I thinking?? I can't leave Zuko for someone I met for 2minutes...But I also couldn't marry Zuko if there was still complications and Confusion in between...

Zuko:"Mkami?"I heard his Deep voice..

I looked straight in his eyes...And he smiled,I also did...

Me:"Zuko..."I said in almost a whisper....

Zuko:"Marry me Baby"

His hands were sweating and shaky....I softly pulled my hands from him and moved back..

Me:"I can't baby...."I whispered..

After those words,I Sprinted out of the gate crying my lungs out...I heard Zuko's voice calling me, and his foot steps running after me was not to be

missed....

I upped my pace and Ran in the forest that was not far from Tygar's house..I ran through the trees with tears blurring my eyes...The more I ran is the more the darkness of the Forest revealed itself....

I stopped in front of something like a cave...That's when I couldn't hear Zuko's voice no more...I got inside the cave and cried non stop...

Me:"Mama (Cries) Mama if you can hear me Please....Please take me(Cries) I don't wanna live no more...This life is too much for me.."

Nkonzo:"I hope she agrees to marry you...I like you and I can't wait for us to actually be a family.."

I Smiled perking his forehead..

Me:"She will.."He turned to leave me there with a heavy heart..

Why would she run away like that?? why did she turn me down?? I thought it was what she wanted...I thought it was what we agreed on..Why didn't she at least tell me the reason why she turn my proposal down...

I took my phone,taxi keys and Headed out... While at that My phone rang...

'Sans??'I answered

Him:"Man I didn't even see you leave...Ate you okay??"

I drove out of the yard speeding..

Me:"Eish I don't know man.."

Him:"Where are you??"

I woke up with a heavy headache,As the sunlight Peeped inside the Cave...

I stretched my body and yawned..

Me:"I guess I'm still alive"I whispered crawling out of the cave... Enjoying the heat of the sun and the sound of birds..

Where am i ??? I don't even remember which way

I came in...I looked around,then I saw a Small dam not far from the Cave..

Me:"Ohh thank God..."I rushed to it and drank the water,it wasn't a bad tasting water...Just that it had an after taste..

I then striped naked and got inside...It was so refreshing and cooling..

"You Truly are my Queen..."

I heard a voice then I looked around trying to see if there was anyone else in this Forest...But no one seemed to be there...

Me:"Hello??? anybody there??"

It went silent....

I continued with my Singing...I was even Smiling to myself..

"Hlehle?"I swear I head Mvelo's voice but I couldn't be sure...I felt chills down my spine...Then my heart went faster..

Me:"Hello??"

right after that,the water changed from Blue to Gold...I quickly got out of It and grabbed my dress and wore it...

I walked backwards still staring at the Gold water.. Something Goldish came out of it...That made me stop walking...

I walked back to the dam and got a clear view of what was it...

It was A Spear(Umkhonto) a long one...It was a Gold spear with Brown Strips....

I looked around and more time,then I stepped in the water and grabbed it...As I grabbed it,I felt my headache getting worse,Even my knees shook Uncomfortably...I felt my eyes turning and was so painful...

That I screamed trying to let go of the spear but that didn't happen..It's was Stuck in my hand...I closed my eyes tightly trying to let the pain go away...But it didn't instead I felt my legs being lifted from the the ground, that I felt suffocating..

Me:"Zuko...Wait I left something.."

Zuko:"What's that??"

Something might have happened while she was there the whole Night...I don't really know what happened but I'm sure there's something happened...

I know she might have been shocked about the proposal but there's something I cannot figure out what... Talking about The Proposal, Her Uncles haven't sent back the response I don't know if they're still discussing it or what...

I continued cooking and Cleaned the kitchen...

MVELO.

As soon as I stepped out of the car I rushed inside...

Me:"Baba!!"I shouted..

Me:"Mom's!!"

They both hurried down stairs wearing worry Faces..

Queen:"What's going??"She asked wiping my sweat with her gown..

Me:"I....Eish!!! Let's go to the study please"

They followed me behind..

Me:"We have a problem Baba...I thought of calling dad(Ikahya)about this but I think you'll understand this better.."

He nodded..

Me:"Sihle Accepted the Spear...."

They both pop their eyes out..

Queen:"When?? how??? I don't understand Mvelo..You told us she wasn't ready nje??"

King:"This is bad son...You'll have to Fetch her"

I shook my head no..

Me:"I can't Baba...If I do there'll be a lot of

conflict.. Obviously Her Guy will fight and you know what that means right??? that'll only mean I'll have to fight back..And I don't want that to happen...Last time I got on the fight it didn't end well..I broke that Boy's Spine..."

King:"We remember that Son...But she'll have to be here....If she snaps and actually know how to use that Spear    you know he could kill that guy right?? I've never been in your shoes Mvelo,I've never experienced what you and Sihle are experiencing....Your Gift is complicated and Strong for that matter.."

Queen:"Day by day I get to learn about this Gift of yours and it doesn't get any better instead it gets more scarier..."

Me:"It Scares me too Mom.."

Out of the blue the seer appears in the middle of the room..

"She left the spear.....Her life's in danger(He chants and speaks riddles..."

Me:"See what I'm talking about??"

"The future Queen is in(Groans) danger"

King:"What should we do now??"

The seer Turned to me..

Him:"He knows what to do"The just like that he disappeared..

Me:"Fuck!!!!!! Why did she accepted the Spear???"

Queen:"Calm down son...Yema I think you should Call Ikha...You'll accompany him,then make sure nothing wrong's gonna happen...Don't come back here without Sihle... Protect her Mvelo!! I want her safe and sound with no Cuts and not a single Scratch...Am I clear??"

King:"Okay Nana...But before that I'll have to call Siza and his wife...You can't be alone here..."

She rolls her eyes..

Queen:"I'm not alone Mandla and Her Wife are here.."

Me:"No mom uBaba is right"

She chuckles..

Queen:"Mvelo take a bath and eat before you leave ."

I nodded leaving the room..CONTINUATION

PHIWE..

Me:"Bros I really need your help here"

Sipho:"Why are you doing this man?? Do you know How Nqondo and his man operate?? They kill man...They remove your Skin while still breathing.."

Tebza:"Hayi Ngiphakathi skeem(I'm in Bro)"

Kylo:"Me too.."

Sipho:"Do you you guys really wanna take Nqondo In?? Just for a fuck Floozy??"

Me:"She's not a Fuck Floozy man...She's 17 years old...She's still a baby for Christ sake.."

Sipho:"There's more to what you're telling us

man...Are you Interested in her??"They all turned to me.

I looked away chuckling.

Me:"No Sipho I'm not interested....I just want her to go back home that's all.."

They all nodded..

Tebza:"So where do we start??"

I smiled...

At least I'll be helping someone for a change..

S'PHOSIHLE.

I kept scratching my body the whole day...I felt like There were people talking inside my head...

I couldn't even focus on what I was doing..

"Need some help??"I turned and saw him standing by the door leaning against the door frame..

I nodded...With tears threatening to leap out,

Something was wrong with me and I needed help..

He took the knife from me and continued peeling..

Me:"Do you think I'm going crazy??"

Turned with a frown..

Zuko:"No babe you not...But if you tell me what's really going on with you maybe I might help Mkami.."

I don't really know what's wrong with me...

Zuko:"Hey..hey Look at me babe...Just talk to me,I'm here and not going anywhere okay??"

I nodded..

Me:"While I was in the woods something happened Baby...It's like I was in the dam enjoying the coolness of the water....now all of the sudden..the water turned Gold.."

Zuko:"Huh?? Ngempela babe??(really babe)"

Me:"I just knew you wouldn't believe me

Zuko...Just like you didn't the time I told you

About the spear"

I just stormed out and paced up....

I have to find a way of Getting that spear and return it back to the dam... maybe I'll be okay..

But how?? it was like it was attached to me...Eish!!!! the scratching started again...

SPHOSIHLE....

i've been walking for over an hour now and i can't seem to find a way to the dam...

Me:" Please show me the way God... Im so confused on which way to take".

I looked around trying to remember the way,but it looked like i wasn't winning..

"Ngingakusiza? (Can i help you?)" asked a woman who was collecting some used bottles for recycling..

Me(Scratching my arm):"Yes please... i dont know i im lost or what but i think i am.... Im looking for a big dam that might be somewhere near here"

She shook her head....

Her:"There's no Dam around here my child... Maybe you're really lost.. Where are you from??"

Me:"im from.... Emndeneni mah"

Her:"And how did you get here?"

Me:"i walked mah.... I dont know but i think i need help," tears started burning down my cheeks...

She narrowed her eyes on me...

Her:"Do you wanna talk about it?? i mean you can talk to me..." i sat next to her and told her everything... From me being Kidnapped and being the chosen one to the day i found myself carrying a spear..

she smiled just for a while then it disappeare...

Her:" Why did you leave the palace??.... Were you treated badly??"

Me:"No mah i...."

her:" You just thought you loved the man you're with currently..."

Me:"But i love him.... i've always loved him"

she shook her head no..

Her:"You feel sorry for him.... You think because he was there for you and helped you all your life then he can have you. Let me tell you something about Being the chosen one my child...

You dont get to decide on who to love and marry,  
Your life is already planned by

Amadlozi(Ancestors) that chose you for their grandchild or whatsoever.... They get to plan for you and lead you to the right direction. But if you dont live according to their rules you gey panished... "

me:" So i don't have a say in what happens in my life???"

Her" You have but in a respectable way.... Now the 'Spear' is your protection and your guide....It is attached to you... Everywhere you go it has to be there.. "

this is so confusing idont know wether to believe this woman or not but she's talking some sense.....

---

Mvelo...

We step out of the car heading inside the gate....  
Before we even reach the door Zuko came out looking angry and fuming..

He stared at us...

King:"Afternoon Young man"

Zuko's eyes were glued to me.

Him:"Nifunani la?? (What are you doing here?) "

Me:"I dont knkw if you remember mr or not.. im.."

Him:"Lalelani lah nina.... if you don't say what you want to say and leave... i swear I'll shoot you guys now!!!"

Me:"No need for that man... Is SPHOSIHLE around?"

King:"No son let me handle this.... Young man can we Talk inside??? because what we're about to say is very important.."

Zuko:"I dont have that time... now if you could excuse me i have to be somewhere... My Fiance is missing..",

he turned on his heals and banged the door on our faces..

Me:"She's missing"i said in almost a whisper....

King:" How come you dont know about this Mvelo??? "

Me:" i dont know Baba... I cant even feel her heart, I think it has something to do with the Spear!! "

We hurried back to the car..

King: "Drive" he said making a call...

Me: "Her heart has to lead me where she is but i cant feel it..... this is bad..."

---

SPHOSIHLE.

After having that talk with that woman... she bid me a safe journey then she left.. and i also took my roure back home..

ihave to tell Zuko about Mvelo, I have to tell him the truth.... So i can accept this marriage with Mvelo...

I learned that feeling sorry for Zuko will not help but brake me... Because there's nothing i can do about this.... Im the chosen one! im chosen to be Mvelo's Wife and be Their Queen at the same time.... So i think im ready for that now....

A smile Found its way to my lips and the rain drops Kept on Falling....

As i was hopping on the muddy paddels

something hit my arm so hard that i fell...

Me:"Auuuuuchhhhhh!!!!" I turned then i saw The  
Spear laying near me Shining as it was... "I quickly  
stood up forgetting the pain....

I picked it up with a smile...

Me:" You're back... "I smiled with tears lashing out  
my eyes...

SPHOSIHLE.

Finally I found the spear or should I say it found  
me??

Just when I was about to give up God listened to me!!!

Quickly stood up fast hearing the noise of the scratching car coming my way...

Then it pulled up in front of me...

I narrowed my eyes assessing it...Then the door opened..

"Hlehle!!"Mvelo yelled my name stepping out of the car...

Me:"Mvelo?"I said in almost a whisper...My body started shaking ,my heart pounding harder....

He attacked me with a tight hug..

Him:"God so glad I found you...When I couldn't trace your heart I almost went crazy..."

I wasn't expecting him to be here!! What is he doing here??

Still at that....The King stepped out of the car looking intimidating..

I quickly bowed..

Me:"My King..."

What the fuck are they doing here?? How did they find me??....

God Zuko!!

King:"No need for that Princess.."He helped me up..

Me:"Eerrrrr If i may ask...Why are you here and how did you find me?"

They looked at each other..

Mvelo:"ummh we didn't find you at...."

Me:"You went to my house?"

King:"Yes we.."

Me:"Ohhh my God Zuko...."I just moved away from them as my mind just stopped working but my legs were moving...

How can they go there?. I told Mvelo not to come back here!! I told him to forget about me..

Me:"I couldn't just forget about you hlehle"

Me:"You promised me Mvelo!"I snapped..

The King was just there watching with eyes on both of us..

Mvelo:"I know I promised but you know that was not possible right?"He scratched his forehead"You are chosen for me hlehle!! My heart chose you,my ancestors chose you....That spear you holding chose you"

WHAT!!!

Me:"What do you mean the...."

Mvelo:"I mean You accepted the Spear and this means you have accepted to be my Queen"

Me:"This is ridiculous....I didn't know the spear was for that!!!"

How can one be so stupid? How did I not see that this had something to do with me being a Queen...

Fuck!!

Mvelo:"I know you love that Zuko guy....and I respect that but.."

Me:"then why didn't you stay away huh???"

Mvelo:"Can we talk about this when we get Home??"

King:"Yeah I think that's a great idea.."He said getting back inside the car..

Me:"I can't go with you Mvelo!! What about Zuko?"

Mvelo:"If you don't leave with me the nightmares and the voices won't stop hlehle....It could get worse..."

Me:"The what if He seartches for me?? "

Mvelo:"He won't find you....trust me he won't..."

I shook my head no....I can't just leave,That's not right..

\*\*\*\*\*

I felt the pat on my shoulder...

Mvelo:"We're here hunny"

God knows why I agreed on this...

Me:"What time is it?"

He smiled .

Mvelo:"Just after Midnight..."

KING:"I think I need some rest it's been a long day and night.."he said leaving us in the car..

I sighed..

Mvelo:"I won't rush into things hlehle..I'll give you your space till you ready for the wedding and all that stuff..."

Me:"Okay"I said in a lower voice..

{2MONTHS LATER}

SPHOSIHLE.

"wakey wakey"Said Mvelo just budging in my bedroom without knocking...

Me:"it's morning already?" He smiled...

Mvelo:"You tired huh?"I nodded"I'm just glad that your Welcoming ritual is over now....and I'm also happy that you agreed on everything that Xhasa(seer) explained to you.."

Me:"Yeah (sighs) I realized that fighting this won't help,it'll just make things more complicated..I mean I'm your chosen Queen and I'm willing to take charge and act on that.."

He frowned still smiling..

Mvelo:"So this means..."

Me:"Yes Mvelo I agree on marrying you,even if it's already done,the lobola is already pay so..."

He looked at me stuck with his eye on mine....Then suddenly His left eyes started twitching showing both his eye lenses...

He walked towards me and gently pulled me out of the bed and held my waist..

He looked me in the eye..."Are you sure about this Hlehle?"

I nodded.

Mvelo:"I mean you know that even if you weren't ready I wouldn't have minded waiting for you right? Even if it meant waiting for 10 years or more right?"

Me:"I don't know about that huh"he chuckled showing his perfect teeth with his one side dimple...

Mvelo:"Tell me Hlehle....Are you sure? don't nod just give me words."

Me:"Yes im sure Mvelo....If I wasn't ready I wouldn't have touched This subject in the first place.."I said smiling..

Mvelo:"Okay then I think we should tell Ubaba and the Queen then..."

He looked so happy and relieved about this wedding thing...

Truly speaking I'm ready to marry Mvelo, there's no point in running away from the fact that I'm the chosen one..I have to do this.

I think them teaching me about their tradition and customs has helped me understand the situation and being Queen...I also learned how to use my Spear or should I say My protector....I wouldn't say it has magic but somehow it has magic..Psss what am I saying? It's a magical Spear that I have to use to protect and guide the Kingdom...

ZUKO.

"Bhuti I cannot find School shoes.."

Me:"forget about them just pack whatever you'll need....I'll buy them as soon as we get to our new house uyezwa?"She nodded..

Anele:"Where's our new house bhuti?"

Me:"We're going to Johannesburg hunny..."

Mahle:"Is sis Sihle also there bhuti?"

Me:"No pumpkin....she's now married to someone else.."

She frowns so do Anele..

Anele:"But I thought you..."

Me:"You know what guys? Let's forget about Sihle neh?? We're going to be fine by ourselves okay" They nodded with sad faces...

Nko:"So what about me?? Are you guys going to leave me behind?"

Me:"Nooo champ...We're taking you with us....And from now on considee as you brother uyezwa?"

He thanked me..

We'll life hasn't been easy for me and the kids since Sihle left...I had promised to find her but that was like walking in a tin mud...when I was about to give she called me....I was so happy to hear her voice,It was like God had answered my prayers,but no it even got worse when she told me she wasn't coming back. That she has been chosen to marry the King of some small town in the Eastern cape..

I was confused and trying so hard to understand

what she was saying but I didn't...

Then I asked and begged her to come back to me but then I wasn't going to force her if that was what he really wanted..

I mean I had nothing to offer her I was trying but it wasn't enough...I'm uneducated,Not rich... Maybe that's why she left for a King or Prince..

Now my siblings and I are going to start a new life out of KZN... Johannesburg was the best idea..You must be wondering how did I buy a house and with what money??...

Well I took the money I saved to pay lobola for Sihle...It wasn't much but I managed to pull some strings and everything worked....we might not have bought furniture yet but I decided to leave this furniture behind...I want everything to be new,I don't want anything that'll remind me of Sihle...Now it's a new start for me and the kids...

LUZUKO.

"Excuse me Sir, can you please help me with that box of Chocolates I cannot reach it" I shifted my eyes to her....

She had her eyes stuck to mine looking like she's studying my expression...

"Sir?" she called out again..

Me: "Ummm sorry.... Dark chocolate or White?"

Her: "The white one please...."

I nodded taking it from the shelf...

Her: "Thank you so much" She then hurried to the till...

How did God create this kind of beauty in one human??

A black beautiful woman with Dark Purple Eye lenses..or are they eye contacts? but they looked so real and beautiful...

Still thinking about the woman my phone rings...

Me:"Hello?"

..:"Afternoon Mr Vilakazi it's Mrs Smith from Anele's School.."

Me:"Ohhh Afternoon Mrs..Is everything okay?"

Smith:"I'm calling on behalf of Anele... Something happened Here at school and..."

Me:"What happened?"

Smith:"Anele was involved in a fight with a boy in her class...Now she's in Hospital because the boy mistakenly stabbed her With a scissor..."

Me:"What!!! How did that happen under your watch???"

Mrs:"We're sorry Sir.."

Me:"Which hospital is she in??"

Her:"Johannesburg Hospital".

I hung up and rushed to my car leaving my lunch unpaid..

How can they be so careless??

I have a meeting at 14:00....Fuck!!!

I called Sfiso My colleague to Stand in for me..

Sfiso:"Arr!! Ndoda you know I cannot do that I also have clients bro.."

Me:"Eish please bafo I'll buy you lunch tomorrow".

S'fiso:"It's a deal then".

I hung up speeding to the hospital...

It hasn't been easy having to go back to school and finishing my Matric these passed years...It was my boy Nkonzo who advised me to go back to school,He came home from school that day carrying forms For Adult school he explained to me how it works,He told me not to worry....That I can still work during the day then At night go to school...I was Skeptical at first but ended up going to school...

That time I was still working as a taxi driver and I

that money helped with their school fees andine too.But after Passing my Matric I Found a great job at FNB as a Consultant...I'm helping people open their accounts or if they want to invest etc...Lifejch better though that money is not that enough Because of fees and transport Fare...

I parked my car and rushed inside the hospital looking like a crazy man...

Mvelo:"It's okay love....You know I'll Visit you every Weekend and I've already talked to my dad(Ikhaya) to let you stay in their house."

Me:"And he had no problem with that?"

He nodded kissing my hand..

Me:"I'm ready!!"

He frowned.

Him:"Ready??"

I nodded getting nervous as hell.

Me:"I think I'm ready now! For us to make love" He popped his out...

Mvelo:"I...I mean Are you sure Babe?"

Me:"Yes I'm sure Mvelo..."

Mvelo:"Ohhh!! Okay then Ummm...Yhoooo this is

Mvelo:" i don't know what to say Hlehle...This feels like a dream...and if it is a dream then I don't want to wake up from it.."

I giggled kissing his lips..

Me:"It's not a dream my love...This is real.."

Mvelo:"Damn thank you Hlehle...I love you"I said looking in my eyes..

Me:"I love you too Honey"

The tight hug followed...37.

LUZUKO.

They sent me straight to Anele's ward as soon as I arrived..

I don't think I'll go back to work from here...  
Everything I'm wearing is wet by my sweat..

I met the Dr when he was talking about something to Anele..

Me:"Afternoon Dr" He nodded.

Him:"You're his Brother right"

Me:"Yes how is she?"

Him:"She'll be okay just that Her middle finger is broken from the inside and it looks like it will never work again..."

Me:"What do you mean doc?"

Dr:"I mean the nerves from that finger will never work again...So you'll have to make a decision on whether you want us to cut it off completely or Leave it like that"

Me:"Fuck!! What are disadvantages of Leaving it

like that?"

Dr: "If you hoping it will work as time goes, I'm sorry to tell you that you'll only be wasting you time.. It won't I suggest we cut it off.."

I nodded..

Me: "Okay do it then..."

Dr: "Okay then you'll have to sign a permission form so we can go through it..."

Me: "Okay.."

The Dr left... I looked at Anele who was looking at me with a sad face..

Nele: "I don't want them to cut my finger Bhuti"

Me: "Nana you're 14 now, it won't be fixed instead it'll always give you problems.."

She started crying..

Her: "I did nothing to Justin he just jumped at me because I told Mrs Mary that he stole my pen"

Me: "Ubani u Justin?" (Who's Justin)

Her:"The boy from my class....He's White and always teases me if I pronounce some stupid English word wrong.."

Me:"It's okay Nana I'll talk to Mrs Smith okay?? You gonna swap classes"

She smiled..

Her:"Thanks bhuti..."

Me:"Stay here I wanna go sign those forms"

I stood up and left to the Dr's office..

Before I reach the Dr's office my caught the glimpse of that lady I met at PnP....She was standing by the corridor with some little girl...

I walked closer to her..

Me:"Hey"

She turned to look at me..

Her:"Ee Rra" she spoke in a sweet little voice..

Me:"Remember me?? We met at..."

Her:"PnP yeah I remember.."her eyes were red

seems like she was crying..

Me:"I'm LUZUKO"I stretched out for a hand shake"

Her:"Naledi...Kenna Naledi"(I'm Naledi)

We shook hands..

Me:"Are you guys okay??"

She looked away wiping her lone year that was threatening to come out...

I moved too close to her and put my hand on her shoulder..Then she just threw herself in my arms and cried out loud...

I embraced her and comforted her..

Me:"Shhhhh.... Whatever it is it'll pass...."

She cried til she had no tears..

Then she quickly pulled herself out of the hug..

Her:"I'm sorry I should've..."

Me:"It's okay no need to apologize."

She nodded.

Me:"Now mind if you tell me why were you crying??"

She sniffed.

Her:"My sister was admitted earlier today...She's been in an accident.Now they haven't gave us any news...The Dr kept on Telling us it's getting late we should go home and come back tomorrow.."

My heart broke as she spoke...

Me:" I also think you should go...it's getting late..."

Her:"We can't even if we wanted to...I don't have money to go to Melville now...I used my Transport money to come here...Now I have a class Tommorow and still I won't have money from home to Uj"

I sighed.

Me:"Okay wait for me here I'll take you guys home.."

I quickly rushed to Dr Ntsumpa's office..38.

.

LUZUKO.

After signing the permission forms I went back to Anele and told her I was leaving..

The Dr said she should stay for the night Since they'll operate her early in the morning..

Anele:"Please tell Nkonzo to Write me some of the notes I missed.."

I kissed her forehead..

Me:"I will do that... Remember call me if not feeling good,I'll come as fast as I can.."She smiled nodding..

Me:"Bye Nana.."

I walked to where Naledi and the little girl were standing..

Me:"Okay let's go.."I carried the little girl..

Me:"Did you guys eat??"

She shook her head no...

Naledi:"I'm not hungry...But I think Boemo is"

Me:"You should eat Ledi....Get in the car I'll pass by KFC and buy you something to eat.."

She just nodded...

---

SPHOSIHLE.

I was packing when My phone rang showing unknown numbers..

"hello"I answered..

"Hey Sihle it's me Nkonzo..."My heart raced...

Me:"N...Nkonzo"I said in almost a whisper..

Him:"So I meant nothing to you huh??"

Me:"No Nkonzo it's...."

Him:"I didn't call you to hear your excuses Sihle...I called to hear if you're still alive and that you're fine..Now that you are I'm gonna hung up.."

Tears formed,as I felt pain and anger in Nkonzo's voice..

Me:"It's not like that Nkonzo..I was gonna come

and Fetch you when I was done with my rituals..."

Him:"Rituals huh?? For two years Sihle!!! How could you do this to me?? To Bhuti Zuko?? He loved you...He would die for,we could've been family but you Broke that!! You broke that Wena Sihle!!...You know what?? I forgive you for all you've done...But please note this... I NEVER WANNA SEE YOU EVER AGAIN!! Stay where you are and be the Princes that you Are..."He hung up...

Hearing him talk like that makes me realise how I forgot about him and moved on with life...

I think I shout go to KZN before I head to School Tommorow..

I cannot let Nkonzo hate me...He cannot!!

ZUKO.

We got to Melville and I dropped them off..

Ledi:"Thanks for the ride Zuko..."

Me:"It's nothing really...I didn't mind helping"

I took out my wallet and Hand her R100 for transport..

Ledi:"No...it's okay I'll see what I can do.."

I smiled.

Me:"Take it Ledi...I'm not backing up...It's either you take it or I'll give a ride in the morning".

Her:"No I can't...You already bought food for us,I can't take your money..

Me:"Naledi?"

Her:"Abhuti?"

Me:"Take the money.."she sighed and slowly took the money..

Her:"Thank you.."

Me:"You welcome.."

I turned to leave..but I stopped and turned to her..

Me:"I didn't get your numbers.."

She smiled..

Goodness she had a beautiful smile with a gap in the middle..

Her:"Bye Zuko" She turned and got inside the house..

I smiled to myself before stepping inside the car and drove off...

NALEDI..

"How's your sister?" Puleng my best friend asked as we Walked to the Cafeteria..

Me:"I don't know I think I'll walk to Johannesburg hospital after my last class.."

Pule:"I can ask my dad to drop you there if you want to" I shook my head no..

Me:"You've been helping me since from our first year so No I'll see what I can do.."

She smiled.

Pule:"I don't mind and I don't think my dad would mind....Please accept this last offer.."

Sometimes I feel like instead of me being happy that next year will be my last year of studying journalism,I'm actually sad, frustrated,Stressed and messed up.

My mother is in Prison for Killing our father ...If I tell you what really happened I'll only be lying to you. I was two years when my mom got arrested for murder I'm now 22years old...I don't even know my mom.My sister never wanted me to go See her...Even now she won't let me,but I understand..The things she told me about my parents make me sick!

As I was told..My Dad lost his Job a year after I was born . That took a strain on him,It pained him not having to provide for his family....That when he got sick and had Stoke... Nkele(My sister) told me that mom got abusive towards Dad....It started with emotional abuse...Then it moved to Physical abuse..

She used to Beat dad up and Let him Sleep outside on the cold weather ..My sister was young too..She was Only 10years old and it pained me that she had to see that happen at a young age...She couldn't help our dad Out of the situation...Then months passed and my dad got better and could talk too but he was on a wheelchair,they had a serious argument and my mom decided to stab my dad to death...Nkele Doesn't remember what the argument was about but it must've been really serious that pushed mom to murder my dad...

From there we were taken to Home There in North West...

But it wasn't long til Nkele turned 16 and I was seven...She suggested that we escape from the Home cause even there we weren't treated okay....

We Used to be Street kids for About Three months if not mistaken...Then Nkele got us a place to stay...I never asked how did she manage to get the money.She registered me in Leratong Primary

School in Rustenburg...I was happy that finally our life was getting better,Not knowing what Nkele had to go through first before she got the money..

Nkele used to be a Drug mule and a sex worker...She never went to school,She stopped school at Grade 7...All because she had to provide for me and im always thankful for that but I always felt guilty everytime she came home with Shopping bags...Since I knew what she was doing..

By the way I studied and finished my Matric and We moved to Johannesburg because this is where i got the confirmation that I was accepted to their university...And I also go a busery that only paid my fees and practical courses.Boemo is Nkele's Daughter she got her while she was working as a Prostitute,She's now 6 years and doing her First grade..Well her dad Is unknown and Nkele Doesn't even bother to look for him...

Me:"I have to first Fetch Boemo from school Friend.."

Pule:"its okay then we'll drop you at Melville

then..."

I nodded having my lunch..

ZUKO..

I wasn't even concentrating at work thinking about 'Her', her smile just got me blushing like a sick puppy the whole morning..

Her purple lenses got me going crazy...

She's unique...Her sweet voice says it all without even getting to know her I already picked up a few things about her..Like Her being humble and respectful towards others...She hides her pain behind her Smile...But her Eyes says it all...

I think I should get her numbers...

S'fiso:"It's lunch time man...you still here??"

I checked the time..

Me:"Shit!!"

S'fiso:"Aren't you supposed to be at hospital to

check on Anele?"

I stood up gabbing my car keys..

Me:"See you In an hour man" He chuckled shaking his head.

---

SIHLE.

Me:"I don't understand Tyger...How can Zuko just up and go with Nkonzo without talking to me??"

Mvelo:"Calm down love"

Tyger Chuckled looking at me like I'm a dirty tissue..

Tyger:"What did you expect Sihle?? You left them without an explanation, without Nkonzo...what did you want Zuko to do??? If you stopped bitching around and thought about Nkonzo"

Mvelo charged to him..

Me:"Babe Nooo...Don't entertain him,Tyger I don't care what you say about me all I want is Zuko's Address please.."

Mvelo:"Hlehle get in the car..We'll find Nkonzo,I'll help you to"

Tyger:"Good luck on that.."

Mvelo:"Don't do that baby...We'll find him"

I shook my head no..

Me:"how Mvelo?? Johannesburg is big how are we going to find him?? I mean i've never been there but I know that it's not easy to find someone in the city.."

He pulled me to his shoulder..

Mvelo:"I'll hire a private investigator"

I looked at him..

Me:"Really?? Would you do that for me??"

He nodded.

Mvelo:"Anything for my cute Queen.."

Me:"Thank you baby"

He kissed my forehead..

Mvelo:"Sanele please take us straight to Joburg.We won't take a plane.."

Him:"Yes sir".40.

The operation went well and Anele was also fine and was resting at the moment..

Doc:"She's okay Mr Vilakazi She'll be discharged in later on today...

Me:"Thank you doctor...I was really worried about her.."

He smiled..

Doc:"It's a pleasure sir...Let me go the patients are waiting for me"

I nodded looking at Nele..

She's so grown up...I can't believe she's 14...When mom died she was only seven and mahle was five if not four..

Me:"I wish Mom was here with us... She'd been so proud of me and you guys..I mean you're in high school doing your eighth grade..(I chuckled) I don't want you to grow up Nana,I might sound like our Dad,of which I am now.Im scared that as you grow up you'll date and get too many heart brakes and I don't want that... Actually I don't want you to date...If a guy approaches you i want you to send him to me. i'll brake his knees and burn his face so he can never be recognised.."

I laughed at myself after saying that..

My phone rang..It's Tyger.

Me:"Tyger?"

Him:"Sihle was here looking for you"I raised my eyebrow..

Me:"Oh really?"

Him:"Yes...I told her where to get off...She had a nerve in showing up with that nerd of hers.."I chuckled..

Me:"What did she want?"

Him:"Nkonzo."

I shook my head in disbelief.

Me:"you should've given her my address.."

Him:"Never that girl hurt you,She broke your heart so many times.."

Me:"It's okay man... I'm over her,Im focusing on building my and siblings life.I don't have time to be following her around like a hungry puppy.

Besides I think I'll be wifing someone soon"

He chuckled.

Him:"Say what??? Ubani ke loyo(who's that?)"

Me:"You'll be the first to know About her soon"

He laughs..

Him:"Okay man"

Me:"Let me get going Bafo I have to get back to work.."

Him:"no problem Bafo"

Me:"Sure"

I smiled and shook my head thinking about Her,  
NALEDI..

I stood up and kissed Anele's forehead and left.

SPHOSIHLE

When I woke up I found myself in an unfamiliar  
room,the last time I was awake I was in a car..

I slowly got off the bed looking around the room  
..The room was painted in Purple..

Me:"Who does that??"I said in almost a whisper..

I made my way out the room.

As I walked down the stairs I heard people  
laughing and chatting..

As soon as I reach downstairs Mvelo turned to  
me..

Mvelo:"Ndlovukazi.."

I smiled..

He was seated next to his Dad(Ikhaya) damn!!

They looked alike..

I went to them and greeted them..

Ikhaya:"How's my Daughter in law doing.."

Me:"I'm doing good baba how're you?"

He shrugged.

Him:"I'm just happy you guys are here... I've missed you guys but my wife held me up....Andithi niyayaz ba akaphilanga?(you guys know she's not well isn't it?)"

Mvelo:"Yeah dad how's she doing??"

Ikhaya:"It's not good Son..The cancer has spread to her other leg.."

Mvelo:"I thought it was removed nje??"

He shook his head looking so hurt..

Me:"so this means they'll have to remove it??"

Ikhaya:"Yes but your mom doesn't want to...She refuses,I've really tried talking to her but dololo"

Mvelo:"I'll talk to her..."

Ikhaya nodded..

Ikhaya:"So Mvelo tells me about you looking for you cousin".

Me:"Yes Baba...we went to Zuko's home but he wasn't there,He moved here so his friend refused giving me His address..."

Mvelo held my hand..

Ikhaya:"We'll find him dont worry"

Me:"Ngyabonga Baba (thank you father)"

Me:"I'll make tea...is Mom awake?".

Ikhaya:"Don't worry yourself about her Sisi...She has already ate" I nodded and stood up.

After fetching Boemo from school i we walked from Beria to Johannesburg hospital..

Boemo:"Rakgadi ke tshwere ke tlala(Aunty I'm

I looked at her.

Me:"We'll grab some apple as we reach the hospital okay?"

Boemo:"I don't want an apple I want food.."

Me:"Boemo where will I get food huh?? Please try and hold on till we go back home.."

She sulked..

We arrived at Hospital and went straight to the Doctor's office..

Doc:"Come in ."

Me:"Afternoon Doc . "

I did.

Me:"How is she Doc??"

He smiled at me..

Doc:"She's okay Naledi... She's out of danger ,you

can go see her.."

I quickly stood up ready to leave the office. "

Doc:"Woow...woo! Naledi "I turned to look at him"just don't make notice when you get there neh?"

I nodded.

I quickly rushed to where my sister was...

\_\_\_41.

.

{2weeks after}

She looked at him like it was the first time she saw him..

She tilted her head looking straight in his eyes..

"I....mmmh?"She questioned him..

"Ngyakuthanda Ledi"

She immediately dropped her eyes and her heart started raising..

Zuko:"Awungikholwa angithi?(You don't trust me

don't you?)"

She nodded looking at her hands..

Zuko lifted her head using his two fingers..

Zuko:"I've been trying to get through you kodwa Ubu ngiziba(But you were ignoring me..)"

Naledi:"I have to go Zuko thanks for the lift...My sister is waiting for me at home.."

Zuko's eyes were glued glued to her eyes as she kept looking side ways..

Zuko:"I'm not letting you go til you give me your number Ledi!!"

Ledi:"What if Gake nyake??(What if I don't want to)"

Zuko:"Then I'll drive you to Durban and you'll never see your sister ever again"

Naledi quickly turned to him with her heart pounding so fast .

Zuko:"Phela I've been patiently waiting for you to give me your numbers and agree to be my woman

but ke today is the last day I can't wait any longer  
Ledi..I want you,My heart and soul needs  
you.."She chuckled with a lone year going down  
her face.

Zuko:"I'm serious...Even James needs his partner  
now.."

She frowned.

Ledi:"Who's James "

Zuko smiled looking at his already hard dick..

Zuko:"Mr Vilakazi here" He pointed at his  
member...

Naledi laughed out loud throwing her head back..

Then Zuko joined in..

Ledi:"can I leave now??"

Zuko frowned..

Zuko:"Where are the tens??"

Ledi:"Eish Rra Vilakazi....You're not giving up  
aren't you?"

He shook his head..

Zuko:"Not til you carry the Vilakazi Surname.."

She blushed..

She then took his phone and Tapped her numbers."

Zuko:"Thank you"

Ledi:"You won't even see if they're working?"

Zuko:"I trust you"

He then stepped out of the car and opened Ledi side of the door...

Zuko:"See you Tommorow at 2pm.."

Ledi : "huh?? Rea Kae?"

Zuko:"Angsiwona uMsotho mina Phela khuluma ngikuzwe(I'm not Sotho,say something that I'll understand"

She laughed..

Ledi:"Where are we going?"

Zuko:"Ohhhh... Don't worry yourself about

that,it's a surprise..."

She nodded and turned to leave..

Zuko:"Lalela (listen)"She turned..

Zuko:"You giving me you tens means we're dating,and I expect you to respect me enough to tell me you now leaving.You don't just leave.."

Naledi Smiled..

Ledi:"Ngiyahamba baba"she said in a funny accent that made Zuko laugh..

Zuko:"Bye bye Mkami"

She turned to leave..

Zuko also left as soon as she stepped inside the house.

---

SPHOSIHLE.

They stopped outside the gate and stepped out the car...

Sihle:"I think you shout leave me baby....I'll call

you when I'm done here.."

Mvelo looked at her..

Mvelo:"I wanna be here with you"

Sihle:"Relax nothing's gonna happen to me...I have my spear with me remember?"

He stopped and looked at me..

Mvelo:"If i feel there something wrong I'll be here as soon as possible"

She nodded and kissed him..

Sihle:"I love you"

Mvelo smiled..

Mvelo:"I love you too.."

He then walked back in the car and drove off leaving Sihle by the gate..

She firstly looked around and see if she could find any of Zuko's siblings and Nkonzo in the streets...Then she walked inside the yard and slowly approached the door that was wide

opened..

Sihle:"Koko..."She called out and knocked at the same time..

Anele appeared walking backwards and laughing. Then she turned and froze as she turned and faced Sihle...

They both Looked at each other's eyes..

At that moment Sihle thought that Anele would just jump and give her The warmest hug .But that was replaced by a cold and fuming look..

Sihle:"Hey..."She finally said..

"Nele who's at the d....."

Nkonzo stopped as soon as his eyes laid themselves at the image of Sihle..

Nkonzo:"She finally remembered that she Left her cousin with a guys who she Betrayed and broke his heart.."

Sihle held on tight to her handbag like she was depending on it...

Anele:"What are you doing here??"She asked with so much anger in her voice..

Sihle:"I..... Nkonzo I...."

Nkonzo:"Just go back to wear you coming from Sihle!! I don't need you anymore.."

Sihle's hands shook and her lips trembled as she didn't know what to say or do...Her voice was stuck. it was as if a train just chuuuu chuuiuwwed pass her .

Still at that....Sihle looked at the car that was driving in the yard...Tears burned down her cheeks as She finally got to see the person that was in the car..

Zuko stepped out of the car not showing any emotions..

He locked his car and charged to them..

Zuko:"Follow me"

He was so calm for someone who just saw a person that she loved for a long time..

Sihle was hesitant but ended up Following her behind...She looked around the house,the house had only Three rooms and a bathroom with a toilet.

Then she was led to a main Bedroom..

She was met by the same scent and cologne that Zuko used back at home..

She was also surprised that he still used it...

He looked at her and pointed at the corner of the bed..

Zuko:"Sit"

She nodded and did as she was told..

Zuko sat on a chair in front of her with his knees both locked side by side on Sihle's sides...

Zuko:"Ufunani(What do you want?)"

\_\_\_\_\_42.

.

Zuko:"Ufunani?(What do you want?)"

S'phosihle looked straight in his eyes as she replayed his words 'Ufunani'..

Tears were already threatening to slide out.

Zuko: "Ma Qwabe?"

Sihle closed her eyes as she took in his Voice as he called out..

See with Zuko it's different, Mvelo had the looks and was Light skinned guy and he was just sweet and Sour at the same time..

When it comes to Zuko... Ohhh He was Dark and handsome at the same time... He was always calm and carrying.. The way he addressed to Sihle was different, His voice carried so much power and love... He was a Zulu Man, he was strong and would do anything to protect his family...

Sihle: "I came here to have a talk with Nkonzo.. I... I wasn't fair to him and I hate myself for that. I want him to come stay with me Zuko"

Zuko looked at talking..

Zuko:"Okay"

Sihle:"Okay??"

He nodded..

Zuko:"Please don't force the boy if he doesn't wanna go".

Sihle:"Okay.."

They both stood up and bumped heads by mistake..

Sihle:"ouch!!"

Zuko:"Ngyaxolis kubhlungu?(I'm sorry,Does it hurt?)"

Sihle shook her head no.

She quickly walked out to the lounge.

Nkonzo was sitting on a sofa watching news..

Sihle:"Can we talk??"

Nkonzo:"I don't want to you Sihle.. In fact there's nothing to talk about.."

Zuko:"Anele,Mahle?? Give them a space." They

nodded and left the lounge.

Sihle:"Nkonzo you have to understand that I didn't leave you on purpose!! I had things to do that I still have to learn too!"

Nkonzo:"What if Zuko left me behind huh??"

Sihle swallowed hard thinking about it .

Nkonzo:"At least if you called and told me What was actually going on...I was confused and lost when bhuti Zuko had told me that you got married to a royal family..."

Sihle wiped her tears.

Sihle:"Remember when I was Kidnapped??(He nodded) I....I woke up in that palace not knowing what was going...Then I was told that your mother had sold me to those people.....What I didn't get was that I was the chosen one for a Guy named Mvelo...fast forward, I pleaded with Mvelo to allow me to come back home and so I did..."Nkonzo was carefully listening.."Zuko proposed to me....That night was supposed to be

the most happy nights of my life"

Nkonzo:"But you ran off.."

Sihle(sniffed):" yeah I did...I was confused and unsure if I should agree or not..Still on the run I slept in a cave..in that very morning something happened!! Thats how I got this spear "

She took it out from her bag and it became long and shiny..

Nkonzo's eyes popped out..

Sihle:"I was told this is my Protector and a symbol of me being the Next Queen.."

Nkonzo:"Is it magical??"

She giggled..

Sihle:"Yeah I could say so.. it works only if I'm threatened..Well I'm still learning it,I'm also the first person after a thousand years to have it".

Nkonzo:"Really?"

She nodded.

Nkonzo:"Can I touch it??"

Sihle:"No you cannot...It reacts badly if someone touches it"

He nodded then sighed..

Nkonzo:"I missed you Sihle...So much that I felt like I couldn't move forward without you"

Sihle dropped everything in the floor and attacked him with a tightest hug ever..

Sihle:"I missed you too Honey,I'm sorry about everything"

Nkonzo hugged her back..

---

MVELO.

I felt Sihle's heart being at ease...

I sipped on my coffee thinking about what I planned for Sihle Tonight...I'm nervous as Fuck!! I've never been nervous of making love to someone..

Or maybe is it because I know that we'll be connecting our souls..Eish what if she gets pregnant?? At that time she wants to go to school before being a mother..

Worse part of it all is that We not supposed to use a Condom... Condoms are not allowed...

Shit!! I'll have to try not to sperm inside her..

My phone rang...

Me:"Hlehle?"

Her:"You can come fetch me" You wouldn't miss the happiness in her voice...

I smiled and stood up and paid..

{NALEDI}

She thought of him while Washing dishes...

His bubblish dark lips were so tempting...His bold pasture made him look like he was a gym member Marra nooooo..He never even stepped inside the gym..

"what's that smile for??"

Her sister (Nkele) asked with her arms folded standing by the fridge...

Ledi:"Nothing sis... How're you feeling?? Are the pains still there?"

She shook her head smiling..

Nkele:"Ee Naledi kana I'm not your grandmother...I asked you a question.."

Naledi:"I think I'm in love ausi"

She said with her Cheeks turning pink.

Nkele laughed clapping her hands in disbelief.

Nkele:"Tell your sister hle... Who's Making my little sis smile like this??"

Sihle:"He's Zulu ausi"

Nkele looked at her with her smile bring wiped off..

Nkele:"Ee Wena Naledi obatla Goswa?(Do you want to die?)"

Naledi quickly shook her head no..

Nkele:"Do you remember Bheki??"

She remembered like it was yesterday..

Bheki was her sister's ex ,and he was Zulu...He was a criminal and used to rob banks and steal German sports cars and sold them to Nigerians.....He was also abusive towards her sister.

He used to Beat Nkele up like she wasn't human....before he was arrested,He nearly raped Poor Naledi...After he raped Nkele and Naledi's friend Boitumelo who committed suicide after the rape.. Luckily that night Naledi wasn't raped but was left in trauma cause she was there when it happened. .

Naledi:"I still remember ausi"

Nkele:"Then stay away from him..Hear me??"

Naledi nodded..43.

S'PHOSIHLE

After a long day with Nkonzo Mvelo decided we go out..

Me:"Where are you taking me?"

He smiled looking at me..

Mvelo:"It's a surprise babe just don't wear heels.."I laughed..

Me:"What should I wear then? "

He then placed a paper bag on the bed..

I took it and checked..

It was a Yellow floral dress .a Short one at that..

I looked at him again..

Me:"This is short babe"

Mvelo:"So??"

Me:"So.... Your dad cannot see me wearing this!"

He chuckled.

Mvelo:"My dad won't even see you.. He's with his wife,and besides I wanna see those sexy short legs"

He said slowly walking to me,then he placed his hands on my waist..I felt chills down my spine...

His lips met mine and kissed me..

Mvelo:"Mmmh..."His hands then moved to my ass and squeezed them..

I moaned feeling my blood getting hotter. His kisses always left me with soaked panties all the time...His touch just numbs my knees and body..

When I was starting to enjoy the kiss he pulled out and looked me straight in the eyes..

Mvelo:"I love you Hlehle" I swear that left my heart shifting a bit..His eyes were bloody red and went from big to small..

Me:"I love you too Honey"

He closed his eyes taking in the three words I just said..

Mvelo:"I know....Freshen up then we'll leave.."He gave me a wink before he left the room.."

I smiled to myself.

ZUKO.

I rolled off the bed staring at her call going straight to voicemail..

How can she switch her phone off after that message she sent??

(hey Zuko it's me Naledi. I hope you are okay...You and siblings, I'm sorry I cannot continue to be with you anymore..I know you're a good guy but not for me,Bye) That's her message..

I quickly grabbed my car keys and hurried out..

Me:"Lock the door Nkonzo Ng'yabuya(I'll be back)"

---

NALEDI.

I really feel bad of just leaving Zuko for someone else's mistakes...What if he's not like Bheki??  
What if he really loves me??

Nkele:"So.. Little sis tell me How's school?"

I shrugged.

Me:"School is okay.."

Nkele:"Thank god you got to go to University and that you'll be living your dream life.."

I faked a smile.

Me:"Yeah..."

We were watching Scandal when the noise of a hoot took off outside..

Nkele:"Ke Mang janong ou?(Who's Making that noise now?)"

We both ran to the window to peek..

Nkele:"Ay I don't know that car Nna"

My head skipped as I realised that it was Zuko's car..

I quickly moved from the window.

Me:"It's Zuko"

Nkele:"Who's Zuko?"

Me:"The guy I told you about.."

She frowned..

Nkele:"You even showed him where you live??"

Me:"He helped me and Boemo when you were in hospital ousi I had to direct him.."

Nkele:"So??? That doesn't prove that he's a good guy Naledi..Bheki pretended to be a good guy too at first but it didn't last for long Naledi you know that!!"

She started shouting..

Me:"I know Nkele please stop shouting.."I said in almost a whisper with tears Down my cheeks..

After a while a loud knock came through..

Nkele:"You didn't lock the gate Naledi!!"

Me:"I forgot ausi"

Nkele:"Boemo go to your room now"

She did what she was told..

"Naledi!"

He called out..

Nkele:"I'm calling the police"

Me:"nooo! Don't ausi please...Let me talk to him then he'll leave.."

Nkele:"A wagafa??(Are you crazy?) What if he kills you or rapes you??"

Me:"He won't ausi please"

I knelt before her pleading..

Nkele:"If you not back here in 15min I'm calling the police Naledi"

She left Clucking..

I slowly opened the door and met his eyes..

He looked at me with a frown.

I opened the Bugler gate and stepped out..

You should've seen the angry face he pulled on me...The dude wasn't even wearing a top,He was only wearing His flip flops with a short only..

Me:"Zuko..."He pulled me by my hand and let me to his car..

Zuko:"Ngena!(Get inside)"he said in a stern voice..

I stepped in and he banged the door and went to his side and drove off.

S'PHOSIHLE.

"Open your eyes"Mvelo said..

I opened my eyes to a beautiful mini picnic...As the whites call it.

It had lights right round the throw he layed ,the rose padels...

Me:"It's beautiful Mvelo thank you"

He nodded and led me to our mini picnic..

Me:"Where are we??"

Me:"Centurion..I loved the park ...It's peaceful and quiet.."

I nodded looking around..

Me:"Is it safe though?"

Mvelo:"Yes it is my love..don't worry I'll be you Hulk if someone starts something bad.."

I nodded.

He poured us some while..

Mvelo:"I'm going back Ksasa(tomorrow)"

Me:"Going back home??"

He nodded.

Mvelo:"I have to babe...I'm going to the village meeting with the king.."

I nodded being disappointed..

.

We had our supper and had a small chat while having our wine..

Me:"Ay Mvelo stop lying to me"

I laughed.

Mvelo:"I'm telling you"

I continued laughing..He stopped and stared at me still smiling..

Me:"Yini?(what?)"

Mvelo:"Nothing I'm just admiring my beautiful wife.."

I blushed.

Me:"Stop it.."

Mvelo:"You're beautiful Hlehle.."

My cheeks heated .

Me:"thank you Mr Buyeye.."

He then took my glass and his and put them aside and moved closer to me....

He smashed my lips yet again,his hand brushing my exposed thighs.

Mvelo:"Mmmh your skin is so soft" He mumbled between my lips..

He shifted and got on top of me letting me lay on my back...He opened my thighs still kissing me...

He banged the starring wheel and shoot his eyes on me..

Zuko:"I'm talking to you Naledi!!"

My heart skipped...He has never addressed me in my full name.

Me:"I...it's....Eish Zuko Hle Rra Vilakazi I don't know what say you scaring me.."

He chuckled shaking his Head and Clicked his tongue turning the engine to life..

Zuko:"Okay then"He sped off..

Me:"Zuko please take me back home...Please!!!! I can't die now please"

He frowned and glanced at me,then back to the road.

Zuko:"What are you talking about Naledi..."

Me:"I know how this situation ends..."I said with my trembling lips and hands..

Zuko:"So you think I'm gonna kill you??"

I shrugged as tears burnt down my cheeks.

S'PHOSIHLE..

As soon as we arrived at hospital He carried me inside,His hands were even shaking...

Mvelo:"We're here for Thokozile Buyeye?"

The receptionist looked at us For a moment,I

think she was confused as to why I was being carried.

Then he gave us directions on where to go..

We hurried there and met Zola,Phiwe and Andile with Ikhaya(Mvelo's Bio father)

He gently put me down on my feets...

Mvelo:"What happened??"

He was shouting.

Phiwe:"Dad(Ikhaya)was in he Kitchen when Mam Thoko...."

He stopped and rubbed his Forehead with tears on his cheeks..

Zola was crying on his Father's lab...

Andile:"She shot herself Mvelo"

He said..

I got weak Immediately after he said that statement..

Mvelo:"What??? How did that happen??? I mean

how?? How come...how came I didn't feel this coming!!!" His eyes shifted to his father..

Mvelo:"Dad how can you let this happen?? How? Isn't it the gun supposed to be in the safe?? How did Mom Thoko get reach of it??"he shouted.

Me:"Mvelo(I whispered)....Relax"

I knew if he carried on Shouting,he might have an episode..

Mvelo:"Nooo!! Hlehle I don't understand...I'm confused.."

He was cursing a scene and the nurses were watching and taking videos..

Mvelo:"Aaaaarrrrhhhggggg"

He groaned Dropping on his knees while his Hands were on his Ears...

His eyes were turning black...

Ikhaya hurried to him so did I..

Me:"Mvelo calm down...please.."

Ikhaya:"Calm down son"He kept rubbing his chest unbottoning him...His chest turned red..

Phiwe:"He's talking to the ancestors give him space!"He said in a stern voice.

I walked to the car all forgotten about the pain I was feeling..

I opened and Took my bag and hurried back.

ΔΔΔΔΔ

I placed the (Impepho) besides him...When I was about it light it the doctor came..

Dr:"Excuse me Ma'am you can't do that here...It's not allowed.."

I turned my eyes to him..

Me:"I don't give a fuck about that.."I carried on lighting it .

Dr:"Ma'am if you don't stop I'll"

Phiwe:"I'll definitely kill you and you family and feed you to my dogs here me?? Get the fuck out of my sight.."

The Dr hurried away..

I chunted and called upon the ancestors..

Tears couldn't stop streaming down my cheeks..

Mvelo kept on groaning and turning...

In a split second I felt my eyes turning and my brain was burning as hell..

..:"Look her eyes have turned black too"I heard voices of the people who were now surrounding us and taking vids .

Ikhaya was trying to stop them taking vids but it was chaotic..

My heart was racing and I couldn't feel my body as my brain took my to where Mvelo's brain and soul were...

Me:"Mvelo...Mvelo??"I mind linked with him trying to calm him down but it wasn't easy.

Mvelo:"She's not gonna make it"He mind linked back..

Me:"Calm down Mvelo... Please.."

Mvelo:"Abomkhuu had taken her....Her soul is with them.."

Me:"How??"

Soon after that we both came back to life..

I gasped for air as I held my chest..

Zola:"What did you see Mvelo?"

She asked kneeling in front of Her.

Mvelo shook his head crying so hard..

I poured water to (Impepho) and put everything in my bag and sat butt flat on the floor.

The door came back taking off his mask and gloves..

Ikhaya:"Did she make it ?"

I already knew what the Dr was about to say...

Dr:"I'm sorry but..."

Zola:"Nooo!!!!!! Mama"

She screamed..

Ikhaya looked to the Dr with no power in him..he just fell back on the chair..

Ikhaya:"This is my fault"

ZUKO

I was pissed to the thought of her thinking I'll kill her..

She told me the whole story after I had taken her to my house..

We were now in my bedroom with her sitting on a mini couch by the window..

Me:"So you think because I'm Zulu I might act like this Bheki guy??"

Naledi:"I don't know Zuko, im scared....Most Zulu Man kill and are Criminals.."

I chuckled..

Me:"Do you love me Ledi?"

She looked away blushing..

Ledi:"Ee Rra" she said softly..

Me:"Angizwa Mama?"

She laughed softly.

Naledi:"Kea go rata Rra Vilakazi (I love you Mr Vilakazi)"

I smiled..

Me:"Then please stop what you're doing...Mina ngyakuthanda Ledi,And I want to spend the rest of my life with you.I won't lie and say I never killed someone..I have, multiple times and never felt bad about it because that paid me a lot and it definitely put bread on the table for my little Rascals..."

His hands were Shaking.

Me:"And I won't lie and say I will never kill again..I will kill again Ledi...If some Kaak tells me shit and mistreat you and the kids I'll cut thier throats yezwa?(Hear me)"

She quickly nodded..

Me:"Good...Manje ke woza uzolala esgubeni sika baby wakho(Now come and sleep on you baby's chest)"

She laughed jumping on the bed...

\_\_\_\_\_45.

{A month later}

She grabbed her school bag and hurried out..

"Iyaphi indlela?(Where are you headed to?)"

She rolled her eyes..

Anele:"I have a study group Bhuti.."

Zuko:"And you never told your brother anything about it"

She turned to him.

Anele:"Because I didn't know he'll have a problem with it"

Zuko:"Okay wait for me I'm taking you where ever that study group is.."

Nele:"No thank you..You should go out with your

newly found lover.."

Zuko:"Uthi kunjani??(What did you just say?)"He asked with one eyebrow raised.

Nele:"I don't like her bhuti"

Zuko:"and why is that?"

Nele:"She's not Sihle....And she can never be her... she'll never fill that gap,I don't want her.."

Zuko:"Nele??"She sat down.."You don't have to like her....She's mine,I love her so much and each day my love for her is growing and can never be erased.Look Sihle is married and the Chosen one to the Buyeye Kingdom. She'll never come back,even if she does....I don't think there's a room for her in my heart and soul.I love Ledi and she's a good woman....All you have to do is meet her half way cause she's trying."

Nele wiped a tears that just ran down her cheek..

She nodded and rushed out with anger and a heavy heart..She really prayed and hoped that Sihle will come back to them cause she filled that

motherly gap in them...her and Mahle her younger sister..

She went to the bus stop and took a taxi to town..

..

She arrived in town then walked to Yoeville where her Friend lived.

Walking in the streets of Baria...with her mind cooped up into the conversation she had with her brother..

"Eeeeyyyyyyy...don't you have eyes??? Are you blind??" A guy stepped out of his Citi Golf car wearing a Black Leather jacket with black jeans and a black golf shirt..

Anele: "I...I'm sorry I didn't see the car.." Tears were already wetting her cheeks..

..: "What if I bumped you??"

She cried silently..

..: "Watch where you going "

She nodded and continued walking..

The guy was about to drive off when he offered to drive her..

Nele:"No thank you"

..:"I'm not a human trafficker nor a pevert come on in.."

She hasitated a bit but ended up getting in..

The guy Turned the radio on and played 'No\_air by Chris Brown ft Jordan sparks'

And was singing along perfectly..

..:"So where are you going?"

Nele:"In Yoeville...I'll direct you"

He nodded..

..:"My name is Andile and you?"

Anele ignored him..

He shook his head driving.

S'PHOSIHLE.

Me:"Missing you already"

He chuckled..

Mvelo:"Me too sthandwa Sam.."

I smiled closing my Book.

Mvelo:"What are you up to?"

Me:"I was studying we're starting exams next week"

Mvelo:"I'm coming this weekend...I need to Fuck you till you sing my name even during exams.."

I laughed..What the actual fuck.

Me:"you not getting it"

Mvelo:"Really?"

Me:"We'll see.."

He laughed..

Me:"How's your dad??"

Mvelo(sighs):"He's not okay Hlehle...he's always on the grave sight talking to Mam Thoko...It's hurt braking"

Me:"I know....Try talking to him maybe he'll be okay"

Mvelo:"Okay Hlehle"

I heard a knock by the door..

Me:"Babe I have to go...I love you"

Mvelo:"I love you too"

I hung up...46.

Unedited..

She thanked the guy and got off the car..

"What time are going back home?"

Anele:"I don't want your lift...my friend will accompany me"

The Andile guy stepped out of the car..

Andile:"Ndithetha nawe Ntombazan(I'm talking to you Girl)

Anele got pissed..

Her:"Leave me alone or else I'll call my brother.."

He chuckled.

Andile:"Okay" he raised his Hands surrendering..

She hurried in some flat and as soon as she got in the Elevator she took off her jersey and left with a crop top and a denim short that barely covered her big butt and wide hips..

She got off the lift already hearing the music from the background..

She knocked and her Friend Andisiwe opened wearing a very short hugging dress with a plastic cup in her hand..

Siwe:"Heyyy Giirrrl."

She was so loud and drunk..

Nele:"Hey..."she was unsure of what she was about to do..

She made her way inside...There was smoke every where,she looked by the corner and Caught her crush Smoking Hubbly with some other boys...They were Lot of Grade 12 learners

there,she was the only grade 8 amongst them.

Her friend Siwe was in the Tenth grade and was 17years old..

While Anele was only 14 but her body didn't go with her age..She was a but tall and had big butt,hips and thighs...her Breasts were big but firm and a small waist you'd swear she was 17 or 18 but she was still a baby.

Siwe:"so what do you want to drink baby girl?"

Nele:"I don't know...I never drank before.."

Siwe smiled.

Siwe:"so this is your first time??(She nodded) yeeey!!! Okay so come lets try some drinks out."

They walked to the table full of drink..

Me:"it's been weeks since we buried Mom Thoko.."

Queen:"He loved his wife so much Mvelo...It's not easy for him"

Mvelo:"He also loved you.."

She rolled her eyes.

Queen:"Let's not talk about that Mvelo...How's your wife?"

My heart danced in joy as she mentioned"my wife"

Me:"She's okay...And doing well on her studies.. She's now getting ready for her exams"

She nodded with a smile.

Queen:"I love how you love her..You remind me of your Dad in his young years.."

I chuckled.

Me:"I heard he was a charmer and a lover too"

She nodded.

Me:"What happened between you two? How did you guys end up marrying other people?? "

She smiled even more..

Queen:"I was picked to marry a King (Liyema) his brother,that time Queen Asakhe was infertile and she picked me to be the second wife..That time I was Two months pregnant with you guys.."

Mvelo:"So what happened...You just agreed,Dad agreed?"

Queen:"It wasn't easy Mvelo..We had no power to disrespecting the King and Queen. "

Me:"but you were pregnant mom..Why didn't you guys tell them that you were in love with each other and that you were pregnant..Maybe that way father(Leyema) would've understood,He's a good man anyway.."

Queen:"At that point It was easy to paint the

pregnancy on him..since I was already pregnant. I was very hurt that Ikhaya didn't fight for us that I just accepted the marriage and everything was just a mess..The fights, betrayal and all it was too much that I had to leave everything behind and go to England.."

Me:"Yeah I remember"

Queen:"You were young yet So matured... Remember when you told me not to touch you garage"she laughed.

Me:"I never said that.."

Queen:"You did" I joined her laughing.

.

Morning came to live as Anele slept there not knowing what happened at night...

Andisiwe her friend had long gone scared to tell Anele what went down Last night...

Kabelo..hahahaha!! The young man who took her Virginity, the boy who broke her pride and dignity,the boy who took advantage of a first timer in Alcohol and weed stood before her carrying a bucket full of cold water and splashed it on Anele. She jumped up as the water came in contact with her body..

She soon felt pain down her vagina,her eyes cought the pool of blood on the bed she was laying on.

Her body was aching and bruised..

KB:"You better come to your senses and start cleaning your shit up my mom is gonna be here in 45minutes.."

She now realised she was naked in front Kabelo  
"Her Crush"

She grabbed a towel that was on he bed and covered her shamed and disrespected body while

tears went down her cheeks..

Anele:"w...hat happened" She stuttered not looking on Kabelo's face..

KB:"What does this look to you??" She kept quiet "You fucked Anele!! You were all over me so I did what any guy would've done...You Weak! Too easy to open your thighs..."

Her Knees went weak as her ears were fed with shame and embarrassment..

KB:"Who drinks two glasses of wine and smoke just 3 pulls of weed and still be weak and loose like you??? You disgust me nxn" He clicked his tongue and turned to leave his mother's room.

KB:"You better start cleaning.."

He stepped out and closed the door.

Anele cleaned up walking funny with the pain in between her legs whole crying silently.

"Did you try calling her phone?" Ledi asked giving me a worried look..

Me: "I left her 20 voice messages Babe..."

Me: "Lest go to the police station"

Nkonzo: "I'll help by asking her school friends of her whereabouts" I nodded..

My heart was just faint..

Me: "Please take Mahle with you and don't forget to lock the door"

Nkonzo: "Okay"

We got in the car and drove off.

Ledi: "I can't believe you stayed all night not knowing where the child was" She was tearing up with her nose pink..

Me: "I didn't know what to do babe, I was stuck.."

Ledi: "Then why didn't you call and tell me?? Do you know how angry I am right now?? I've been through a lot in life I don't want any girl to go through the same thing I went through.."

That alone made my hands shaking..

I was so stupid not to drive her to Yoeville!

S'PHOSIHLE.

I was waken up by a Loud knock on the door,I quickly kicked the blankets and hurried downstairs..

I opened the door..

"Sihle im scared...I'm scared I can't do this anymore!"

I let her in and closed the door..

Me: "What did he do now??"

That's my friend from school she stays a few blocks away from bab' Ikhaya's house..

Palesa: "Can you believe that he told me to abort."

I shoot my eyes at her..

Me: "What??" I led her to the lounge..

Palesa: "Im scared he said if I don't abort this baby he'll make my life miserable"

I sighed feeling sad..

I got her water and listened at she talks.

Anele wiped her thighs and wore the dress she was wearing before the party....Before the rape...Before she dressed like a stripper....

She took her bag from the dressing table and stepped out of her room holding her bag against her chest.

When she got to the lounge she met KB with his friends Siphon and Thabo..

KB:"Aren't you gonna say goodbye to this virgin braker?" He said then they cracked into laughter..

She stood there looking at KB with tears..

Then turned and left...

As she was totally out of the flat she looked around wiping her tears...It felt like she still had blood as people turned their eyes on her...

She walked a bit fast til a car hooted beside her...

She sniffed.. walking like something was in between her legs...

The guys she met yesterday 'Andile' pulled over and rushed to her..

Andile:"Pretty lady??"he called out ..

Anele felt his presence and his scent of cologne...His deep voice...

She turned to look at him..

Andile immediately saw a bruise on her cheeks..

He walked closer to her..

Andile:"What happened??"

She shook her head as she broke in a soft cry..

Andile held her in his arms brushing her back...

Anele quickly pulled out from the hug..

Andile:"what happened?? Who did that to you??"

Anele wiped her tears off looking at the flat she was in..

Andile:"It wasn't a group study isn't it??"

She nodded..

Andile took her hand and pulled her back to the flat and they passed the security...

Andile:"Which floor is that fool stay??"

Nele:"no...I don't want to go back there I just wanna go home"she said.

Andile:"If don't show me where that fool lives....I'll find him myself and when I do?? I'll kill

him!"

Anele gaps and talked..

Andile:"Take the car keys and go wait in the car"

Nele shook her head..

Andile:"It's not up for discussion.."

Nele:"His name is Kabelo" Andile nodded and took the stairs..

As crazy as itay sound....Andile still didn't know Anele's name..

Me:"What happened?"I said in almost a whisper..

Palesa:"You just passed out chommy...then I  
called the ambulance. Are you okay?"

Her:"I'll lose my Bussary..."

Me:"I don't know what to say no more Palesa.."

The Doctor walked in with a smile..

Dr:"You're awake....how are you feeling?"

Me:"I feel fine doc.."

Dr:"I made some tests and I have good news for you Miss Buyeye"

Me:"Okay?"

Dr:"You're 3weeks pregnant .. Congratulations"

I continued shaking my head.

Me: "I have to get rid of this baby Palesa..."

Palesa: "Me too I'm with you"

Δ\*Δ\*Δ\*

Andile knocked hard on the door..

"Who the fuck are you kno...." Andile punched the guy pushing him aside...

Kabelo and Thabo stood up from the couch looking at the huge guy by the door..

Andile: "Which one of you is Kabelo??" he asked with a frown..

Sipho coughed as his nose bled...

Andile: "I won't repeat myself.."

He said closed the door.

Thabo pointed on Kabelo who had his eyes popped out like he's about to shit!

Andile sat on the coffee table next to the couch.

Andile:"Sit!"

Kabelo quickly sat down..

Thabo too.

Andile:"what did you do to..."

Andile realised that he didn't even know the girl's name..

Andile:"Pretty face"

Kabelo and Thabo looked at each other confused at the name but Kabelo new he was talking about Anele..

Kabelo:"I didn't rape her She wanted it"

Andile popped his eyes out he didn't know about the rape..

Andile:"What?? So you raped her??"

Kabelo peed on himself..

Thabo:"We didn't know about the rape My bro..."

Kabelo:"I'll turn myself in" Andile chuckled...

Andile:"Really??" He nodded "You'll do just that.."

Kabelo nodded..

Andile:"You 18 right??"

He nodded "Then before you turn yourself in meet me in this address at 7pm."

He stood up and gave him a business card..

Andile:"Don't be late.."

Andile walked out and met an early 50s lady by the door..

Andile:"Molo mAh" She frowned holding the handle...

He rushed back down and got in the car..

Andile:"Are you hungry?"

He asked keeping a serious face.."

Anele:"No.."

He drove off.

Andile:"want to know one of the things I hate in my life??"

She looked at him as he drove.

Her:"Yes"

She said in her small soprano voice.

Andile:"One of them is 'No'"

She frowned.."When you're with me I always want you to only use 'Yes' and 'Please' "

Nele:"Okay"

Andile:"What's your name and how old are you?"

Anele looked out of the window..

Nele:"I'm 14years old and turning 15 in August.."

Andile gasped and turned to Anele...

Nele:"I know you thought I'm probably 18 because of the body I have....I sometimes feel like and I can just change it...I have big boobs.. Big hips

and ass"

Andile chuckled..

Andile:"To be honest I really thought you were 18 doing your matric....And yes your body quickly developed..But don't be ashamed,you have a beautiful body and a beautiful smile too.."

She giggled..

Nele:"I know I have a beautiful body but it's just too much"

Andile:"You haven't told me your name"

Nele:"Anele....My name is Anele Vilakazi"

Andile nodded Driving in Her uncle's yard...

Nele:"Is this your house??"

Andile:"No.. It's my uncle's house but I stay with my brother's wife.."

Nele:"Why?? Where's your brother??"

Ndile:" at Eastern Cape...He is to be the next King so he has to be trained...As for my sister in law, she's studying this side"

She nodded as she got in the house.

I transferred money to her account to book..

North:"I have money Mvelo I'm not poor I just lost my job"

Me:"You not going there....You the one who wanted to come along so suit your self"I placed North in a babysitter and drove off leaving her there..

I glanced at Grey who was sleeping on and sucking on her thumb...I smiled.

She looks like me ,Her long Lashes and bushy eyebrows..

..

Andile walked around the kitchen trying to make Anele something to eat..

Anele:"Where's your sister in law??"

He shrugged.

Ndile:"Maybe she went out with her friend I don't know"

She nodded..

Andile:"There you go...Eat up so I can drive you home I'm sure you mom is already worried about you"

Anele looked down as that statement hit her heart so hard...Tears built up in her eyes

Her:"Please...please Andile"

He looked at her Cute and teary face and sighed..

Andile:"Okay but you still going to the hospital.."

She nodded.

..

Meantime Sihle got off her car taking her Shades off.

She stepped inside the house and her eyes met Anele's...Anele stood up shaking..

Hlehle:"Anele?"

She closed the door..

Anele just jumped and attacked her with a tightest hug and she sobbed..

Hlehle:"Hey baby whats wrong" She asked as she rubbed her back..

She led her to the lounge..

Sihle:"What happened??"

She held her hands..

Anele:"I missed you.."

She said in between her sobbs.

Hlehle:"Ohhh Nele "she hugged her once again.

Andile came down the stairs..

Ndile:"Sihle??...Anele?"

He looked at the confused..

Later that evening Andile waited by his car busy browsing on his phone getting impatient..

At long last Kabelo showed up in black..

Ndile:"You late I said at 7sharp.."

Kabelo shook as he looked at the guy..

Nele:"I.....I don't know I woke up like this. My tummy is at heat,I'm dizzy and I feel Nauseas."

Zuko:"Okay then quickly take a bath I'll take you to the Doctor after dropping Nkonzo and Mahle off."Nele nodded as she slowly walked to her room and grabbed her Toiletries..Her phone rang when she was about to walk out...

Palesa rolled her eyes and stepped out of the car and pulled her hoody jacket...

I sat on the car and thought if this is the right to do or not..

My phone rang and I startled...

It's Mvelo.

Me:"Hello baby"

(Silence)

Me:"My love?"

Mvelo:"What are trying to do Sihle??"

Ohhhh no...

Me:"How about I visit that side next weekend?"

He chuckled..

Mvelo:"Okay no problem love love

Mvelo:"She wantd to talk to you love"

Me:"Put her on speaker"..

"Hey mommy" I know her dad Forced her to call me mommy...not that I have a problem with that but it's just too much..

Mvelo:"I'll video call you later.."

Me:"That would be lovely babe...I love you"

Mevlo:"I love you too"I hung up as soon as I see Lesa approaching.

She got in the car and I drove off immediately.

Me:"Did you get them??"

She nodded with tear running down her cheeks..

Lesa:"I already took them...He said it will start

working in 15min"

I nodded.

Me:"I'll take them tonight...I don't want Andile to notice me in pain"

She nodded.

Lesa:"I don't believe I'm doing this.."

Me:"Me too...i so wish it was at the different time.."

She looked at me.

Lesa:"What about Mvelo?"

Me:"What about him?"

Lesa:"I mean you said he has this special gift of seeing and feeling....You said he can feel everything you feel"

I nodded..

Me:"Not when he's in distraction..."

Lesa:"What do you mean?"

Me:"He's not focused...Grey has kept him

occupied"

She nodded.

Lesa:"How come he doesn't feel your pregnancy?"

I shrugged.

Me:"I don't know girl"

He whispered..

Nele:"Yes"

Dr:"Okay please pee in this cup then I'll make

Anele did what she was told..

..

Minutes later the Doctor came back carrying a paper and sat down..

DR:"okay I made some tests and there's nothing wrong with you, you're HIV negative and you're also Pregnant..."

Zuko startled and shot his eyes at Anele..

Zuko:"Doc that must be a mistake...Anele is not sexually active maybe you took someone's tests results.."

Anele on the hand was shaking and teary as she thought of that day she was raped... nothing seem to come to her mind on how it happened..

Dr:"We did four pregnancy tests.."

Zuko just stood up and walked out..

Nele:"I can't be pregnant Dr I don't want this baby..."

Dr:"Why did you lie when I asked..."

Nele:"I was raped.."she burst out and cried.

Dr:"Ohhhh....I'm sorry to here that. Your brother doesn't know right?"she nodded..

Nele:"I have to go

."

Doc:"Don't do anything stupid and if you want to talk I'm here or I can send you to the therapist. "

She nodded and ran outside and she didn't see any site of Zuko...

He was gone..

She took her phone out and dialled Andile's number.

Nele:"Please come fetch me(sobs) please.."

Ndile:"Send me you location"

She hung up and sent it..

She then dropped butt flat on the pavement and sobbed...51.

{SHORTBASE}

.

Andile parked next to Anele who was now on her deepest thoughts thinking on how to tell her brother about the rape..

"Princess what's going on?"He said helping me to get up..

Anele:"I'm pregnant"She started crying all over again..

Ndile:"What??? I....wwha....I thought you drank those pills nje??"

Nele rubbed her hands together..

Nele:"I forgot about them that day...I only remembered after four day and took them..."

Ndile:"Sihle was supposed to monitor you and see you take them!!... Shit!!!!"

He got angry and held his head...

Nele:"It's not her fault...She was stressed and shocked of what I had told her"

Ndile:"Your brother knows?"she nodded.

He then gently pull her hand and Opened the door for her then went to his side and drove off..

Nele:"where are you taking me?"

Ndile:"Home..."

Nele frowned

Ndile didn't listen to what she was saying he knew what he was going to do..

He pulled up at Total garage and stepped out and banged the door..

Nele tried opening the door to escape but it was locked...

She started regretting Calling him..

ANDILE.

I looked at Anele fidgeting and Shaking..

Once again Naledi came back with Zuko following her..

He frowned looking at me with blood shot eyes.

He walked towards me and stood in front of me holding a fist..

Zuko:"You're the one who impregnated her??"he said with so much power and stern sound..

I cleared my throat.

Me:"Yes"

Nele looked at me and stood up..

Nele:"What?? Nooo bhuti it's not..."

She didn't finish the sentence when I felt a hard fist on my nose..

Zuko:"You have the nerve of coming here and face me after taking advantage of a young girl like Anele!"

Another fist followed and I heard nele and Ledi screaming and begging Zuko to stop but he didn't.. the punches kept on coming til my face felt numb..

Me:"I love her..."

I whispered which I think he didn't hear me..

Me:"I LOVE HER!!"I roared...

He stopped and looked at me..

My one eye was not swollen and closed...

I shifted my eye on Nele who was frowning and shaking not sure of what I was saying..

Anele

My heart pounded hard against my chest as I looked at him...Andile....I don't know if he was trying to help me or what he said meant it..

Zuko:"Awu phinde futhi??(Say that again??)"

Ndile coughed...His face was full of blood..

Ndile:"I said I love her and I'm going to Lobola her if I have to.."

Bhuti looked at him then me....then him again..

I was speechless and didn't know what to say..

Bhuti Zuko just rushed out..

Ledi:"I'll follow him..."

She walked out..

I was left stunt and looking at him, Andile. He was also looking at me...

Ndile:"I had to do that.."

I nodded and helped him stand...

---

Sihle..

Later that night I sat on the bed and looked at the pills...

I said a little prayer before I drank them...

I took two and place them under my tongue...The other two in my vagina..

My phone rang..

I ignored it and got inside the covers with tears in my eyes...52.

.

.

SIPHOSIHLE..

I kept torsing and turning as the pain went unbearable...

Me:"I'm ..sorry"I sobbed feeling the pain getting worse..

I pulled the cover off and saw blood....too much blood.

The pad was even full..

"Sihle I'm back" Andile knocked...

Me: "I....I can't...breathe" I whispered...

Andile: "Sihle??"

He kept knocking...

I couldn't answer my voice was too faint..

My phone rang...

Ndile: "Sihle's I can hear your phone ringing open up..."

---

..

Without hesitation Andile knocked the door down and saw Sihle laying on the bed as she groaned in pain..

Andile: "Sihle what's wrong?? " She couldn't speak ,she just cried..

Ndile carried her out the house to his car and drove off to hospital..

.

Ndile:"Please help she's bleeding a lot.."he shouted at the entrance of the hospital...

The Potter came running with the wheel chair..

Nurse:"What happened??"

Ndile:"I don't know...when I came back I found her on the bed with so much blood all over.."

Nurse:"Who is she to you?"

Ndile:"she's my sister in law"

Nurse:"is she pregnant??"

Ndile frowned..

Ndile:"No....I mean I don't know.."

She wrote on the paper and left..

He sat on the bench and called Mvelo..

Mvelo:"Hey man I've been trying Sihle's phone but it's unanswered.."

Ndile:"She's in hospital bro I don't know what's happening..The doctor just took her..."

Mvelo:"I can't feel her hear...I CAN'T FEEL HER HEART!!!"he dropped on the floor and groaned to the heat and pain...

Phiwe:"Sis Zola please take the kids to the car they can't see Mvelo like this not especially Grey"She nodded pulling the kids out.

King:"Calm down Son.."

Ikhaya:"She needs her at this moment....It's either he's reacting to him not feeling her heart or he's seeing something.."

Queen:"What must we do"

Ikhaya:"I'll call Xhasa.."he walked out..

Nkonzo:"I think something is burning.."

Me:"Ohhh shit!! I ran to the stove and attended to the pap that was not burnt.."

Nkonzo:"What's going on bubbles?"That's what he addresses me..

Me:"I don't know...I mean everything is a mess...  
Imagine finding that your younger sister is pregnant,Not any other younger sister his 14 year old sister.."I wiped my tears..

Nkonzo frowned..

Nkonzo:"I'm confused"

Anele:"I'm pregnant Nkonzo"Nkonzo just looked at me with a blank look..

Me:"Yep"

---

..

Mvelo calmed down and looked at them all

looking worried..

Ikhaya:"What did you see Ndabezitha?"

Mvelo's heart sank as he remembers what he saw..

He shook his head in disbelief...

King:"What's wrong son?"

A tear ran down mvelo's cheek...

Zola looked at her shaking..

The last time she saw Mvelo like that was when her mom had died..

Phiwe:"Bhuti?"

Mvelo:"She's pregnant"

They all grasped.

Queen:"Really??"

Andile sighed.

Ndile:"It's okay he's going to be fine don't worry okay...for the sake of our baby"

Nele sighed...

Nele:"Why ndile??.....Why did you take the blame?"

Andile:"I don't know...but what I know is that I did a good thing...And I was dead serious about everything I said there"

He cleared his throat.

Ndile:"I'm going to marry you Nele and you'll be my wife and that baby will take my name"

Nele coughed not understanding what he was saying..

Nele:"You are older than me...you're nine years

Andile chuckled..

Ndile:"And I'm at my eighth grade I can't be married"

He laughs..

Ndile:"I know that Nele....I won't pay you Lobola now,I'll just pay for the damages for now...then when you write your last matric exams I will take you as my wife"

As soon as the reception direct them Mvelo rushed there...

He found Andile still standing there with blood on his T-SHIRT..

Mvelo:"where's she??"

Ndile:"They're still busy with her"

Mvelo sat down..

The King, Queen, Ikhaya and Phiwe followed.

Queen: "How's she??"

The Doctor walked towards them smiling..

Doctor: "evening people are you the family?"

They all nodded..

Doc: "Okay...we checked her and we found nothing wrong with her"

They frowned except Mvelo. "The baby is okay and is doing very well"

Everyone sighed in relief.

Phiwe: "And the bleeding.."

Mvelo: "I told you she tried Killing my Son.....she took abortion pills"

They all gasped..

Phiwe: "What??"

Queen: "It possible if we see her??"

DOC:"yes one person at a time... we'll just keep her for the night then you can take her tomorrow.."

Mvelo:"I'll go first"

He pushed the doctor aside...

He opened the door and walked in...Their eyes met and clicked..

He walked to her holding back his tears..

Sihle:"I'm sorry Ndabezitha...I ..."

Mvelo:"Just shut the fuck up Sihle" he said calmly like he wasn't angry..

She cried silently blocking her mouth with her hand..

Mvelo:"I don't care about the explanation you were going to give...or why you did what you did...I'll just tell you this."

Sihle shifted uncomfortably..

Mvelo:"you will learn the hard way Sihle"

Sihle frowned..

Sihle:"You'll be punished for what you did...You almost killed my son and you pay...I won't make you pay but the ancestors will"

Sihle:"I'm sorry Mvelo I didn't...."

Mvelo:"Ohhh save it Hlehle....You made this bad let on it"

He turned and left with Sihle crying regretting..

Andile parked three houses before Nele's home..

He sent her a message and it too 20mon for her to come...

He opened the door for her..

Ndile:"Hey cutie"

Nele:"You really came?"

Ndile:"I told you that I love you"

Nele giggled..

Ndile took the MC Donalds paper bag and PnP plastic bag and gave them to her..

Nele:"You shouldn't have.."

Ndile:"you're carrying my baby hay"

Nele:"Imagine how other kids will look at me when the bump shows.."

Ndile:"Don't worry I'll go and request online learning for you"

Nele:"Really??"

She blushed .

Ndile:"Okay we don't want to disrespect you bro so go back we'll chat"

Nele nodded..

Ndile:"Come give me a hug"

She shyly gave him a hug and rushed back home..

She turned before entering the yard.

She waved at him...he smiled and waved back and

drove off...

"I have to tell mom and dad about her.."

He thought to himself.<sup>54</sup>

.

.

Palesa walked inside Sihle's ward looking worried..

Lesa:"Hey friend... How're you doing?"

Sihle wiped off her tears..

Sihle:"I was so stupid Lesa...I mean im married to the most wonderful man out there, how did I come with that decision?? Knowing that Mvelo is the next King and im the next Queen??"

She sniffed."I'm so stupid and selfish Lesa....All I ever cared about is education and my career,what about my husband?? My baby and my family??"

Lesa looked at her sad..

Lesa:"I'm sorry friend...I'm the one who came up

with this stupid idea.."

Sihle:"No... I'm a grown ass woman, I took that decision alone and now I'll have to face the Consequences"

Lesa:"What do you mean friend?"

She shrugged..

Still at that Queen Alizwa walked in Carrying a paper bag...Sihle quickly sat up and looked at her..

Q.A:"Morning"

She greeted with her beautiful warm smile as always..

Sihle:"Hey mAh"

Lesa:"I'll just leave we'll talk on the phone ey"

Sihle nodded..

Lesa walked out..

The queen sat down..

Sihle:"It wasn't my intention to hurt the baby nor Mvelo...I-i just...."

Q.A:"I'm not here for that Sihle..."

She bowed her head..

Sihle:"Yes my queen"

Q.A:"Don't worry I don't judge people...I won't I understand why you did that or what was your intention but what you did was wrong and you'll be punished"Sihle nodded"Despite what you did you're still a daughter and a bride to me...I really thought you would talk to me when something bothered you,we wouldn't be here now"

Sihle:"Im sorry mah, I was selfish I acknowledge that and I agree that I was wrong..I should've spoke to my husband and first"

The Queen nodded...

Q.A:"Thats in the past now,Let's move on. I brought you food and clothes, you're leaving with me and Sizes he's waiting outside.."

Sihle:"Uncle Size is here??"

The Queen chuckled as Sihle got scared..

She nodded.

Sihle:"Ohhh....When did he arrive?"

Q.A:"This morning...He came with his wife and Brother (ZWELAKHE)"

Sihle:"I'm scared"

Q.A:"Don't be...They don't bite..Eat so we can leave.."

She nodded..

ANDILE.

I found my dad(King) chilling by the Patio with his brother Uncle Ikhaya..

King:"Aaahh my son" I smiled and shook their hands..

Me:"How are you Uncle?"

Ikhaya:"I'm okay thanks son"

I sat down..

Me:"I'm okay too.."

King: "What's eating you?"

I chuckled.

Me: "How did you know that...."

King & Ikhaya: "We know you"

I laughed.

Me: "Okay yeah.... Dad? Malume?(Uncle)" they both looked at me...

I sometimes think Grandpa made a mistake by shooting so many sperm... These people look so damn alike... If it weren't for their Hair cuts and dress code... I wouldn't have known who my dad was..

Me: "You guys creep me out ."

They both laugh...

King: "We were born to do just that son..."

They both turned to me frowning..

King:"How're you going to support the baby?"

Ikhaya:"Our grandchild??"

This is unbelievable..

Me:"Guys? I have my savings and I'll look for a job.."

They chuckled.

Ikhaya:"Ohhhh he'll look for a job?"

King:"I heard him Zalo and he has Savings"

They both burst into laughter..

Me:"Are you guys even listen to me?"

Ikhaya:"Yes...You said you have savings...How much do you have in your name?"

I looked at dad..

King:"Why are you looking at me?"

Ikhaya:"Count the money of Damages out. "

King:"Okay how old is she and where is she from??"

I choked on my own saliva.

Me:"eish..."

Ikhaya:"I bet she's 18"

I cleared my throat.

Me:"she's 14"

They popped their eyes out and bursted into laughter...I was now getting annoyed.

Ikhaya:"You kidding"

King:"I think we should call the police bro"

Ikhaya:"I think we should Zalo"..

UNEDITED.55.

.

{FIVE MONTHS LATER}

"Don't cry chommy everything is going to be okay.."

Lesa said whipping Sihle's tears..

She looked at her for a while and thought...She craved and envied Sihle's life,she wished she could be her..But at that moment she just didn't want to be her. Being in her meant she had to go through what she was going through at that moment,the pain,the darkness of the throne and the Spear...

She looked at her with sad eyes,she felt for her...She regretted coming up with that idea of abortion,she didn't force her to make that abortion but it rang a bell to Sihle... She didn't want a baby while still studying.

Sihle:"I just want a normal life Lesa...Not this" She said with tears turning into a water fall..

Sihle:"It's been 5 months now and I can't see nor walk(Sobs)....The punishment is too much to bare Lesa. Look at me....I'm so thin I can even feel my bones in every part of my body...I eat Five sixteen plates a day but it doesn't look like that...I'm half my size and I eat a lot(Sniff) you can't keep helping me.."

Lesa:"Who said you're thin? You look fine....and i said I don't mind Sihle...You're my friend and I will do anything to keep you alive and fine.."She smiled and hugs her..

Lesa:"Okay enough of being emotional friend...What did the Doctor say?"

Sihle wiped off her tears and smiled..

Sihle:"she said the baby is okay and healthy...He's growing so fast and he's big too.."

They both laughed.

Lesa:"That explains the story of 16 plates a day.."

She giggled.

Lesa:"And Mvelo? Do you want me to call him before I leave??"

She sighed...

Sihle:"yeah please"

Lesa nodded.

Lesa:"So he's not allowed to come see you till you give bath?"

Sihle:"Yeah that's Major Punishment I got...I can't walk see or even have sex Because my Husband can't come see me..(Sighs) not that I will see him anyway"Lesa looked at her...She was so hurt that her friend was like that..After she was discharged from hospital Mvelo begged Lesa to stay and look

after her because he knew what was going to happen...He took them to Lesa's home because he couldn't stay in Ikhayas house anymore.

All Mvelo had to do was to Send money for everything she would need...

Two weeks after she moved in with her friend her eyes started to hurt and got rash around her eyes...One Tim she woke up blind and couldn't walk...It's sad that she knew it was her punishment..

Lesa:"Okay let's call your man"

She dialled his number.

..:"Hey Lesa" He answered..

Lesa:"your wife wants to talk to you"

She hand over the phone.

Sihle held the phone carefully not to touch the screen..

Sihle:"Ndabezitha..." She said in almost a whisper..

Mvelo:"Sthandwa Sam..." Sihle smiled hearing his

voice already picturing him smiling with his once dimple in his left Cheek..

Sihle:"I miss you.."

(Silence)..

Sihle:"When are you coming to see me?? I miss you...I miss your touch,I miss your kiss..."

Mvelo:"I miss that too...but you know I'm not allowed to do that....I can't brake the punishment.."

Sihle sniffed..

Sihle:"I understand.."

Mvelo:"Don't be sad Hlehle...I'll be here waiting for you.. please be patient till the nineth month..."

Sihle:"I can't Mvelo....I can't do this, it's hard....I can't see and walk everything is just fucked up..please forgive me for what I did.."

She said whipping her tears..

Mvelo:"I know its hard baby but don't do anything stupid don't try and kill

yourself...Because you won't die and your punishment will be extended.."

Sihle brushed her big belly and sobbed.

Mvelo:"Mvelo loves you baby... Ndabezitha loves you so much, you know that.."

She nodded..

Sihle:"Yes"

..

Zuko watched as Anele ate her sandwich like she hasn't eaten in years.

He smiled..

Zuko:"It's yours Nele... relax"

She looked at him and smiled..

Nele:"Thing is I'm so hungry.."

He nodded.

Zuko:"You're getting closer now.. Only five and half months left.."

Nele nodded looking away..

Nele:"I know bhuti....Yazi (You know) I didn't know I'll be pregnant and doing my eighth grade"

Zuko:"Me too...I thought, I mean i hoped you'd finish your matric and go to tertiary...Then get married..."

Nele:"And have kids.."

Zuko:"Yeah.."

She sighed..

Zuko:"But don't worry...This was just a fall and I know you'll get up,dust yourself and Make me proud.."He said squeezing her cheek..

Nele:"Don't worry I'll pass and go to the Grade nine next year.."

Zuko chuckled...

Zuko:"I know.."

They both chuckled..

Zuko:"Okay I'll see you after work.. don't forget

you have an exam to write at nine.."She smiled..

Nele:"Okay bro...have a great day"

He nodded and left..

Everything was now back to normal..

Zuko has accepted Nele's pregnancy,he and Andile weren't best of friends but they agreed on what's good for Nele,All thanks to Naledi..

She convinced Zuko to try and open up to Nele and accept her pregnancy....

Nele sat on her Desk in her room and opened an envelope with Maths question paper and went through it before she was about to write...

Her phone rang..

{Ndile}

She smiled and answered.

Her:"Hulk hey"

Ndile chuckled..

Ndile:"Really?? Why do you address me as Hulk??

I'm not that buff"

Nele laughed.

Nele:"You are(Giggled) you're buffer than your Brothers.."

He laughed..

Ndile:"What??? Did you see Mvelo??"

She laughed..

Nele:"Whatever...How are you?"

Ndile:"I'm okay and how's my person?"

She blushed..

Her:"I'm well thanks..."

Ndile:"Great...What are you writing today?"

Nele:"Maths"

Ndile:"Okay text me when you done...I'm taking you out for lunch"

She stood up and jumped up and down..

Nele:"Yesssss"

Ndile:"Hey!!! Don't jump you'll hurt the baby"

She giggled.

Nele:"Fine daddy....Bye"

Ndile:"I love you..."

She rolled her eyes and hung up

..It was weird for her to say it back..worse because she was only 14...56.

.

Lesa helped Sihle take her bath and quickly made her mixed fruits with Plain yoghurt,and Banana sandwich for breakfast..

Sihle:"You have a class today?"she asked trying to dress herself but she wore her dress inside out..

Lesa:"No I have a Lunch Date with Sizwe"

She smiled.

Sihle:"Better you than me"

She giggled..

Lesa walked to her and fixed her dress.

Lesa:"I'll come back early don't worry"

Sihle:"Don't worry yourself about me,I'll be just fine"

Lesa placed a tray with a bowl of fruits and a plate with a sandwich and juice on the table while she sat on the bed..

Lesa:"Don't forget to press the panic button should you hear anything shady huh?"

Sihle:"I will do so"

Lesa:"I've already prepared lunch and Snacks for the afternoon they're just beside the bed...and your wheelchair is just on the left side of the bed..For supper I'll...."

Sihle:"You'll buy sometimes on your way back I know Lesa don't worry,it's not like it's the first time you left me alone the whole day...I'll be fine"

Lesa smiled and kissed Sihle's forehead.

Lesa:"Okay then let me love and leave you."

She grabbed her keys and her handbag and left.

Sihle sighed and reached to the bowl with fruits and started eating..

Sihle:"Mmmh....This tastes so good.."

At McDonald's....

Nele took bite on her double cheeseburger, licking her fingers not paying attention to Andile who was looking at her in an awe...

She finished her burger and dealt with her chips..

Ndile:"Are you full?"

Nele shifted her attention to him.

Nele:"Ummm....yeah"

Ndile smiled.

Ndile:"I know you not."he stood up and ordered another burger then went back to her...Nele was now having Ndile's burger.

Ndile:"Wow! We were hungry aren't we?"

Nele looked away smiling.

Nele:"I don't understand myself these days...I'm always hungry and tired"

Ndile:"that's normal for a pregnant woman,I did some research about pregnancy"

Nele:"Really?"

Ndile:"Yeah, I'm serious about us and the baby"

Nele smiled.

Nele:""I know nothing about about love and dating,it's...."

Ndile:"shhh... dont worry yourself about that,just go with the flow. It's weird to me too,I've never been in love with a person your age...But it's exciting thoughts actually get to know the person you'll spend the rest of your life with"

Nele:"I hear what you're saying...The problem is your dad,he's the King eventually he'll know that this is not your baby and...."

Ndile:"The baby is mine now Nele,let's not worry about the King and focus on what I'm trying to

build with you okay?"

He said looking in her eyes..

Nele nodded.

Nele:"So you continue seeing other women...since you know..."

Ndile:"Yes...a man's gotta eat huh?"

She looked down disappointed.

Nele:"Okay"

Out of the Blu Ndile burst out of laughter..

Ndile:"You should see yourself right now"

He continued laughing..

Nele remained silent still not getting the joke...

Ndile:"Relax would you? I was just pulling your leg..Of course I'll wait for you til you're ready for me,You need to be ready to give me all of you...I don't want half of you but all of you."Ndile said smiling"Truly speaking"He continued"I've been with so many ladies before you,I was a fuck boy,I

can say I was a sex addict"Nele choked on her juice"yea thats just it...and I won't lie and say I don't get tempted by you... Everytime I'm with h  
You I have to talk to myself that (I have the rest of my life with...I just have to wait a little longer)"He chuckled..

Nele was just stuck and nothing to say..

Ndile:"I love you Nele(He bit his lower lip) and I won't stop"

Nele blushed and wiped a lone year..

At Lesa's place...

"Grrraaa bahhh"

Sihle quickly sat up hearing the door close aggressively..

Sihle:"Hello??"

(Silence)

Sihle:"Lesaaa??"

she called out again...

With her hands she searched for the panic button and held it against her chest..

She looked around as if she'll see something but all she saw was darkness..

Besides the bed there stood a man in tracksuit looking at the blind woman who was obviously scared and panicking..

His eyes went down to her exposed thighs ..

Then her dick hardened immediately...

Sihle:"Hello anybody there??"

The man smiled and walked closer to her and got on the bed..

Sihle's heart was racing and her whole body was shaking until her nose was filled with a familiar scent...

She frowned..

Sihle:"Who are you??"

She stretched her hand out trying to touch that person..

The man smiled even more..

Her hand reached his face and he closed his eyes feeling her soft hand against his face..

Sihle moved her hand around his face and touched the beard...

She quickly moved her her away from him..

Sihle:"Mvelo??"

He smiled even wider...

..:"Hlehle wam"

Sihle immediately jumped towards him and hugged him tight...

Sihle:"Mvelo....."She whispered"Baby you're here.."

Mvelo chuckled..

Mvelo:"I'm here Hlehle"

They stayed in each other's arms for some time

then withdrew from the hug..

Mvelo:"I missed you Hlehle...I couldn't wait...I know I'm not allowed to be here but the elders will forgive me I had to come see my wife.."

Sihle:"I missed you too.."

They hugged again..57.

.

.

He ran to the inside the Mall with his gun in his hand...

"Phiwe!!" He heard his friend Nathi Calling him..

Phiwe:"Fuck!!!"

He looked back and stumbled across the street looking around if he would see him but he caught no sign of him..

There was smoke everywhere and people running for their lives..

He took his phone out and called Andile..

Phiwe:"Zalo uphi?(Bro where are you?)"

You couldn't miss the panic in his voice..

Ndile:"Heading to e Gomora....Damn man why did you have to appoint Nathi to collect the money knowing that he's a clumsy ass??"

Phiwe:"Do you have the money with you??"

Ndile:"Yes.. we're are you man?"

Phiwe:"Still at Maponya man"

Ndile:"What are you still doing there you want to get yourself killed??"

Phiwe:"Nathi..."

Ndile:"I drove past police vans Speeding that side you have to get the fuck out of there man...Maybe Nathi ran away or something.."

Phiwe:"Okay..."

He spotted his motorbike and got on it..

Phiwe:"Make sure Sabela doesn't get to you Yezwa?? Otherwise we'll kiss that money

goodbye"he hang up and sped off..

MVELO.

I watched as she chewed on her spaghetti and meatballs...

Me:"How's the taste?"

She smiled facing my side.. you'd swear she can really see me cause she was looking directly to me..

Sihle:"the taste is not bad but you should've added a pinch of garlic powder.."

I smile..

Me:"I'll do that next...."

All of the sudden my eyes got blocked with a vision of Phiwe laying on a pool of blood...with her soul beside him...Then I suddenly shiver.

Sihle:"Mvelo??" I dropped the plate..

Sihle:"Babe?? what's going on??"

She asked petting me and trying to feel my emotion..

Me:"Babe I have to go...I'll come back I promise.."

Sihle:"No Mvelo please don't leave...I know you saw something please tell me??"

I stood up dialling Phiwe's number..

It rang unanswered til it went to voicemail..

Me:"Sthandwa I called Lesa she's on her way here please stay you can't go on your state please understand.."

She took her spear out,it turned gold immediately and went long..

Sihle:"Ngibiza nonke Nina Bo Ndabezitha Mntungwa Buyeye(I call upon 'Clan names') please show me what's going on"

I tried snatching it but I got burned..

Suddenly she got seizures...

Me:"Sihle???"

I penicked..

Her eyes turned red..

..."You broke the rule and now someone had to die"

The voice came out of Hlehle's mouth..

Me:"I can fix this...please don't take my brother....Bomkhulu?? Please punish me instead"

My voice broke as I spoke...

.."You're the one to blame"

Me:"Why does anyone has to die why!!"

I yelled..

Lesa opened the door and looked at the sparkling Spear and Sihle..

Me:"Look away Lesa don't let it lure you.. please I rushed to her so I can close her eyes but it was too late as she also got seizures..

..:"All you had to do was to wait another

4months....but you didn't..."

Everything vanished... Sihle woke up gasping for air...

Me:"Baby?? Are you okay??"

She looked at me..

Sihle:"Mvelo"

She hugged me...

Sihle:"Thank God my vision is back I can see you now ."

Me:"What??"

I pulled out of the hug.

Sihle:"I can see baby.."

Ohhh my god they're planning on taking Phiwe.

Sihle stood up walking around..

Her:"I can walk too.."

She happily said..

Me:"Phiwe"

Her:"Ohh my god what happened to Lesa..?"

She knelt next to her waking her up..

Me:"She'll be fine I have to go..."

I walked out feeling numb..

I stepped in the car and drove off..

Me:"Ndabezitha no...Not Phiwe.."

---

At Alexandra..

Andile walk inside the shack carrying a huge bag with money..

Shakes:"Where's Phiwe?"

Ndile:"He's on his way here.."

Shakes nodded.

Ndile:"So you guys left us and ran to here??"He looked at Nathi who sat on the floor behind the door...

Ndile:"Nayikhinyamarn(You bore me)"

Nathi stood up..

Nathi:"Sorry man I really thought I was being followed.."

Ndile:"Mxm...count the money I need to smoke"

He threw the bag on the table and walked out..

\*\*\*\*\*

Phiwe fell on the ground looking at the two guys who looked down on him..

Guy1:"Where's the money?"

He asked pointing a gun on him...

Phiwe looked at them and laughed..

Him:"so you think I'll tell you...."He didn't even finish talking when a bullet hit his head..

Guy2:"He's useless...he would've told us anyway.."

They turned and walked away from him..58.

{Two days before the Funeral}

.

.

AT THE BUYEYE PALACE...

Mvelo drank the last bottle he had of Hennessy..

Hlehle:"You can't keep drinking like a crazy person Mvelo!! The family is mourning and you're here acting all childish"

He frowned and stared at her..

Mvelo:"And who are you?? My mother?"

Sihle sighed trying to suppress the tears..

Sihle:"I'm not your mother but your Wife Mve...."

Mvelo:"The same wife who wanted to kill my son!!! The same wife who I had to sacrifice my brother's blood for!!!huh?"

Hlehle:"Mvelo it wasn't my fault you...."

Mvelo:"Listen here woman!"He disturbed her.."You're getting on my last nerve. Can you get the fuck out of my sight?"

He said in a calm but stern voice.

Sihle looked at him with tears..

Sihle:"Why are you like this??"she whispered..

Mvelo clicked his tongue and walked to the balcony and closed the sliding door.

Sihle couldn't believe that Mvelo was actually blaming her for Phiwe's death..

She quickly buttered her body and dressed in a long navy blue dress and a doek...

She went downstairs..

\*\*\*\*

At The Queens room...

Alizwa sat on her mattress with the other women that were family including her mom who was now eighty seven years old...her Father died 17yrs ago he got sick and his TB got worse...

She was carrying Phiwe's photo crying...She's been crying since the day the seer announced about the prince's death...

Queen's mother:"You have to eat something my baby..."

She continued sobbing..

Q's mother:"You have to be strong for everyone here my baby....The whole village and Town is mourning therefore you have to be strong..Phiwe wouldn't have like you looking like this...You have lost weight it just three days"

Queen A:"there's never been a single day were I thought nor prepare that me,Alizwa Langa Buyeye will bury my own Child"She sobbed..

She shook her head no..

Queen:"I don't think I'll heal mom...This has teared a big hole in my heart..."

She layed on her mother's shoulder holding her son's picture against her heart..

AT JOHANNESBURG.

"I'll come back a week After the funeral"

Ndile said looking at Nele's eyes..

She nodded .

Nele:"I wish I can accompany you,at this moment you need someone by your side.."

Ndile smiled at her...He shook his head thinking how he managed to smile for the first time after Phiwe's death..

Ndile:"I've transferred some money for your cravings since I won't be here to take you out for lunch.."She chuckled..

Nele:"You didn't have to...Besides I don't think I'll digest anything now I'm...."

He stopped her..

Ndile:"Yey!! Please don't starve my baby yeerr.."

She laughed..

Nele:"Okay....But I'm worried about you"

He placed his hand on Nele's cheek and pulled her into a kiss..

He gently sucked her lips liking the warmth and the sweetness of her gloss..

He felt his member growing hard in his Sweatt pant..

Nele lowered hand down and grabbed his painfully hard member. Andile stopped and looked at her with a frown, she has never touched his James nor kiss him the way she just did..

Ndile:"Babe?"he whispered..

Nele:"Shhhhh..."

She stroked his dick feeling his going even more hard. She licked her lips wetting them going down on her knees..

Ndile:"No Nele you don't have to do that" he said in a husky voice. ..

She licked and stroked him, making him feel so

good that he pushed his head back grabbing on her braids...

Ndile:"Ohh Fuck Nele.."

Anele felt her clit twitching as he kept on calling her name...

She moved faster as his groans became louder and his grip tightened..

Nele went deeper as she remembered the internet instructions..She gagged and her eyes turned red as his huge and hard member stretched going for her throat...

He roared and shook,tensed up looking at Nele's eyes as he seemed inside her mouth..

Ndile:"Damn!!" He said the groaned pulling out his pre hard dick..

Nele:"Did you have to sperm inside my mouth Kodwa Ndile?"

He chuckled looking at her in disbelief..

Ndile:"Who are you?"he asked with a big smile.

She stood up wiping her lips..

She smiled and looked at him.

Nele:"was I good??"

Ndile shook his head still smiling ,he pulled his pants up and pulled her in a warmest hug.

Ndile:"Don't ever do that Nele....I said I would wait and I was serious.."

Nele frowned..

Nele:"I was bad?"

He Chuckled..

Ndile:"You were the best baby...I'm..I...I'm speechless who taught you that??"

Nele:"A girl never kissed and tell"

Ndile:"Ohhh..k no questions asked" He squeezed her "I love you Nele." he said.

There was this was he said "I love you" that made Nele's blood hot and made her feel butterflies...

Nele:"I love you too babe but you have to finish

packing your flight leaves in an hour.." she said  
pulling away from the hug and went back to  
packing...

Ndile stood there still smiling..

SIHLE..

I helped make tea for the elders and the King...of  
which I doubted he'd even touch it..

He looked at me with sad eyes..

King:"Are you okay??he asked..

I nodded..

King:"you should sit down now you've been going  
up and down the whole morning you must be  
tired considering your condition.."

Me:"I will do so my king"

He nodded drink my tea..

King:"Have you eaten?"

I shook my head no..

Me:"I'm not hungry.."

King:"You can't starve the Prince...Tell one of the helpers to make us something meaty I'll eat with you...No daughter of mine will starve herself "

I smiled...He was very intimidating but on the inside he was one of the sweetest and been a father that I never had..

\*\*

I'm glad he was eating or should I say forcing food in for me to eat something..

King:"I hope you're full?"

I nodded..

Me:"Are you full?"

He laughed.

King:"I wasn't hungry to begin with...I was just trying to make you eat.."

Me:"But that came to my advantage because I managed to make you to eat too.."

He laughed...

King:"Now I get it.."

I smiled looking at him..59.

.

.

A night before the funeral.....

.

.

"Mom I have to go...it's not just a boyfriend's Funeral,it's my fiance's funeral and I'm Three weeks pregnant I can't just stay here"

Mom:"Ntabiseng those people don't know you and you don't know them as well"

Ntabi:"I know them mama.."

Mom:"Only on social media and magazines....But truly speaking you don't know them.."

Ntabi:"But mama Phiwe and I were engaged and I'm carrying his child...I can't just stay here"

She looked at her daughter with sad eyes....

It pained her seeing her in that state.

She didn't love Phiwe even when Phiwe tried to be nice and buy her fancy dresses....He went as far as building them a house since they were staying in a shack...

Ntabi's mother was never satisfied but accepted everything from Phiwe..

.

Ntabi loaded her traveling bag in her car...

Ntabi:"I'll come back on Sunday..."

Mom:"Please be safe....don't eat anything that's given to you in a silver plater.....I don't trust them, royal families are so cruel I just don't trust them..."

Ntabi:"Mama would you stop with your nonsense?? You can't go around saying people are cruel just because you didn't love Phiwe...(Sighs) tell papa that I will come back on Sunday"

She clapped her hands and clucked...

Ntabi:"I love you..."

She said and Stepped inside the car and Drove off...

---

SIHLE..

Me:"Mvelo I don't have time for this..."

Mvelo:"I'm sorry for what I said Hlehle,was unfair to you and...."

Sihle:"Yes you were Mvelo!!! Look I know you're hurting,I'm also hurting but you don't seem me go around snapping and blaming people about Phiwe's death.."

He came closer behind me and held my waist...

Mvelo:"I know...I know baby please forgive me. Please im sorry"

I rolled my eyes and smiled as he kissed the back of my neck with his hands rolling my dress up..

Me:"Mvelo...(I whispered) we're mourning we can't.."

He chuckled..

Mvelo:"I know Hlehle"he whispered back nibbling on my ear..

I giggled...

Δ¶Δ¶Δ¶Δ

The morning came and it was the day of the funeral...The Royal premises were full of people and Police.....appointed guardsmen surrounded the palace...

Ntabiseng packed outside the palace with tears on her cheeks realising that it's really happening...Her love of her life was gone and never gonna come back...

She quickly wiped her tears off and stepped out of the car wearing black lagging and big black T-shirt with sleepers..

She pulled out her traveling bag and walked

inside the gate..

"Name and surname please mam?"

The guard requested..

Ntabi:"Ntabiseng Mokoena"

He typed on his iPad ..

Him:"Please tap on your finger print..."

She frowned.

Ntabi:"Excuse me??"

Guard:"Ma'am were very busy as you can see they are people behind you.."

She wiped a lone year and taped it..

Guard:"Okay pass to the next guard so they can search your bag..

She did as she was told.

.

Sihle and Mvelo walked to the family boardroom.

They both sat on the chairs..

"Okay people I'm Penny Xhanti I was Mr Phiwe's Lawyer...I'm here to notify you that I would like to read the will and the letters that he just recently wrote to you.."

King:"No problem Ms Xhanti we'll proceed with the meeting later on today.."

Ms Xhanti nodded and cat walked to the door...

Mvelo smiled.."I didn't know he had a Will.."

He said to Sihle.

Sihle:"I'm proud of him even if he's no longer here with us....Maybe he had a girlfriend he left money for"

Mvelo Chuckled kissing Sihle's forehead..

Mvelo:"Maybe girlfriends who knows.."

Sihle playfully hit his arm..

Sihle:"Not Phiwe...maybe Andile.."

Mvelo:"Can you believe he got a 14year old pregnant???"

Sihle looked away knowing that child wasn't Andile's.

Mvelo:"I have to talk to him..."

Sihle:"yeah...Let's go take a bath.."

.

Meanwhile in the lounge Ntabi looked around lost..The elder approached her frowning.

Elder:"Ntombazan?(young lady)"

Ntabi:"Ohhh... greetings"she bowed..

Elder:"No one is allowed in the palace if you came to the funeral you can go to the garden..

Ntabi shook at she stood in front of that elder..

Ntabi:"I...I .umm"

Elder:"Young lady you better get moving.."

Ntabi:"I'm here for the....Fu... funeral and also to talk to Phiwe's father I believe he's the King?"

He frowned.

Elder:"who are you?"

Ntabi:"Ntabiseng Mokoena...ummm- Phiwe's fiance"

An elder chuckled..

Elder:"Oh really?? Listen here... we're used to woman like you,they even go as far as saying they're the baby mama's..."

Ntabi:"but...."

Elder:"Please leave before call security"

Ntabi nodded with tears on her eyes..

She walked as if she was walking out,but as soon as the elder turned she quickly rushed up the stairs and walked looking for Phiwe's room...she met with one of the guards by the corridor she looked on the other side not facing him...

She breathed out as she passed him..

She walked looking around till she saw a room with a familiar bedding...she walked in swaying her braids aside..

It was the Bedding she bought him on his 23rd

birthday two years back..

She smiled sitting on the bed..60.

.

.

She took a quick shower and wore a long tight dress with a black Cardigan sweater, and finished it off with her 4cm heels....

She fixed her doek and walked out placing her black scarf...

Nthabi;:"Ohh shit I forgot my ring" she walked back and met with Sihle before stepping inside the bedroom..

Sihle stood in front of her with a frown..

Sihle:"Excuse me can I help you??"

Nthabi:"I...I"

Sihle:"Guests are outside you shouldn't be here...SANELE!!" she called her bodyguard..

Nthabi:"no...please I didn't mean to just go

beyond the rules,I just wanted to take a shower before the service....I drove the long way from North West please" She whispered with tears Down her cheeks..

Sihle looked at her chest confused...

She laughed looked in her eyes as her heart got warm and felt her baby kicking...

Sihle:"You're Phiwe's fiance??"

Nthabi's heart pounded so fast...how did she know that ?? Maybe Phiwe told her..

Nthabi:"Phiwe told you??"

Sihle:"No...Come"

He

She pulled her to Phiwe's room and closed the door.."

Sihle:"Look I know you hurt and broken,but you can't just come I here without anyone assisting you...What if Phiwe's father saw you?? Or his big brother??"

Nthabi:"I'm doing nothing wrong hle.."

Sihle:"you being here is wrong.... You guys were not married yet,so you're not allowed to to enter his room,worse part of it all you're pregnant.."

She swallowed hard trying to to stop the tears..

Sihle:"you should've waited until the funeral was done... Still they wouldn't have allowed you to step inside the palace...You need to be cleansed first....Now you're coming with bad lucks to the Palace...The fact that Phiwe broke your virginity makes things even worse because the ancestors had already accepted you before Phiwe,that should tell you that you're the first woman Phiwe broke her virginity..."

Nthabi popped her eyes out...her heart wasn't at ease as she sat beside Sihle, she had this dark aura around her that that made her heart pounded so fast..she was confused as to how that lady knew about Phiwe braking her virginity...She got sosure that Phiwe had told her..

Sihle:"You came with your bag??"

She nodded..

Sihle:"I'll tell my bodyguard to help us move the to the cottage outside....

She nodded continually...

Nthabi:"So Phiwe told you everything about us??"

Sihle:"No."

Nthabi:"Then how do you..."

Sihle:"You won't understand...Let's go before Mvelo finishes to bath.."

She pulled picked her spear and led her out the Palace heading to the garden where the service will be held..

Nthabi:"Are you his sister?"

Sihle chuckled..

Sihle:"Something like that...Sit here like everyone else you'll tell me when you need something.."

Sihle said walking to the grassmet (Ikhukho) next

to The Queen (Alizwa) who was covered in a black blankets next to the King's chair....

\*\*\*\*\*

Mvelo appeared with the King...With Phiwe's body wrapped in a Tigers Skin and his initiation school blanket...

Everyone bowed some started crying..

Nthabi looked at the man who was carrying the body and felt weak...

She felt Phiwe's spirit Passing through with them...

She just fell and fainted the guards s rushed to her as everyone gasped..

Nkala the seer turned to them and started growling shaking like he has seizures...

The King frowned....

ZUKO..

"I heard Mvelo's brother got shot to death,how's Andile?"

Nele:"yea it's so sad...he was still young ey"

Ledi:"I thought you'll go to the funeral too.."referred to Nele.

Zuko:"I wouldn't have agreed to that...Anele is not Andile's wife nor girlfriend...he just took advantage of her...how do you sleep with a 14year old?? What pleasure do you get from that??"

Nele:"Bhuti!!!"

Zuko:"Don't bhuti me...I don't understand and I don't think I'll ever understand.."

Ledi:"Rra you're hurting nele..Why do you have to say such?"

At the Royal premises....

.

Mvelo shook as he felt Phiwe's seed inside Nthabi...Sihle stood up..

Sihle:"Mvelo? Baby relax...Calm down.."

The media started shooting the scene..

Andile:"Sbusiso!!"he shouted his bodyguard's name..

Sbu Rashed to him.

Ndile:"The media must be out of the royal premises now!!! Who let them in??"He shouted..

Five of the guards did as they were told..

Mvelo was taken out...

King's right man Siza:"we're sorry about that Pastar please carry on.."

\*\*\*\*\*

Meanwhile inside the seer's Hut..

Sihle:"It's bad Bab'Nkala"

Nkala:"You should've told him about that girl.."

Sihle:"This is not the time baba... what's the solution.."

Nkala:"He won't attend to the funeral...."

Sihle nodded..

Nkala:"You can go.."

She nodded walking out..

She went to the cottage where nthabi was..

She was laying there with her hand over her tummy..

Sihle:"You just had to come today.."

She whispered shaking her head...61.

.

The funeral services went well still with Mvelo in

the rondovel with The seer Nkala...

Later that that day the lawyer summoned us to a meeting for the reading of the will..

Penny:"Sorry I'm late I had so mush things to do.."

They all nodded..

Sihle:"So we'll start without Mvelo??"

Penny:"I'd rather start now I have somewhere to go.."

They all listened..

Penny:"So we'll start off with the house that he owned at Forest Hill in Turfontain...He left the house for his unborn baby which he named him or her Simthandile..."

Everyone gasped..

Queen:"He never told us he's gotten a girl pregnant.."

The Lawyer shrugged.

Penny:"As well as the sport car he owned will be

his child's.."

King:"Continue.."

Penny:"There's 2,5 million at stake here...Five hundred thousand goes to Nthabiseng Mokoena His fiance"

(Clearing throats"

Penny:"Then the whole Two million is going straight to the unborn Child Simthandile..."

His father the King Smiled proud of his boy...

Penny:"He didn't have much of things therefore we're done reading the Will.... We're now going to read the letter he wrote two weeks back....It's so sad that he wrote this letter little did he know that this will happen..."

Sihle:"Yeah hey"

Penny opened the letter and cleared her throat starting.

Penny:"Sup Family..(The all giggled...He liked saying that a lot) I know when my lawyer Penny

reads this to you I'll be six feet under carrying soil with my chest...Mom? My beautiful Queen, my sunshine my sugar sugar" Alizwa(the Queen smiled with tears in the eyes" you know I love you...I don't know if Penny read this you'll be there or with me in heaven but she'll read it anyway..

you know I love you huh...I'm sorry for leaving you in the world of the living,it's life but you have to move on...Don't cry so much that you end up sick...Andile,Mvelo, Sisekelo and Lazola still need your guidance..So you have to be strong..I love you "

The Queen wiped off her tears still smiling.."Dad.."she continued."King of the jungle.."they all laughed.."I know you be looking strong on the outside but hurt and broken in the inside...You not that rock strong after all" They continued laughing."You know I love you Papa...You taught Mvelo,Andile and I how to be man...You groomed us and grew up to know how

to love and treat the others most especially women..."Sihle was now in tears picturing him watching them...

Penny continued reading from The uncle's and Sihle,Kelo and Lazola...

Penny:"Andile..get rid of those thing undery bed..you know what I'm talking about"The turned to Andile he shrugged..

Penny:"Lastly tomy big Brother Mvelo...I won't say much...My wish is for you to Take my fiance Nthabi As your second wife.."Everyone choked....Sihle frowned with her heart pounding so fast confused..."I'm sorry Sihle for this but I need my family taken care of...and I trust you and Mvelo to do that...I love you family.."

Penny:"That's is...I'm done here"

Sihle just took off and ran off angry and sad with mixed emotions...62.

.

.

The following morning Mvelo slowly opened his eyes scanning his surroundings..

The seer stopped chanting and looked at him..

Mvelo:"What happened?"

Seer:"you just got a burn..."

Mvelo quickly sat up..

Mvelo:"What happened is my wife and baby okay?"

Seer:"Yes my king.."Refering to Mvelo.

Mvelo:"Then what happened??.."He looked outside"is it morning??"

Seer:"Yes...how are you feeling?"

Mvelo frowned.

Mvelo:"I feel super fine...How did I miss the funeral?? Where's Hlehle?? She should've helped me wake up"

Seer:"The burn was too strong she struggled too."

Mvelo stood up..

Seer:"Drink this first.."

He reached for a still cup and drank the bitter medicine ever....then he hurried out the rondovel with his hand over his left side of chest feeling Sihle's heart.....

It was beating faster than is usually does..

Mvelo:"What's happening?"he whispered to himself...

He made it to the Main house which is known as the Palace..

He bumped into Siza his uncle..

Size:"Ndabezitha...How are you?"

Mvelo:"I'm okay..how was the funeral? Where's everyone?"

Siza:"The funeral went well don't worry...And some people are gone already...The King and Queen have gone to Town there are things they have to clear and do.."

Mvelo nodded.

Siza:"You missed the reading of the Will"

Mvelo:"Ohhh how did that go??"

Siza:"It went well and was shocking.."

Mvelo:"why what happened?"

Siza:"I think they'll tell you once they came into a conclusion.."he said and walked out..

Mvelo walked to his room and found Sihle sleeping peacefully with her other hand on her tummy..

He smiled getting goosebumps..

He slowly took his shoes off and got on the bed and kissed her cheek..

Sihle moved a little bit..

---

Nthabiseng paced up and down stressed....She wasn't sure what she saw but it was quite clear...

Her Mind moved to that man who was looking at her with scary eyes....His eyes had two lenses

what kind of a person was he?? She asked herself...

What if he's a snake?? It could be possible royal people had those kind of rumours..she thought...

A soft knock came through the door she startled..

Nthabi:"Come in."

One of the Guards opened and bowed..

Him:"Ma'am can you give me your keys so I can drive your car in?"

Nthabi:"No...no need I'm leaving anyway"

Guard:"No ma'am the seer said you mustn't leave the royal premises.."

Nthabiseng's heart pounded hard...

Nthabi:"This means I'm gonna see that guy again no.."She whispered"Noo please I have to leave...I got a job to return to"

The guard got annoyed and grabbed her hand bag and took the keys out and walked out..

Nthabi sat down crying.

---

Mvelo walked out the bathroom with a towel wrapped around his waist...

Sihle quickly got off the bed and attacked him with a hug....

Hlehle: "I missed you.." Mvelo chuckled returned the hug and kissed her lips..

Mvelo: "Hey baby.."

She smiled..

Mvelo looked in her eyes..

Mvelo "were you crying?"

She let go of him and sat on the bed..

Sihle: "Promise you'll never take a second wife"

Mvelo: "What are you talking about baby?? You know you're the only one for me.."

Sihle: "go To the study there's a letter Phiwe wrote...Go read it.."

Mvelo frowned.

Sihle:"Go babe.."

Mvelo got dressed and walked out curiously..63.

.

.

.

Mvelo took the Envelope and opened with a frown..

He read it with his heart pounding so fast...Still at that the King and Queen walked in wearing worry in their faces..

Mvelo:"Mom?"he called out saving the paper in the air..

She sighed taking a sit..

King:"It's time Son.."

He frowned..

Mvelo:"Time for what??..Mom?"

The Queen looked down with tears streaming

down her cheeks..

Mvelo's hands shook..

King:"I'm Stepping down as King.."

Mvelo frowned.

Mvelo:"Okay?? Why is mom crying then?"

Queen:"I'm sorry son but your dad hasn't been okay it's been a year now....We have been going to hospitals in and out they don't see anything they say he's perfectly fine...But no.."

Mvelo:"But he's fine nje?"

The Queen shook her head.

Queen:"He looks okay now but at night he turns to something we can't even explain... I don't know if I can say shadows or smoke, it's comes out from his body and sucks his blood.."

Mvelo popped his eyes out looking at the King..

Mvelo:"Why didn't I see this or better yet feel it...Give me your hand Baba"

The King Street     stretched his hand to him..

Mvelo held it and closed his eyes trying to find what was going on..

He frowned..

Queen:"What do you see Mvelo??"

Mvelo quickly pulled his hand away...

He shook and turned to his mother...Tears formed in his eyes..

Mvelo:"No mom!!! He can't die...Dad?? Mom do something he's your husband!"

She shook her head looking at him with dark teabags bellow her eyes.

Queen:"Mvelo were not like you and Sihle! We were not gifted...We are just like any other King and Queen out there.."

Mvelo sat next to her and brushed his head in frustration...

Mvelo:" The King doesn't get buried alone,there has to be someone who dies with him

(Ukukhaphela) You know what this means right??  
Worse you're a twin so this means your twin is  
going down with you..."

The Queen wails....

Mvelo: "My father (Ikhaya) is going with you too... I  
can't I won't cope... We just buried Phiwe."

King: "I need some air.."

Mvelo: "And does dad know??"

King: "No he doesn't... But I'll talk to him tonight."

Mvelo shook his head in disbelief.

King: "You'll have to take Phiwe's fiancée Nthabi  
to be your second wife...."

Mvelo: "Heee... Ta ta ta?? What?? This must be a  
joke.."

Queen: "It's what your brother wished for... she's  
carrying his..." he disturbed her.

Mvelo: "Mom I have a wife that I love so much... I  
can't afford to hurt her.. She's 6 months pregnant."

King:"it's not up to you Mvelo...The ancestors have...."

He raised his hand..

Mvelo:"Dad I don't care what the ancestors think...Sihle is enough for me."

King:"Nana please talk to your son I'm going to get some air..... another thing,that girl should not join us for dinner, She mustn't eat the food from the royalty till Mvelo accepts her.."

Mvelo:"I will not accept her.."

The King went out..

Queen:"Son we already facing this thing about your Father the King....please just agree on this, it's the list you can do to help ypur brother's family.."

Mvelo:" and what about Sihle?"

---

Andile packed at the mall and held her hand kissing it..

Me:"You're beautiful.."

Nele smiled Looking at his eyes feeling goosebumps..

Nele:"Are you okay??"

Ndile:"Of course I'm still hurt and still dealing with Phiwe's dead you know?"she nodded"but life goes on...I have a surprise for you"

They got off the car and walk in the mall hand in hand with people staring at them..

They stopped in the ice cream shop..

Ndile:"Surprise!!"

Nele giggled"and then?? How did you know I loved ice cream??"

Ndile:"I did my research come.."

He pulled her to the counter and they chose the flavour they wanted..

---

At the Palace...

Sihle got off the bed and walked to the study since Mvelo was taking time to come back...

Before she could reach the door she heard Mvelo talking....she overheard..

Mvelo:"Mom I understand what you're saying but I can't...My wife is enough for me, you know I got no love for any other girl I love my wife.."

Hlehle Smiled feeling the love..

Queen:"What about your brother's mini family??"

Mvelo:'Its okay we can't take care of them without me having to marry Nthabi what what..."

Queen:"True that...But what if she gets married to someone else?? What will happen with the kid??"

Mvelo:"What's that supposed to mean??"

Queen:"You know the Royal blood is strong and it's ancestors...they don't like their kids scattered around...."

Silence..

Mvelo:"I don't know mom I'll talk to Hlehle and

hear what she says.."

Queen:"Bad if she says no?"

Mvelo shrugged..

Hlehle quickly rushed to her room and pretended to be combing her hair..64.

.

[3months later]

.

.

She packed her last load of clothes in the bag....

"Sihle you can't do this to me...You know I'll die without you."

She slowly walked towards him and slapped him so hard that he groaned..

Sihle:"You think I'm a fool huh??"

Mvelo looked at her eyes shocked...

Mvelo:"B....."

Sihle:"Let me go Mvelo.....I'm tired of the ancestors and the whole royal process...I wanna live a normal life" She turned and took her bag..

She pulled it towards the door.."Don't call me Mvelo...don't even try going after me. Stay here and take care of your new wife!"

Mvelo:"Siphosihle I won't bow down to your decision...I'm the man in this Marriage..."

She laughed out loud .

Sihle:"Eish Dade Bo?(Really?)"

Mvelo got pissed and grabbed the suit case and threw it out the balcony...

His mother the Queen was by her garden and got startled by the noise coming from Mvelo and Sihle's room...

She looked at Nthabi who was sitting next to her..

Queen:"They are at it again" She stood up as well as Nthabi..

Queen:"No don't...Just sit here, it's dangerous

thier not normal"

Nthabi frowned...

[in Mvelo's room]

Mvelo:"You think I'll just let you leave??(he shouted)...How many times have you always ran away from our problems whenever we argue or fight?"

Sihle stood by the corner looking at him going crazy... His skin was now turning red....

Sihle:"I DON'T WANT TO SHARE YOU MVELO!!!!!!  
WHY DONT YOU GET THAT?"

she shouted back with a breaking voice..

Mvelo brushed his beard...

Sihle:"I need some air otherwise I'll lose my baby..."

Mvelo:"You not Sharing me with anyone Hlehle...I haven't even slept with her,I just married her so i can take care of them..."

She giggled in tears..

Sihle:"Mvelo... Nthabi is human she has needs okay?? What happens if she finds you in your weakness point???"

Mvelo:"She won't"

She rolled her eyes..

Sihle:"We both know when that moment comes you get so hungry for sex like an animal and at that moment you fuck any woman in that's gonna be there at that moment.... remember Priska the helper??"

He sat on the bed wiping his sweat..

Sihle:"I for gave you because it wasn't your fault...And you killed that girl. What if..."

Mvelo:"It won't happen because you'll make sure it doesn't...Like you have been doing these past two years..."

Sihle:"Mvelo I'm in my eighth months now that wont be possible....I wont be allowed to sleep with you that time cause I'm on my last trimester...."

That's Called [ingonyama] The Lion power takes charge and turn him into something that's unexplainable.....It happens once in a month....The problem is...no one knows when??.

Sihle:"I'm leaving Mvelo... I've suffered so much in this Marriage...I'm no longer strong for this.."

Mvelo:"But you can't go now...My dad is very sick and been on bed for days....I need you"

Sihle I love you Mvelo.."

She walked out with her hand over her big belly...

Queen:"What's going on??"

Sihle:" I'm leaving"

Queen:"But you.."

Sihle:"with all due respect ma-am...I can't stay here it's tiring,so please don't try to talk me out of this.."

She walked out then looked at Nthabi walking to her...

Nthabi:"What's wrong??"

Sihle:"I'm leaving.."

Nthabi:"But..."

She stopped her with her hand.

Sihle:"It's non of business" she walked to her car and stepped in..

Queen:"What about your clothes??"

Sihle:"I'll buy new ones.."

She drove out...

---

At Zuko's place....

He woke up fast and grabbed gun heading to the door..."Who the fuck is that banging on my door?"

He unlocked the door and opened...

He's met by a pregnant woman who's shivering...

He noticed it was Sihle...he quickly unlocked the gate and gently pulled her inside...

Zuko:"What's going on...It's one am in the morning and it's cold"

She just broke down in Zuko's chest..He warned her with his huge arms....."Come.."he led her in his room...

Nele and Nkonzo woke up and went to Zuko's room..

Nele:"What's going on?"

Zuko:"Okay guys will talk in the morning can you give us space..

"short left!"it stopped and I climbed off the Taxi

carrying plastics..

I hope he won't mind that I bought cereals for the kids. I said to myself as I walk..

"Sis'Ledi..."Nkonzo came running to me..

Me:"Hey zozo"

he smiled in a funny way..

"how are you?"He asked.

Nkonzo never asked how I was...why today?

I shrugged and continued walking till I reached the gate...

My eyes fell on a pregnant woman who was hanging a dress on the line wearing my man's boxer shorts and t-shirt..

I walked faster to her..

Me:"Hello" she turned to look at me..

Ohhh God!!! It's her..

Her:"Hello.."

Me:"you?" I frowned and turned my heels rushing inside the house and found Anele washing dishes..

Nele:"Hey sis Ledi" She greeted smiling..

Me:"Where's your brother?"

Nele:"He's taking a bath"

I rushed to the bathroom and pushed open..He turned to me and frowned..

Zuko:"Babe?"

Me:"What's she doing here Zuko? What's she doing here!!!" I shouted.

Zuko:"Wow!! Why are you shouting??"

Ledi: "So you're back together now??"

He chuckled softly Stepping out of the bath tub..

He walked to the door, closed it and locked it  
looking in my eyes.

He pulled me by waist and smashed my lips..

I tried pushing him off but his kiss weakened  
every joint in my body...

His hand pulled my dress up while the other was  
stuck on my waist...

He picked me up and and gently pressed me  
against the door, he shifted my thong aside and  
rubbed his hard dick on my cookie while  
breathing on my ear...

I moaned biting my lower lip as my cookie got  
wet immediately..

Zuko: "You think I'm gonna leave you for her?"

He asked with his scratchy and deep voice while  
nibbling on my ear.

My whole body was sweating...

Me:"Damn Zu...Ko"I whispered..

My clit was twitching and couldn't wait to be fucked..

Zuko:"I asked you a question!!"he said pushing in to deep without a warning that I screamed out loud rolling my eyes back...

Zuko:"You think I'm gonna leave you for her.."He asked onces again giving me deep stoked...

The pain and the pleasure felt so good that I couldn't answer him...

He started moving faster and deep stretching my pussy like no body's business..

Me:"Ohhh fuck ZUKOOOOO"I screamed and he spanked my but so hard my kind my clit to vabrate more...

Zuko:"Why are you screaming"That deep voice again..

He started pacing up again...

Me:"I'm about to cum.."

He removed his dick and tapped my clit and pushed in again...

Zuko:"Why are you crying??.. that I'm fucking you??"he asked...my body shook as my juices slashed out...

"Afternoon sir" a tall dark lady with a long weave greeted me with a wide smile..

"Good afternoon to you too Miss....Mudau" I said looking at her name tag..

Her smile grew wider..

Mudau:"How can we be at your service sir?"

I smirked looking at her tinny waist going down to her not so big curves..

Me:"I'm here to cut my hair...are there any guys who do that here?"

I asked with my eyes now stuck on her lips..

Mudau:"yes we have one but he had a family emergency earlier on so he took a day off."

I nodded..

Mudau:"Don't worry I can do your hair sir"I chuckled..

Me:"Are you serious?? Are you sure you not good at planting hair only?"

She giggled while scratching her forehead..

Mudau:"Well I'm good at hair cuts..I don't plant nor do nails"

I walked to a chair and sat down.

Mudau:"umm...there's free WiFi here sir,so you can help yourself with that.."

Me:"No thank you I can buy my own data."

I caught her rolling her eyes..

Me:"I'm not a snob or arrogant if that's what you think."

MVELO...

We arrived late that day...My Mother(The Queen) was already on the matress in the Rondavel with Kelo...

The guards helped Sihle to Xhasa's hurt as she was still unconscious..

Zola:"Mvelo...."He hugged me so tight Rubbing my back.."Are you okay?"

I just nodded kissing her forehead.

Me:"im okay nana...Where's Dad?(Ikhaya)"

Zola:"He's in his room...Since they took uncle's body to the rondavel behind house he's lcked himself there."

I nodded walking away...

Zola:"Do you want something to eat?? I cant ask one of the helpers to...."

Me:"No its okay...i have to go to sihle"

Zola:"Ohhh yeah how is she?? I had its time..."

I sighed....My heart was heavy, my knees were weak.

Its as if someone had put layers of rocks on my shoulders...

How can one go through such in one f\*\*ken day??

Me:"She'll be fine.."

She nodded walking away to the rondavel where mom was.

I walked inside the Palace...and got dizzy caused by the movement that was before me...

The helpers were running in and out of the palace like headless chickens..

I saw Nthabi approaching with hwr hand on her belly..

Nthabi:"Ndabezitha?" She tried hugging me but i wasn't in the mood..

Me:"Im not in the mood Nthabi...Go get a nap,read magazines or better yet colour your nails.." she looked at me like she was about to cry..

Nthabi:"I want something spicy like Hot wings....Since morning no one has.."I stopped her..

Me:"Ohh because im the manager at Chicken Licken??"I asked..

Nthabi:"Tjooo..."She walked back to her room..

I went to my room, showered and changed into flexible clothes Then rushed to where she was...

I found Xhasa(seer) and two old women from the family kneeling besides her...

She quickly opened her eyes screaming her lungs out...

\*\*\*\*\*

Siphosihle...

The sharp pain caused me to scream...

I tried breathing, but the pains were unbearable...

My eyes met Mvelo's...He stood there by the door looking at me with worried eyes.

Me:"how.....did i..."

Mvelo:"That doesn't matter Ndlovukazi(Queen) you're in labour.."

He said as he knelt beside me and held my hand..

Xhasa:"Okay in the count for three you push..."i

shook my head now crying..

Me:"i can't...I can't give birth now...The King..."

Mvelo:"Its okay honey...dojt worry about that..Now you havevto push.."

As they shouted me to push i felt cold like ice but my eyes were burning as hell.

I looked aside then saw him...He stood there with a king's attire, with his platinum rhino horn looking at me with a smile...

Me:"Baba??"i whispered...

"You've got this my Princess ."He said whole smiling..

That time the pains just got worse...

Me:"I can't.."I whispered.

"Yes you can...Nkosiyomzi,LIKUWE, Likhona..." He then vanished...

Mvelo:"Baby push!!"I heard Mveli shouting.

I started pushing...Even though it was painfull i

tried and tried til i heard cries.

I looked at mvelo...ue was emotional and sweating..

Mvelo:"Its done my love...."he kissed my dried lips...

I felt another disturbing pain hit me...

Mvelo:"whats wrong??"

Me:"Its the pain again..."

The woman opened my thighs wider...while i was screaming to death.

Woman1:"There's another baby inside...i see hair.."

Mvelo:"Damn...."he cursed squeezing my hand..."Push baby!"

Me:"I cant mvelo....Im hungry.."That came out unexpected....he looked at me then chuckled...

Mvelo:"Okay baby please push..please honey.."

Me:"Okay...

Two hours to go...

I picked my spear as Xhasa finished applying some umuthi (IXhaba) on my whole body...

Xhasa: "you have to be strong." he said ". And make sure you don't miss the spot... You have to make sure He's completely out..." I nodded as tears dropped. I might not been the best son, he might nit be the best father... But hes my dad and i love him.

What im about to do will kill me period...

I sat down naked waiting for mid night... My my shifted to my Threeplets... I smiled...

I cant believe im not a father and officially a dad to three kids. And the thought of Nkosi yomzi facing the same trauma im about to experience hit hard in my heart...

\*\*\*\*\*

"Mvelo its time...." i didnt realize i was sleeping till Andile woke me up...

I stood up and slowly walked to the door with guards and my uncles including Andile...

The cold breeze hit my skin as we walked to the kraal (isibaya).it was a 45min walk....

We walked inside the kraal and my eyes landed to him...He stood In the middle of the Kraal with his head bowed...he was also naked...

They shaved his hair...you could see but not properly since it was a bit dark...you could see that they used Scissors..

I stood before him with tears ,my heart was beating out of my chest...

I dont think i have strength to do this...This is total murder...69.
