Tony

I cannot say kuti Siara had enemies

Maria

kudhara Siara aimbonetsana naTabitha
(anodaro Maria achipinda mu dining)

Vendetta

Okay

(anodaro Vendetta achinyora nyora
zvaainyora muka booklet)

Tony

Hey mother, Vendetta ari kureva ma

twaamaiita mumba

Maria

But is it not true kuti Tabitha and Siara were once enermies.we can even ask Ray anotaura chokwadi

Vendetta

Sir I think we should call everyone auye in this dining room tivabvunze any information that they know about Siara's death

Tony

Ndakadaidza every family member kuti
vese vauye mu dining including nema
workers ese

Vendetta

Mese madaidzwa muno kuti if you have
anything you know about Siara's death
please say it so that ndikatanga

can also say anything that you know
about Siara eg like what type of a person
was she?

Tabitha

Ndakabva ndasimuka ndokubva
ndatanga kutaura zvandaiziva about
Siara....

When I first came in this house Siara
was rude to me but I tried to avoid her
by all means by staying mu cottage. I
was not a person aifarira zvekurwa
nevamwe so I tried to avoid it but as
time went on Siara came and apologized
for her actions towards me and from
that day we became sisters, takanga
tava kuwirirana kunge bhande

nebhurungwa.I thought I had found a sister who is going to stand by me forever but I was shattered when I heard that Siara is dead(anodaro Tabitha achigara pasi)

Vendetta

Ok Tabitha,what about Ross do you have anything to say?(anodaro Vendetta achinyora something pa paper)

Ross

I have nothing to say

Vendetta

It's Okay,pane anyone ane anything to say here?Ukaramba ne information iri important tikazokubatanidzira in our investigations don't hate me!Kana une anything that you know speak it out!(anodaro Vendetta achitaura ne voice rine mutsindo)

Chenai

I have something to say

Vendetta

Okay go ahead!(anodaro Vendetta

Chennai

I can't say it pane vanhu

Vendetta

Let's go outside then(anodaro Vendetta
achisimuka kuenda panze)

Chenai

Ndakabuda panze naVendetta because I was afraid of saying what I wanted to say pane vanhu

Vendetta

Ok tell me what you wanted to say

Chenai

Siara akaenda ku party yemukomana wake manheru kuma 8pm.It was a birthday party yaaifanira ku attender so

akapinda mu kitchen achindikumbira
kuti ndimuvhurire door because
ndakanga ndakiya ma doors.I asked her

kupikisana naye ndakabva
ndangomuvhurira door.After a few
minutes ndakazoona Ross achivhura
main door achibudawo hameno kuti
aienda kupi

Vendetta

So you are trying to say kuti Ross might
have followed Siara kwaakanga

achienda here?

Chenai

Yes

Vendetta

Ko Siara naRoss vaiwirirana here?

Chenai

They were once friends but

vakazopesana and vakanga
vasisawirirane

Vendetta

Chii chakakonzeresa kuti Ross na Siara
vasawirirane?.

Chennai

I don't really know but I think Siara
akanga asingachadi kuita hutsinye
hwaaimboita vari three na amai vacho
because Maria and Ross are cruel
people who want to destroy Tabitha so

Siara paaka repenter zvinenge
zvakarwadza Ross. That is what I think
madam.

Vendetta

So you think kuti Ross killed Siara?

Chenai

Yes and she was clever enough to
poison Siara ari ku party because aiziva
kuti akaisira Siara poison ari pano
pamba anokurumidza kubatwa.

Vendetta

Ko why did Maria and Ross hate Tabitha?

Chennai

From the beginning Maria and Siara hated Tabitha and Ross because vakanga vasingadi kuti vagare pamba paMr Tatire but as time went on Ross akatanga kuwirirana with Maria and Siara and then vese vari three vakatanga kuvenga Tabitha due to some reasons aingoitika mu family imomo. Siara akazotendeuka ndokubva atanga kuwirirana naTabitha but Ross naMaria

havana kufara nazvo

Vendetta

Thank you very much Chenai, you did a good job by telling me all this information

Chenai

You are welcome

Vendetta

Ndakabva ndadzokera mumba naChenai

Maria

Ndine audio yandiri kuda kuti mese munzwe and the audio iri mu phone mangu. The audio is a conversation between Tabitha and Siara

Vendetta

Okay play the audio

Maria

Ndakabva nda player audio

THE AUDIO....

Siara

Pliz Tabitha tell your sister Rosslyn to

Tabitha

Ko kana Tony wacho achimuda unoda

them alone.Moyo muti

Siara

If Rosslyn akaramba kusiya ne

only sister and you will be left all alone
in this world. Your father is dead and
your sister is going to join him soon

Tabitha

If you try to kill my only sister or to
harass her I will kill you Siara

END OF THE AUDIO

Maria

According to the audio which you all heard now, Tabitha threatened to kill Siara and that makes her the first suspect in this murder case

Tabitha

That audio was recorded in the past tichiri kunetsana na Siara and

ndaisarevesa zvandakataura ndaida
kungovhundutsira Siara kuti asanetse ini
na Ross

Maria

You are wrong my dear Tabitha because
I recorded this audio 2 weeks before
Siara died, Vendetta take my phone and
check the date, audio iyi haisi yekare

Vendetta

It's true this audio was recorded 3
weeks ago(anodaro Vendetta akatarisa

phone yaMaria)

Tony

I don't believe what all of you are saying.Tabitha haagoni kurova chaiko not to talk of killing someone....

Maria

Don't try to support evil .Tony your blood sister was killed nemutorwa and instead of supporting your sister you are supporting mutorwa zvake?

Tabitha

Believe me zvandakataura pa audio
ndaisarevesa I wanted to frighten Siara

Vendetta akamboramba akanyarara for
a minute akadzikisa zvake musoro
ndokubva azoti:

Vendetta

I am sorry madam Tabitha, this audio
has strong evidence and you can't

Chapter 2

Maria

Tabitha is going to jail because I have the evidence right here in my hands

Vendetta

I am sorry sir Tony, the audio has evidence against your wife Tabitha and this is the major evidence that I have found so far that proves that Tabitha might be responsible for the murder of Siara. Now it's out of my control it's now in the hands of the law. I can't just pretend that Tabitha is innocent when I have such big evidence in front of me (anodaro Vendetta achinongedzera

phone ya Maria yaive pa table.)

Tony

Vendetta I will handle this case alone. I think it's a family matter and it can be solved within the family. I have known Tabitha for quite some time now and I believe that she won't kill someone, Tabitha is not a murderer pliz. I know my wife very well

Vendetta

Okay I am leaving, I am leaving you to

solve your case alone...

Tony

At least you now understand me thank
you Vendetta

Ross

Ko why are you thanking Vendetta. Inini
ndiri kuenda kumapurisa with that
audio. Tabitha killed Siara hatitombodi
zvekuvharirana ma1. The truth must be
said and reported

Vendetta

You see what I am saying kuti right now
it's now difficult to leave this case
because of the strong evidence
yabuditswa against Tabitha

Tony

I will talk with my family and they will not
say anything to the police because deep
inside my heart I know that Tabitha did
not kill Siara

Vendetta

If you say so I am leaving

Tony

Okay thank you I will do something for you

Vendetta

Thank you (Vendetta anobva aenda zvake)

Tony

I want everyone here to listen and listen carefully to me(anodaro Tony ari kumberi kwe vanhu vese his family and his workers)

Tony

Tabitha is not a killer,Tabitha never killed Siara.Tabitha is innocent.Muri kuzvinzwa here.We don't want barbaric people vanochoenda kuno reporter kuti Tabitha killed Siara.Tabitha is

innocent. We are one big family and
ngatisafumure mumwe wedu zvenhema
and musangotaure information
yamusina kuona ichiitika. Ndikangonzwa
kuti pane ataurira mapurisa kuti Tabitha
imhondi I will sack him/her. I hope I have
made my self clear (anodaro Tony
achigara pasofa zvekare)

Terrence

It is OK sir, inini I know kuti Tabitha won't
do such a thing like that Tabitha is
innocent.

Chenai

Same with me I trust Tabitha.I have known Tabitha to be a good person and I won't believe it that she killed Siara even if they show me the evidence...

Tony

Good.Anyone ane zvekutaura?

Ross

Inini I am going to report this issue to the police.I am not afraid of you Tony I am going to report kuti Tabitha is

responsible for the murder of Siara.I
can't run away from the truth

Tony

Ross let's go upstairs (anodaro Tony
achidhonza Ross)

Ross

Tony where are you taking me
to?Ndisiye nditaure chokwadi pakazara
vanhu!Why are you running away from
the truth!

Tony akadhonza Ross ndokubva aenda naye mu bedroom kwake

Tony

Ross tell me anything you want ?

Ross

What do you mean?

Tony

Tell me anything you want me to do for

you so that you can leave Tabitha alone. How much money do you want?

Ross

This time I need big big favours
(anodaro Ross akagara pa bed)

Tony

What do you want?

Ross

I need two big favours

Tony

Tell me the favours

Ross

I need you to marry me and transfer half of your property to Nigel our little son and after that I need you kuti uendese Tabitha kunochengetwa varwere vepfungwa for 5 years ari ikoko then after that I won't say anything to the police

Tony

WHAT!Ross you are cruel!!!!,your favours haatomboiti,I can't do that, I can't sent my wife to a mental asylum because Tabitha haarwari nepfungwa .

Ross

If you don't want to do zvandataura then I will sent audio ina Maria to the police and Tabitha will spend her whole life in jail for murder.Its better to spend five years ari kuchengeterwa varwere

(mental asylum) than to spend her whole life in jail.THINK about it I am giving you one minute to tell me your decision

Tony

Tabitha is a normal person just like you so why do you want to do this to your only sister.Remember Tabitha is your only sister,hauzivi here kuti blood is thicker than water

Ross

You have half a minute remaining, think fast Tony. What decision have you made?

Chapter 3

Tony

Ross why are you making life difficult for me?you know kuti ini handikudi so why are you forcing me?why are you

disturbing my life,why are you
destroying your sister's life.

Ross

I am doing this because of love.I love
you Tony.

Tony

Don't deceive me,your love is fake.You
only want my money chete.Ross you are
materialistic, despite hutsinye hwako
Chris still loves you but iwewe you
cannot even see that.Unoda

kungomanikidzira relationship
hausingakwani. Why are you so selfish
Ross? Chiso chako chakafanana necha
Tabitha but zviito zvako zvakasiyana
nezva Tabitha. I think you need to grow
up in mind not in physical
appearance. Why can't you leave us to be
happy? why cant you just sacrifice for
your sister. Tabitha has sacrificed alot
for you and she has done many favours
for you but you can't just do one favour
for your sister. Do you think your father
is happy wherever he is? Honestly I don't
love you Ross. Ida anokuda, Chris is there
for you

Ross

Fine then,it seems like uri kuda kuomesa musoro.I am calling the police now,I will tell them the truth so that they can arrest Tabitha for the murder of Siara(anorado Ross achibaya baya phone yake)

Tony

Stop it,I will agree to your favours then

Ross

Good guy,now you are talking.First thing

tomorrow morning you have to transfer half of your wealth to our son and as soon as Tabitha paanoenda ku mental asylum we will get married to each other

Tony

I might marry you,I might buy you the most expensive things in the world and I might have alot of kids with you BUT THE TRUTH REMAINS THE SAME THAT I DONT LOVE YOU ROSSLYN !!!

Ross

Don't worry you will learn to love me
especially pauchaziva kuti 5 years is too
long usina mukadzi

Tony

I am leaving for downstairs

Ross

So since you have agreed to my favours
what I am going to do is that I am going
to talk to the police kuti Tabitha killed

Siara because anorwara nepfugwa

Tony

But ingawani you said you won't involve the police

Ross

I have to involve the police but my plan haiendesi Tabitha ku jail.I will tell the Police that Tabitha killed Siara because Tabitha anorwara nepfugwa and Tabitha anobva aendeswa ku mental asylum for about 5 years at least she will be saved

from spending the rest of her life in prison. So what I am going to do is to lie to the police kuti Tabitha is insane. The conversation ya Tabitha and Siara is no longer a secret so anyone might go to the police station and report the issue but inini I will save Tabitha from jail

Tony

Perfect then

Ndakadzika downstairs ndokubva ndaona Tabitha achichema akagara pa sofa na Mr Tatire, ma workers ese akanga abuda mudining because Mr

Tatire had dismissed them

Mr Tatire

What did Ross say? Did you manage to calm her down?

Tony

Father I will tell you everything later in the day...

Mr Tatire

Okay my son

Tony anosara achinyararidza mudiwa wake Tabitha. For a minute Tony anombodzikisa misodzi akabata chipfuva cha Tabitha

Tabitha

What did Ross say? is she still going to report me to the police?

Tony

No,she said she will save you.You are not going to jail don't worry

Tabitha

Tony I don't want to go to jail
pliz,promise me that you will always be
by my side.Tony promise me that you
will never leave me.Ndinokuda

Tony

Silent....

Tabitha

Why are you quiet,say something

Tony

I promise to always be with you
Tabitha.I love you too babe

Tabitha

Thank you

Tony

After 3 days ndakaona mapurisa auya pamba.They were 2 policeman and they came mu dining vachiti vaid kuona Tabitha

Tony

Is there any problem?

Policeman

Tabitha is under arrested for the murder of Siara and she is to appear in Victoria Falls court of law in a week time

Tony

It's OK but haabvumidzwi here kugara
pamba achifanomirira kutongwa next
week yacho

Policeman

Panoti netsei because anofanira
kumirira kutongwa ari ku prison

Tony

How much money do you want?

Policeman

We don't understand sir

Tony

Take this money and go tell whoever
who sent you here kuti Tabitha is very
sick and she is in hospital but
achazouya ku court on the date
ravataura(anodaro Tony achibuditsa
mazimari mu pocket make)

Policeman

It's OK sir, there is no problem (vanodaro mapurisa vachisekerera vakatarisa mari)

Tony

You may take your leave

Policemen

Okay sir,thank you once again(Mapurisa anobva aenda)

Tony

I had to bribe the police men kuti
vasatore Tabitha away from me before
date reku court because I wanted to
spend my last days ndinaye. Very soon
Tabitha is going to a mental asylum. God
why is this happening in our lives. Why
has the devil decided to use Tabitha's
sister to destroy our
relationship?(anodaro Tony
achidhudhudza wine yaakanga akabata)

Vendetta's POV

My major suspects for the murder of Siara is Maria and Ross. Ikozvino they are no longer afraid because they think kuti ndapedza ongororo yangu .I realized that what Chenai was telling me is the truth. Why did Maria record that audio asi akaporofita here kuti Siara is going to die. I see hatred between Maria and Tabitha and that was exactly what Chenai told me. Meanwhile I will keep investigating even Tabitha akazoenda ku jeri because many people out there vari kungopomerwa mhosva dzavasina vozobuditswa when they are found innocent. Dai pasina that audio ya Maria I could have arrested Ross but that audio

left me with no choice than to say kuti
Tabitha is the suspect.....I will
investigate this issue slowly zvangu
ndakadzikama.Rine manyanga ragara
harimbofi rakaputirwa

Tony was looking sad, everyone was

looking sad except for Ross and Maria. I
didn't understand why? Pandakapedza

hugged me tightly

Tabitha

Why are you looking so sad?

Tony

I love you Tabitha (anodaro Tony
akatarisa Tabitha mumaziso)

Tabitha

Tony are you scared that I might go to jail today?

Tony

No I am OK let's go. Mr Tatire, Michael, Raffael and Chenai are waiting for us downstairs

Tabitha

Why are we going with them?

Tony

They are going to save you mu court

Tabitha

Okay let's go(anodaro Tabitha achibuda
mu bedroom akabata maoko naTony)

Tabitha

I believe that nothing will happen to me.I
won't go to jail because I didn't kill

anyone. Maria and Ross are going to lose...

Tony

Silent...

Tabitha

Ko why are you quiet Tony it seems like uri kufunga zvakawanda.What is it?(Tabitha anoramba akatarisa Tony mumaziso)

Tony

It's nothing...

Tabitha

Takazoenda ku Victoria Falls court and takasvika Maria naRoss vatoveko vakagara kuma front benches. Takasvika tikagarawo kuma front benches. Judge vakapinda and vanhu vese vakabva vasimuka. Takazogara pasi and nyaya yedu yakanga yave kutongwa. Ndakatarisa ku back seat ndikaona Vendetta akagara kumashure neche pa corner...

Judge

From the information that I have gathered it states that Tabitha is responsible for the death of Siara because she had threatened to kill her in the past. However it was said that Tabitha killed Siara because Tabitha is mentally sick...

Before concluding this case do we have any evidence to prove that Tabitha murwere wepfungwa?

Tony

Yes judge,these are the papers from the doctor which states that Tabitha is mentally disturbed (anodaro Tony achitambidza judge ma papers)

Judge vanoverenga ma papers aya

Judge

Ko the family members do you agree kuti Tabitha murwere wepfungwa?

Michael

Yes I agree

Raffael

I agree that Tabitha is mentally
disturbed

Chenai

Same with me

Tabitha

WHAT!They are lying judge I am not mentally ill and I didn't kill Siara.Tony why are you saying kuti ndiri murwere wepfungwa can't you see kuti I am OK?

Ross

Tabitha is mentally sick judge.

Tabitha

Why are all of you lying against me,what
have I done?I am not sick judge

Judge

But the report from the doctor inoti you
are mentally sick

Tabitha

It's all a lie judge,vari kundinyepera.Pliz
Tony say something I am not insane,pliz
save me Tony.If you don't save me I will

be taken to a mental asylum. You
promised me that you will save me, save
me Tony!!! (Tabitha akanga akabatwa
ruoko nemapurisa 2 because vanhu
vakafanga vave kutofunga kuti
anopenga)

Tony anoramba akanyarara akatarisa
pasi

Judge

Pane anyone here ane chekutura about
Siara's death or anyone ane chekutura
about Tabitha?

Vanhu vese vakaramba vakanyarara

Judge

Then with all the power vested upon me
I do hereby sent Tabitha Tineyi to a
mental asylum.ARISE COURT!!!

Tabitha

Handipengi kani pliz let me go
pliz!!!Tony!Tony! Tony save me I don't
want to go to a mental asylum handina

kuuraya Siara ini.!!!Pliz do something
Tony,look they are taking me away.

Tony akabva abuda mu court together
nana Micheal.I was left alone with no
one to support me,noone to ask for

Mota yandakanga ndiri yaiva pick up and ini ndaive kumashure ma windows ese akanga akavharwa zvekuti ndaisambopunyuka. I didn't believe kuti Tony aindida because if he loved me he could have done something kuti ndisaende ku mental asylum, he promised me kuti he will save me but he didn't. God five years ndichigara nemapenzi is not a joke. Chenai andirasisa futi, she promised to support me but ndashamisika pandanzwa achinditi I am a sick person. Mr Tatire vandaifungidzira kuti he is a good man vangoramba vakandidzvokora mu court, he didn't say anything to support me. What is going on in my life? Collins

haana kana kumbobatika.I hate the
Tatire family.After 5 years I will start my
life alone on a new page....

Tony's POV

It's better if Tabitha stays at the mental
asylum than to see Tabitha ari mujeri no
I can't,I can't even allow kuti Tabitha
agare mu jail for a single day not to talk
of her whole life.I believe at the asylum
they have good care kune vanhu vari
mentally sick compared nekugara
mujeri.Noone will care for you kana uri
mujeri (anodaro Tony achibuda mu

court with his father)

Mr Tatire

You are right my son plus 5 years it's not too long. Who knows she might succeed in escaping the asylum

Tony

Let's pray for anything good to happen

Ross

Soon I am going to be your wife
(anodaro Ross achipinda muma

Tony

I said get out!

Ross

Maybe I should call the police and tell them kuti Tabitha haarwari nepfungwa and your so called wife will spend all her life in jail. Do you know I slept with the judge so that I can be very sure kuti I bring Tabitha down. Tony there is nothing you can do to stop me if I want Tabitha to rot in jail so you better cooperate with me

Tony

I am going to tell my lawyer that you
slept with the judge

Ross

Kkkk do you have the evidence?Zvauri

God will judge you Ross.

Ross

Even if you say satan will judge me I don't care. Anyway if you don't sleep with me you know what I will do. We need to make more children Tabitha asati adzoka...

Tony

I give up on you. Its better I go and see

my little baby Tamia than to see your
evil face....

Tabitha

Takasvika muBulawayo at the mental

Mr Tatire

Huh

Tony

So it's difficult kumira mira panyaya yakadai. Even if I hire a good lawyer it's difficult because Ross akarara na judge so ndotangira papi.

Tony

So what do I do father,ndapererwa?

Mr Tatire

I think we should just tell the court that
Tabitha is not crazy

Tony

Father if we tell the court that Tabitha is
not crazy then Tabitha will go to jail and
our family doctor will be arrested for
giving me false papers that states kuti
Tabitha is crazy.I can't put our doctor at
risk we promised him that I will keep it a
secret that the papers were fake reports

Mr Tatire

Zvakaoma (vanodaro vachidzungudza musoro)

Tony

I know kuti Tabitha now hates me so much. Father do you know kuti yesterday manheru I heard Ross ari panze achitaura pa phone neumwe guard weku mental asylum. She was telling the guy kuti amupe information anytime I try to see Tabitha there. Now father tell me kuti how can I see Tabitha now?

I have discovered that Michael was at the party yakaenda Siara. I don't know what he was doing there kuti aitevera Siara here or something else. So I went to his house and I took his phone ndakaenda pama calls and I discovered that akatombofonera Siara that night. Its time I question Ross and Micheal they will tell me what I need...

Tony

But Micheal never told me anything

Michael

You are free to ask

Vendetta

What were you doing ku birthday party yemukomana waSiara and yesterday when I came and took your phone I discovered that wakambofonera Siara that night before she died.I know that Siara didn't invite you to her birthday party because she went there secretly

Michael

Actually what happened is that,that night ndaida kuenda kumba kwaMr Tatire because ndakanga ndakanganwa some important documents there so pandakasvika pa gate ndakaona a lady achitaura nemumwe murume kuti she was going to poison Siara ku party kwaakanga ari.Handina kunyatsoona vanhu vaviri ava zvakanaka because it was dark. danger so akabva abuda mumba
ndokubva tasangana kunze kwe gate

who told me kuti party yaiitirwa ku

Tony

So the lady wawakaona achitaura with a

rakanga risiri ra Ross here or Maria
since you said it was dark.

Michael

Honestly speaking voice randakanzwa

Tony

So why did you tell me all this while

Michael

I was afraid,now adays if you know any
information about someone's death

guys kuti mubate munhu wenyu mega

but I am sorry

Lindah

We are sorry,I was even the one who advised Michael not to say anything because I was afraid kuti Michael will be a suspect and I might end up losing my husband

Vendetta

Next time if you know anything learn to tell us Michael.Since childhood I have known you as a brave guy...

Mr Tendeka

It's about Tabitha the lady who you brought her about 9 months ago

Mr Tendeka

What is wrong with her?

(vanodaro vachibvisa ma glass avo

Cindy

You know that I have been working here for 8 years and you now that I am the best teacher here when it comes to dealing with mad people

Mr Tendeka

Cindy

And you know that for these past years I have been doing my job very well

Mr Tendeka

Yes.go straight to your point madam

Cindy

I just wanted to let you know that Tabitha is a normal person,infact she was brought here atori normal

Mr Tendeka

No I don't think kuti family yake ingamuunza here for nothing,even the court had declared that she is mentally ill so what are you saying madam?

Cindy

Okay let's leave the issue yekuti agara ari normal.Ko what if I tell you kuti Tabitha is now normal and you should let her go

Mr Tendeka

When his husband came 3 days ago with his second wife ,he told me that Tabitha is not normal yet.Didnt you see the way she was crying for her baby akanga achida kuchengeterwa mwana with his husband but akutochema,if she decides to keep her baby here to mupei mwana wacho? this shows that haasati akugona kufunga and she must stay here in the asylum.You can leave madam I have alot of work to do....

Cindy

Tabitha

One day ndakarara manheru ndakamutswa ne noise rekuvhurika kwe door, pandakamuka ndakaona vari Mr Tendeka vachipinda pa door

Tabitha

I am going to scream sir.I will scream.

Mr Tendeka

If you scream you will spent the rest of your life in this asylum, do you know I have such kind of powers.I have such kind of powers to transfer you to another asylum faraway from your family and your relatives wont know anything about it.Anyway even if you scream noone will hear you inside this room because I have drugged everyone in here.So you have to cooperate with with me or I will drug you and it will be a better way for me to sleep with you

Tabitha

You are cruel God will judge you,
promise God will judge you!!!(anodaro
Tabitha ava kuchema).....

2 hours later

Tabitha

Mr Tendeka raped me and there was no one to help me out.I think it's high time I escape from this asylum but someday I will make sure that he is arrested for his shameless deeds.Mr Tendeka said that

he has drugged everyone here so it is going to be easy for me to escape....

Ndakabva ndatora torch since akanga ari manheru.Ndakabuda mu room yandairara there was silence all over the building.Ndakatanga kufamba in the dark corridor kusvikira ndabuda kunze kwe building.Ndakabva ndaenda pamuti wandaimbotandara naSimba ndokubva ndanhonga zimuti kuitira kuti if anyone tries to attack me I will attack him.I was now determined to go and take away my children from the Tatire house.I was now determined to go back to Mutare the city that I grew up in and start a new life there....

When Florence died Mr Tineyi comforted me as if vanga vari innocent but Florence had already told me kuti Mr Tineyi poisoned her drink. Tabitha

No no no there is no need to complain about my complexion. Ingawani black is beauty. I am happy with the new face.

Diana

So tell me where do you come from and tell me about your relatives?

Tabitha

Ndakabva ndarondedzera everything about myself kuna Diana and I also told her what had happened to me

Diana

It's quite a sad story indeed. The world is cold out there, there are more cruel and heartless people like Chennai. It's good that I now know about you, it will be easy to bring you home

Tabitha

I am afraid. I don't want to go back home. The person who poured me acid will be waiting for me there, who knows she might even kill me

Diana

But what about your child?

Tabitha

I don't think my child will accept me. I now have a new face. Even if I go to the Tatire house kunotora mwana wangu they won't believe kuti I am Tabitha

Diana

So is it OK if you stay with me for the meantime?

Ross

It has been long without seeing the Tatire family. Everytime I went there vaindidzinga saying that I should pay for my sins but nguva yarebesa. I heard that Tabitha is dead, she died without even saying goodbye to me. What a world indeed. My sister Tatenda is outside the country and doesn't want to hear about me. Now I am reckless sleeping under the bridges with nowhere to go. I can't even talk now ndava chimumumu chaicho. When I realised the games that are being played by Chenai I was beaten off kupotsa ndafa. Chenai was satanic. I don't even know if Nigel my boy will recognise me now....

Tony

Do you think it's a good idea ndikaenda naye kwaMutare for her to see nice

places there maybe it might refresh her mind?

Mr Tatire

Tony

Even if she's dead I will keep saying to myself kuti Tabitha is alive so that I won't spend the rest of my life crying

nokuda kwe acid yandakaiswa but I am still alive. Maria won't do anything to me as long as ari munhu wenyama. In Vic Falls

Denford

Tabitha akandiendesa kujeri for 5 years and handiregerei munhu ane hutsinye ahh. I will revenge so that she can also feel the pain yandakanzwa ndiri mujeri... To Mr Tatire

I am sorry I can't stay here with you.I
have realized that amai Simba is a
better woman than me and for so long
amai Simba has been living without a
husband .I have decided to go far way
and never disturb both of you
again.Amai Simba deserves you and you
deserve her.You people are a perfect

match from Heaven. The other thing that made me to leave is that I was a bad person before and it makes me feel ashamed to live in your house and I am not going to tell Denford the truth that Tabitha is alive because Denford still has wicked thoughts mupfungwa dzake so I am leaving with Denford to a far away country and start a new life there. You have been such a wonderful husband to me and I appreciate it....

Goodbye, it was nice knowing you Mr
Tatire
