After telling me he wants me to work in his boutique eish I was jumping with happiness inside. I just stood up and hug him because I was grateful to him for what he has done. I was happy I don't wanna lie leaving his house was a perfect idea for me. Because ever since I came here it have been trouble after trouble.

After the spreading of good news to me
I decide to go bedding. But I couldn't find
hope because of happiness inside my
heart. Apa tomorrow was taking long

I don't know when ndakabatirwa nehope.

Ndakatanga kufamba ndichidzika. Not knowing where to find the right one.

Ndiri pakati pekufamba in the darkness I felt connected to someone and it was so powerful one.

Ndakambomira because I was confused

for that moment. I know Meme was in the room but what if she is not the one. I was now scared even though I was about the idea.
