**\*NEW BOOK\***

—“I had something to fight for, and I was fighting for the love of my life. I couldn’t give up or give in—not now. Not after all I’d been through—all we’d been through.” —

\_"We wanted the freedom to love. We wanted the freedom to choose. Now we have to fight for it."\_

Ruvarashe Maira is my name. Also Known As Ruva I am from a well up family being the third born child in a

family of 4. My younger sister and I have a great difference of 9 years. The other two are boys. So it's Rick, Richard jnr, Ruvarashe and Rosie. My dad is a well known farmer and businessman in Bromley and My mother is a Nurse. I am short in height and I have a slim body but ndine magaro akakura... Complexion ndiri mushava not that light but handiiswe kuvatema.

This is  
our story...

" Ruva your mother said you must  
revise your work kana wasvika"

That was our long serving maid Aunty

Shuvai ( \_Mai Tecla\_) I had just come back from school. I was doing Grade 7 at Ruzawi Primary and apa ndanga ndavepedyo nekunyora.

Auntie Mai Tecla was a good person ivo ne murume wavo had been working for our family for a long time actually ndakatozvarwa vatoripo ndivo vakatirera. Murume wavo ndiye aiva foromani papurazi redu. Her husband was like my father's right

hand man aidiwa na Baba vangu and  
he was the most trusted, His name  
was Samuel

Me " Ok Aunty regai ndipedzise  
zvandiri kuita ndataura na Tracy ati  
mukoma Tererai vanotibatsira"

Ndakabva ndatogadzirira to go to our usual place na Tracy. Pedyo nematanga ehuku was our gazebo. Ndopataionanira most of the times dzimwe nguva aiuya kuroom kwangu and at times mumba mavo.

Tracy was my best friend other than my best friend Bongani from school. Well nekuda kwekuti Bongie stayed kuHarare she was a border taingoonana kuschool then pama holidays mamwe taiita masleep over.

But Tracy was always close. And  
ndiye munhu wandaitamba pada  
nemahumbwe naye. Tracy was the  
last born child wa Aunty Mai Tecla

Tererai oh yes Terry he was Auntie  
Mai Teclas son he was their only son  
and doing Form 4 at Rusununguko  
high school ari muday scholar. We  
had grown up together  
munongozivawo zvepapurazi. Well I  
can't say he was my brother's friend

although vakaenzana na Richie. My  
brothers vaida prestige I think being  
boys and also vaidzidza  
kuPeterhouse they excluded  
themselves from the farm workers.  
Richie was also in Form 4 but  
aisagona hake. Plus nenyaya  
yekugara kuboarding ndaitobatsirwa  
hangu na Mukoma Terry... my  
brothers came pa ma fixture free  
chete

Terry aigona hake kuchikoro and he was very bright. Our farm driver usually picked me from school then tozopfuura tichitora Terry na Tracy pa Rusununguko toenda kumba.

Takagara hedu na Tracy tichiitisana nharo nenyaya yehomework yandanga ndapihwa it was also part of revision as we were about to write.

Terry " You girls muri kungoitisana  
nharo chete chete ko kungobvunza  
munei"

Tracy " Terry ini ndambokubvunza but  
unondi rafura nekuti ava Ruvarashe  
ari kuda kubatsirwa wakumira mira"

Terry laughed zvake. Well vanga  
vasinga wirirana I think inyaya yekuti  
vaive vatedzani.

Terry assisted me. When we were  
done we did some revision together.  
Akazoti iye he wanted  
kumboverengawo semunhu  
ainyorawo form 4.

**\*Tererai\***

Yes my name is Tererai Simone or Terry in short. I am 18 years old and doing Form 4 pa Rusunguko High. Ndiri muday scholar. My father and mother work for Mr and Mrs Maira vanova varidzi vepafarm pataigara. Mhamha is a maid and daddy vangu

ndi Foromani papurazi. I grew up on that farm and that's the only place I had known as home.

I have my 2 sisters Tecla na Tracy and handina hangu a brother. My friends well waitogara kure neni hanty you know how it's like papurazi where by the next farm is far away. My best friend's were Mutsa and Victor.

Pamba pedu paiva ne dzimwe boys vadiki though but vaigara kustaff compound. Isu we were privileged kugara a bit close to the main house and our house was different from the ones ekucompound. The other boys vaive vana vemuridzi wepurazi but ndovainzi mapikinini boss ne varungu kureva vana vemurungu ka. Boys idzo dzaizvinzwa kani ko sevanhu vaiva nemari you wouldn't expect much from them other than kukuona semunhu asina basa.

Takakura tichiti nguva yekudyara iya  
kana yekusakura. Baba vangu being  
the foreman taitorwawo paticket  
ipapo wotopihwa ndima paye  
tichibhadharwa ndomari dzataita  
pocket money yekutengawo hembe  
nekutengawo chingwa pamba nguva  
yechirimo.

Murungu wababa aifarira baba vangu zvekuti waitomunzwa every morning achiuya kumba kwedu achiti Samuel chakati nechakati. He was generous and anga asina kuomera. Fees yese taibhadharirwa ne mauniform taitengerwa once every 2 years.

His mission zvavo was to please my father cause hakuna chero mumwe mushandi wavaitruster sababa vangu.

Pavana vamuzvina purazi paiva ne musikana ainzi Ruvarashe. Ruva was young ari grade 7 zvake. Aiva munhu ari down to earth zvekuti aitowirirana na Tracy stereki they were bestfriends. Ndiye munhu wandaitotaurawo naye iyeye and she also liked me pakuti ndaive shasha muchikoro so I would help her and Tracy kuita mahomework. Ruva however was more intelligent than my own sister Tracy. Even kumba

kwavo chaiko the brothers  
vaitokundwa kuva sharp na Ruva. But  
sevanhu vaidzidzawo pazvikoro zvine  
mazita zvaisaoneka hazvo kuti

Ok fine mukuitisana homework and

Ini I had a girlfriend munozivawo

Chakaita ndidanane naDumie was ma friends angu. Everyone had a girl friend tiri maform 2 so ndaive ndakusekwa nevamwe. That was the reason why ndakazotsvagawo musikana naiyewo Dumie she had a crush on me aiita kundikara too bad zvekuti one word aah akadyira.

We took our bath after bathing iye

I looked in the mirror.

Paida " See you look so different now

She was right make up had changed me. Well I still had to decide though but for the sake of peace I would just do it when she was around.

When we were done we lay pabed pangu and started watching movies..

We saw a romantic movie where people were kissing and romancing. I think it was too much. I had never sat down to watch such a movie well my brothers always kept their laptops and rooms under key and lock so I had no access to that. If I am not watching The Kardashians. I would be watching those teenage movies but not something like what Paidá was showing me.

Paida " You are closing your eyes  
why"

Me " Am not used to seeing such  
things"

Paida " Hey Ruva wakasara iwewe.  
You mean you don't smooch with

your guy"

Guy!!! I didn't have a guy.

Me " Remember I don't have a  
boyfriend Paidá"

She laughed.

Mum" Ok. Call her takuda kudya"

I decided not to call her food hanty  
yanga yagadzirwa. I set the table  
kwakupakura just like Aunt Mai Tecla  
does and then served the food. I  
called them to the table...

Mum " Mai Tecla!!"

Me "She didn't come

Mum" So who did this.

Handina kumbozvifunga kuti Tracy na Ruva vangafambe kwese uku. I had never put it into mind kuti if I meet Ruva ndina Dumie what will happen to be honest I was shocked and in me I felt guilty zvekuti hapana Kan kiss chaiyo yandakapa Dumie ndakingofunga kuti zvandaonekwa na Ruva afungei.

Hapana hapo zvaivepo na Ruva

with meeting me na Dumie.

Schools eventually opened and Ruva

**\*Chapter 12\***

**\_2 years later\_**

\*Ruvarashe\*

I had grown now to be a beautiful girl  
body yangu yangu yanga yatorawo  
shape. Zvekuti I could see the  
changes ndega. Ma hips aya ne  
mabums kkkk. I was now doing my  
Form 3 and had only 1 term left  
before going into Form 4

Tracy had grown too ini ndanga ndachinja zvangu but iye aiva worse. She was now taller than me and anga asimba. And on being responsible I think she was more responsible than me. Haaimbotadza kuva responsible she knew more stuff than I did.... Although I could now do most of the house chores even kubika I was now well trained thanks to Aunty Mai Tecla....

I had not seen my period yet and I was very worried about it. All my friends at school vanga vakutoenda and Tracy too but inini dhololo. I had continuously spoken to my mum about it but vaingoti zvichaita well sa Nurse I believed her.

Richard had failed his O levels for the 3rd time iish haaa zve chikoro zvanga zvaramba hazvo. Handifunge kuti

aisagona but he was too playful  
chaiko you would hardly see him  
opening a book kana magazine zvaro  
all he knew about was smoking,  
drinking, betting and money if those  
were subjects aitoita ma distinction  
chaiwo. Anga akupota achifamba na  
daddy but chikoro zvake aienda

Rick was still overseas and doing his  
degree program he was doing well.  
Aidzoka for Christmas holidays only.

At least na Rick taimbowirirana pana  
Richie who was just too bossy aito  
tyisa.

Tracy anga ane boyfriend well this  
guy aishanda kuma shops aigara ku  
Melfort uko. He was a handsome guy  
zvake. My friends ana Tamie na  
Chloe kuchikoro vese vanga vane ma  
boyfriends. Chloe aidanana ne mu  
upper six wepa Peterhouse boys.

Then Tamie her's was a guy from St Ignatius College. Ini ipapo ndanga ndisati ndane a boyfriend. You must be wondering why. Well boys would propose but ndaisada zvangu I was scared and felt I wasn't ready yet for a relationship. Funny though with all the pressure from my friends kkkk but hapana wandanyatsonzwa kuti ndomuda uyu.

I was receiving messages from

Kuziva remember that guy whose father Mr Rusike was a friend to my father. Ainyora apo ne apo saying hie and asking about school nothing really serious though. Each time I would tell Tracy about Kuziva's messages aibva ati he likes you but hey I was 16 and the guy was like 29 there about haaa zvaisabuda even older than our own Rick.

Then came Terry ever since the day I

saw him with Dumie I had taken a sit back well I didn't know why but it just happened. To be honest that incident yanga yandi affecter and I hadn't gotten over it and from there I avoided Terry as much as possible. Pese pandaimuona even kumufunga Dumie issue yaibva yauyawo in the picture. One thing that had been an issue was why he wasn't going to A level or doing anything. Each time I asked Tracy aingoti achaenda zvinhu zvakasunga obva a tochinja subject....

\*Tererai\*

Time flies and people do grow from kids to young adults. I myself had grown up too. But Tracy na Ruva iiish vanga vakura zvavo. Na Ruva she had chosen to maintain a distance from me and I also thought it could be the best thing to do, considering I was

having feelings for her and ukaona kuti we were worlds apart that distancing would cool down everything. It wasn't easy it actually was hurting the more time passed and the gap widening was the more I kept feeling for her...

Then school hayaaa panga pasina kana chimuko. The first year I tried to save money but yaiva shoma I decided to give it another year when

dad went kunotora result slip kwa  
Boss vavo he couldn't find it.  
Kuchikoro ndakanzi mirira certificate.  
Pakabuda ma certificate I went  
ndikanzi harisi kuonekwa kwatoiswa  
request kuZimsec. It's now been a  
year and a half certificate dhololo  
ndichingonzi mira mira. Ndanga  
ndakangoti rinozouya but time manje  
ndoyanga yareba manje.... Ndanga  
ndakaronga kuti gore richingopera  
ndoenda kuZimsec kwacho ndega.

With Dumie hapana changa chachinja.  
I guess iye anga akungoshingirira  
pasina and she was feeling it. Anga  
akafoira form 4 zvisingaite and anga  
ambowana basa rekushanda mushop  
kuma shops kwedu uko. Ikoko manje  
nyaya dzake dzanga dzakuwanda you  
know how it is mupurazi. I kept my  
cool zvangu achinetsera bonde but  
uko ndaisatokuenda zvakaitika was a  
mistake.

Victor "Nhai Terry are you telling me

\*Boss Ritchie\*

Ooh shem these boys they think that  
when we grew up from boys to men it  
was so easy nhai manje there is more  
to life and you don't have to expect  
things to come on a silver tray.

I knew he would think along those lines Ko inonzi nhodzera ka like father like son. But it's not done that way. For you to build empires you need to put your cards on the table and play the game right. Isu tave ma senior pa zviri.

I watched him on camera and decided to go home and remove the guns paaive. Ndakazoenda hangu

kumadhiri angu. I returned home before him.

Akauya akaenda ku office and Richard so he was determined to kill that boy. Kufira mujeri pasina kana proper deal rawaita nxaa. I went ku office ikoko.

Me "Are you looking for a gun

Ndakamudaro ndichipinda muoffice

Him" How did you know Dad I wanna

blow that guy's brains out.

Me "For that statement you will never use a gun until I approve. That's bullshit enda unorara I can't talk to you in this state get out now!!!!

Ndakabanger pa table achibva aenda. Iri dzungu raida ana Stokie kuti vari tapudze mhani. You can't entrust an empire on this boy he needs real training and that was what he was going to get.

The following day I called him to order. He was now sober

Me "You don't do as you like bambo. I am the boss here and you do according to my word. Unoda kuparadza empire yangu in one day. It took me years to build this and you wanna destroy it because of a silly farm worker

Him" I am sorry dad. What am I

supposed to do

Me "You stoep so low son. Ndo  
caliber dzekurwa nadzo here munhu  
waunoita call to order. Hey you need  
grooming all this won't take you  
anywhere... This story is over I will  
handle this issue on my own fullstop

He was apologetic but I still needed Stokie to teach him and give him discipline.

\*Ruvarashe\*

I couldn't sleep kani mufaro wacho wanga wakanyanyisa especially after getting a goodnight message from Terry haa unozodei wena. It read

Terry hadn't even kissed me like the  
kissing yanga ichiitwa pa book hanzi  
inonzi tongue to tongue.

I opened the book on the first page it

read

A kiss is about strengthening ties you wish to maintain in the future. A kiss on New Year's Eve is said to bring good fortune to a new relationship, so keep that in mind tonight, everybody.

Woow I said to myself and it so

happened that my birthday was on a new year. I read a bit more kwakutanga kufunga kuti it would be nice to celebrate my birthday then get a my first Kiss from Terry and for sure I wanted us to strengthen our relationship so that we don't separate in future... I put the book on my chest and said " Thank you Tashie I met you today" I smiled then fell asleep

Madays akafamba Tamie and Chloe had helped me to plan for my

birthday party. Well ivo vaida kuti ndiitire ku Sam Levy Village or going somewhere out . But I was of the idea kuti dai zvangu ndaiitira ku farm. But then again my parents ndakazoti I will decide later then we would communicate. Also I hadn't really discussed the party with my parents on a serious note.

Closing day my dad had communicated that he would come

and collect me so I waited for him.  
Takamirira our parents Tamie's Dad  
called vachiti vabatikana then he  
asked for my dad's number. Takavapa
