\*CHAPTER 30 ALPHA\*

pandakaona polite the other friend of ashy ndakarohwanehana ndokubva ndarotomoka zvisingatonzwisisike..ndaisave ne any connection naye but i knew kuti aigona kunoudza ashy since they were best friends and indeed thats what happened ,munhu akangonyangarika zvisingatonzwisisike then ndokuzodzoka ave naashy apa takange tatomitira kuti bride richibuda mumba zvikaranga zvacho zvitange..

pakaita mhere mhere ashy uya achipwanya panywa all the goods zvataive taseta on the table..she revealed the other side of her zvandaisatozivao kana neni,i never knew kuti she can be mad to that extend when it comes to fighting for what belongs to her,eheka i belonged to her but kungoti naty o uyu akange akundi dhomotsa nerudo ,i was beggining to feel like i cant leave without her so i wanted her to be my wife and live with me...

movie remahara rakazotangidza when naty became a little mad,hameno kuti ndohwunonzi hwu chihera hwacho here,munhu akaita kushama in front of everyone nevanyarikani apa achituka zvinyadzi kuna ashy..vana mom vakapinda mabuzy nemazambia kuti vavhare munhu and it was tough nekuti munhu wacho airwisa.apa paitoda varume chaivo kuti vabate nekuti power raaive naro was far much beyond vanhukadzi but isu taizobatao pai munhu akaita muroyi kudaro..

mom nadady vake ndovakazomubatirana ndokumuvharira muroom make...my dad then suggested kuti tiende kumba then tozodzoka when everything is sorted so ndakabva ndapinda mudining mainge mava nanaty and her parents..ndichingopinda naty akabva amhanya kuzondimbundira..

NATY: um sorry babe i didnt mean to..

ME:its okay hun it wasnt your fault..

MAI NATY: hapana kuzviitisa uko ..she is spoiled mwana uya her parents especially her mother vari kutomukanganisa..

ME: hmn its okay ..i think i should go now dad vati tichazodzoka kana nyaya dzacho dzagadziriswa..

BABA NATY: hapana nyaya apa mukwasha inoda kugadzirwa that girl is only jealous thats all..

ME: actually there is...

i was cut ndisati ndapedza kutaura apa i wanted to reveal the truth to this man nekuti vaitoratidza kuti even the little drama didnt explain to him but unfortunately his wife avoided it..

encourage me kuita barika at my age.zvaisabuda hazvo but i had to accept it because of the condition yaiti if i dont marry ashy or both of then then wasnt supposed to marry from their family ..and this forbids me from marrying naty apa ini ndakange ndakutonzwa kuti i cant leave without her..and if i do maybe ndaigona kutorwara chaiko..

mom vakazoratidza kufara when i accepted kuroora vese but she promised to make naty regret it but i dont know how she intend to do that,ini ndakangoti as long as ndinaye nothing wil happen to her i wil ensure 24/7 protection to her plus mom was soon leaving for her job so pakange pasina chekunyanya kutya thogh its too hard for a man kurarama uine mukadzi asingadiwe nemaparents ako..

we then had funny as a family zvedu tichironga zvekuzoenda kunoroora the following week after tainformer all the family members of our inlwasa..mom vakati taizotanga kunoroora kwan ashy then vouya naye isu tozoenda kwana naty tiri two nadady..

MOM: madii kubikirwa kwamanga maenda..

ME: mom it's not fair...

MOM: so what is fair then ..zvekunoroora naty zve..

MOM: you have forced me to agree nekuti mange makuda kuroora naty wenyu zve...manje let me tel you none of you is going to eat chikafu changu kusvika ashy auya pano she is the one who wil serve you ..kana musingade she wil be cooking for me only imi muchidya chenyu nanaty..any objections?

ME: no mom but please have mercy on us we are hungry..

MOM: yeah i do have mercy.i didnt lock the kitchen today so you are free kunozvibikira but as for my food that i have cooked no mercy at all..
