# GARIKAI

I was heart broken Portia was

Kubasa ndaienda hangu everyday  
but kudya ndanga ndisingadye  
sezvandaiita.

Mai Tagara:Nhai mwanangu  
nowadays you are not yourself.What  
is it.

**Me:Mom its a bit complicated.**

**Mai Tagara:Did you see anything  
that is bothering you.**

**Me:No mom its about Portia.I loved  
her but I hesitated to tell her now she  
is gone neumwe.**

**Mao Tagara:My son you don't have  
to eat yourself up about this.She  
wasn't yours Of she was ungadai**

unaye or uchava naye.What you need to do is to pray for God to help you find the one for you.

Ndakanzwa kurerukirwa nemashoko avo.That's when I realised that ndanga ndisinga namate for quite some time.

That night ndakanamata semunhu anopenga ndakasarira shungu dzangu dzese till i was better.

I then called my mother who missed me so much.It's been weeks since I

called her. She was happy to hear my voice but she could sense trouble in me.

I told her that I am fine.

One day pakapinda mumwe  
musikana mushop. Akatenga  
zvaaida. Ave kubuda that's when I  
realised that she was with a man  
wandisina kuona face yake. He was  
wearing a black suit.

He didn't take anything though.

Ndakasara ndine mubvunzo kuti  
papinda musikana uyu anga ari ega  
but pakubuda vabuda vese.

I followed them to the door  
ndokuona vachitofamba vese. But  
they were not talking to each other.

Ndakabva ndadzokera hangu  
ndokuita zvandaiita.

That night I had a dream of that  
girl. She seems to be happy but her  
happiness was taken away by  
something that I couldn't describe.

Ndakamuka ndokuenda kuToilet  
then came back. And slept. I heard a  
voice while asleep.

\*She needs you go and help her\*

Me:I don't know her and how can I  
help her.

Voice:I will show you what you need  
to know.

Pandakamuka it was already

morning. But that voice was repeating itself mandiri.

Baba Tagara: Garikai let me drop you off I am going to town pane zvandiri kuda.

Me: Oh Mamuka sei.

Baba Tagara: ndamuka kana wamukawo.

Later after eating yakabuda hedu.

On the way I saw that lady again  
walking with the same man.

Me:Moziva that lady akauya kushop

then I told myself that she is taken.

Portia:seems you are not happy to  
see me.I thought you were going to  
hug me like what you used to do

Me:I am happy.It's just I had a lot in  
my head.

Portia:You haven't called me ever  
since that day.Dai ndisina kuuya

**zvaitogara zvakadaro.**

**Me:Portia you have to understand  
that you are now someone's  
wife. Concentrate on your marriage  
not me dear. You will ruin your house.**

**Portia:what's the use when my so  
called husband doesn't sleep at  
home.**

**Me:You know why so you have to fix**

it before it gets out of hand.

Portia:I came here for help and you are chasing me away Garikai.It's not fair.

Me:Coming here is not the only solution.You have your knees use them.

Ndakabva ndatora pen ndokunyora something in my diary.
